AN INTERESTING LECTURE.—Rev. Halsey, of New York city, a member of the board of managers of the Board of Missions of the Presbyterian church, delivered an interesting lecture at the First Presbyterian church in this city last Monday evening. Rev. Halsey only recently returned from China and spoke very interestingly of conditions in that foreign land. He discussed the growth of missions in China and related many amusing anecdotes concerning the Chinese, their habits and peculiarities. In the course of his remarks he referred to the pending Russian-Japan trouble and expressed his opinion that if foreign intervention is not invoked, Russia will greatly extend its possessions and with its adverse policy will seriously interfere with the missionary work that is being carried on in that section of the globe by the Christian nations. During the evening the church choir sang a number of selections.

HAYES CAUGHT FISH.—Nobody would ever accuse Judge G. E. Hayes of being an expert angler but he is just the same. Tuesday the judge donned his fishing clothes and made for the Willamette. When he returned in the evening he brought with him three big salmon. The incident suggests three questions: If the judge caught the salmon, how does he account for his success? If he bought the lot, what was the cost? and if the fish were the gift of some kind friend, who thus saved the reputation of the judge as an expert fisherman? None of the judge's friends are so unkind as to think that either of the last two questions is timely. As an answer to the first query it is insisted that the bewitching smile and manner of the judge would cause the most elusive member of the fish family to grab with great eagerness any bait the lawyer might cast into the water.

INSTALLATION SERVICES.—About thirty-five of the members of the First Congregational church and congregation of this city, went to Portland last Friday evening and witnessed the formal installation of Rev. E. L. House, D. D., as pastor of the First Congregational church of that city. Services of this character are rare in the history of Congregational churches, the installation of Dr. House being the second service of the kind that has taken place in the Pacific Northwest in forty years. Several prominent Congregationalists of the East, who happened to be en route to the Congress of Congregational churches that was held in Seattle this week, participated in the exercises which are reported to have been impressive. Those going from this city, made the trip by electric car and returned after the services were concluded.

ANOTHER INTERESTING VOLUME.—No. 4 of Vol. 3, of the Quarterly of the Oregon Historical Society has reached the Enterprise office. It contains a chapter on the early Railroad History of Oregon by Joseph Gaston, an old newspaper man and at one time editor of the Oregon Statesman; History of the Press of Oregon from 1839 to 1850 by Geo. H. Himes; an article on "Archives of Oregon," by Prof. F. G. Young, editor of the Quarterly; documents relating to the Organization of Early Immigration Parties; Review of "The Conquest," the True Story of Lewis and Clark; and a sketch of the "Historians of the Northwest," by William A. Morris. Every article has a distinct historical value, and the Quarterly deserves a place in every library in the state.

OFFICERS OF COMPANY A.—At the regular meeting of Company A, Fourth Regiment, O. N. G., Monday night, Captain J. U. Campbell announced the appointment of the following non-commissioned officers of the company: Quartermaster Sergeant, Victor Graham; sergeants, Geo. W. Kerton, Geo. Rall and W. E. Boylan; corporals, G. W. Miles, E. J. Noble and Otis Boylan; lance corporals, B. Ruhl; artificer, M. T. Humphreys; recruiting officer, First Lieutenant Fred W. Humphreys. The company has about 50 enlisted men, and the commissioned officers other than Captain Campbell are First Lieutenant F. W. Humphreys and Second Lieutenant C. E. Burns.

MANY LAND CONTENTS.—The number of contents over the settlement and proving up of public lands at the Oregon City land office multiplies as these government lands become more scarce. Scarcely a day passes but the content department of the local land office hears one or more contents. Persons filing on lands now find that they must comply in the strictest sense with the provisions of the law under which the filing is made or they are sure to be involved in content proceedings. The majority of the contents are based on failures of the settler to comply with the law in the settlement and improvement of the lands they seek to acquire title to.

MARY FAIR CLUBS.—Mrs. Wm. Galloway has returned from Dallas, where she organized a local Women's Lewis and Clark Fair Club with a large list of members. Mrs. Ella Metzger was made president of the club. Mrs. Galloway has been invited to visit Monmouth, North Yamhill and Silverton for the purpose of forming local clubs in those cities. Still another club will be organized by the ladies of Toledo, Lincoln county, under the direction of Mrs. B. F. Jones. There are now nearly thirty clubs in the state, and there will be a membership of about 150 delegates in the state convention to be held in Portland on the 20th inst.

MITCHELL MAY BE HERE.—County Judge Ryan has received news to the effect that United States Senator J. H. Mitchell will in all probability be in attendance at the opening meeting of the Clackamas county Congressional campaign Thursday night. With the addition of Senator Mitchell to Hon. Birger Hermann and Congressman McCleary, of Minnesota, as speakers on this occasion, the event will be made a rousing meeting. Judge Ryan announces that Ex-Governor Geer may make a number of addresses in this county during the campaign.

LECTURED ON EDUCATION.—Father Hildebrand, rector of St. John's Catholic church of this city, delivered a lecture Friday night at the Parkplace school house on "The History of Education." The lecture was given under the auspices of the Mother's Club of Parkplace and the proceeds will be applied in the improvement of the grounds and the purchase of additional volumes for the school library. After a general review of the subject of education, the speaker said that the only proper system is that upon which the American public school is founded.

BORING HAS A GRANGE.—J. S. Casto, a prominent member of the state grange reports that last Friday night he organized a new grange at Boring which claims to be one of the liveliest towns in Clackamas county. The grange was named Electric because Boring has the largest steam electric plant in the state. "Boring is destined to be a good business place" writes Mr. Casto, "for it is surrounded by a most excellent farming community. Hurrah for Boring!"

HAS NOT FORGOTTEN IT.—Rev. Anderson, of Oregon City, passed through Ilwaco Saturday evening en route to Bay Center, where he has a married daughter living. The reverend gentleman tells an interesting story, he being the party whom the escaped convicts Tracy and Merrill forcibly convinced that he had better loan them the use of his horses and wagon during their flight in the vicinity of his home, and he still shudders to recall the incident.—Pacific Journal.

WILL MAKE GOOD OFFICIAL.—The formal transfer of the Oregon City land office from C. B. Moore, who has so long held the position of Register, to Hon. A. S. Dresser, the new appointee, was made last Friday, May 1. Mr. Moore has been a most efficient official and his successor will be fortunate if he can establish so good a record; but this he is likely to do, for he has been a resident of Oregon City for nearly twenty years, and has always proved himself an able and popular official.—Forest Grove Times.

A NEW BUSINESS VENTURE.—H. B. Dauchy and C. H. Dauchy, Jr., have opened up a general feed store at Parkplace. They will do grinding and rolling for grain or for cash, and will have in connection with the business a general blacksmith shop in which wagon work will be a specialty. By handling good goods, giving right prices and proper treatment, it will be the purpose of the members of the firm to merit a liberal patronage from the farmers of the county.

MRS. HAMILTON GETS \$400.—The jury in the condemnation suit of the Oregon Water Power & Railway Company vs. Mrs. Jessie Hamilton on last Friday afternoon returned a verdict giving the defendant damages in the sum of \$400. There was involved in the case about seven-tenths of an acre of land, but the suit consumed nearly three days. This is the last of several condemnation suits between the O. W. P. & R. Co. that were heard at this term of court.

MONOGRAMS WON GAME.—The Oregon City baseball team was defeated Sunday afternoon by the Monograms of Portland, by a score of 5 to 3. The game was played in a drizzling mist, and under these conditions was a good exhibition of the national game. H. J. Drubary and Oliver formed the battery for the visitors, while the local team had Graham and Kreitz. It was the first game this season for Graham, who pitched good ball from the start.

REBEKAHS HAVE GOOD TIME.—Friday night was initiation night with the members of Willamette Rebekah Lodge of this city and a very enjoyable evening is reported. There was considerable initiatory work and the pleasures of the occasion were shared by a delegation from Canby. After the routine of lodge work, refreshments were served and the remainder of the evening was passed in a social way.

CHANGES IN TIME OF MEETING.—Mrs. F. Jones, secretary of Clackamas Grange, desires to make this announcement to the neighboring Granges and to all others interested, that Clackamas Grange, No. 298, has changed the time of its day meetings from 10 a. m. to 1 p. m. every second Saturday. The evening meeting will continue to meet at 7 p. m. the last Saturday in each month.

THE NEW PAVILION.—The new pavilion at Canemah Park will be ready on the 24th of this month. Lumber in abundance is obtained from three neighboring sawmills, and the work is being pushed with all possible rapidity. The new dancing floor will be 50x100, and the appointments will be those of a first-class summer picnic ground.

FELL BENEATH A WAGON.—Ben Koenig, aged 18 years, of Oswego, met with a painful accident Monday evening by which he suffered the fracture of the left leg just above the ankle. He fell beneath a wagon loaded with potatoes and narrowly escaped the same injury to the right limb. The fracture was treated by Dr. Mount, of this city.

WILL SING FOR ROOSEVELT.—The Macabee quartet, of this city, has been engaged to sing at the reception to be tendered the President at Salem on May 20. This organization of singers has a state reputation, and its services are constantly in demand. Those forming the quartet are E. E. Taylor, E. C. Fields, R. E. Woodward and I. Conier.

ENTERTAINED AT WHIST.—Mr. and Mrs. J. W. Jones entertained a company of friends Monday evening at whist. Prizes were awarded Mrs. Wm. Anderson and Mr. Fred Miller. At the close of the game refreshments were served and some time spent in social conversation. The party was quite an enjoyable affair.

MORE HOPS AT 11 CENTS.—D. H. Warnock, J. R. Marks and wife, of Aurora, have contracted to H. J. Miller, also of that city, under a chattel mortgage, 10,000 pounds of 1903 hops. The price stipulated in the contract is 11 cents per pound but the agreement calls for a number of advances of money before the delivery of the hops.

DISTRICT 103 DISSOLVED.—The district boundary board of the Clackamas county schools held a meeting Saturday and reorganized School District No. 103. The territory of that district is retributed to Districts 5, 16 and 55 of which it was formed and those districts resume their former boundaries.

PRESBYTERIAN PARSONAGE.—The officers of the First Presbyterian church, of this city, have awarded to Shelter & Frost, of this city, the contract for building a parsonage on the property adjoining the church. The contract price is \$1443. The building will be erected at once.

DEATH AT STAFFORD.—George Shaver died at his home near Stafford, Monday, May 11, 1903, aged 62 years. Heart disease was the cause of his death. He is survived by a widow and nine children. Funeral services were conducted at the late home Tuesday and burial was had in Ames' cemetery.

PASTURE FOR RENT.—Good pasture one mile from Oregon City. Inquire of J. H. Gray, Bolton, May 22, 1903.

WILL FIGHT TWENTY ROUNDS.

Frank Freeman Will Go Up Against Andy King, of Montana.

Andy King, of Montana, and Frank Freeman, of this city, have been matched for a twenty round fight to be pulled off at the Armory in this city Saturday night, May 23. The men will fight at 125 pounds, and no fouls will be allowed to figure in the decision. A referee has not yet been selected, but some Portland men will probably be secured. Both men have engaged training quarters and begun preparing for the event. King and Freeman have both participated in preliminary bouts at more important pugilistic carnivals on the coast. The fight will be for a side bet, the winner to take 75 per cent of the gate receipts.

About twenty-five thousand acres of land in Clackamas county is held by P. H. Marlay, et al, under tax titles, which will soon ripen into good titles, which will be sold to the highest bidder. I hereby agree to defeat any of those titles for about one-half the sum demanded for a deed by said P. H. Marlay et al. C. B. Dimick, Attorney at Law, Oregon City, Oregon.

A new line of children's hats and baby bonnets. Miss Goldsmith.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

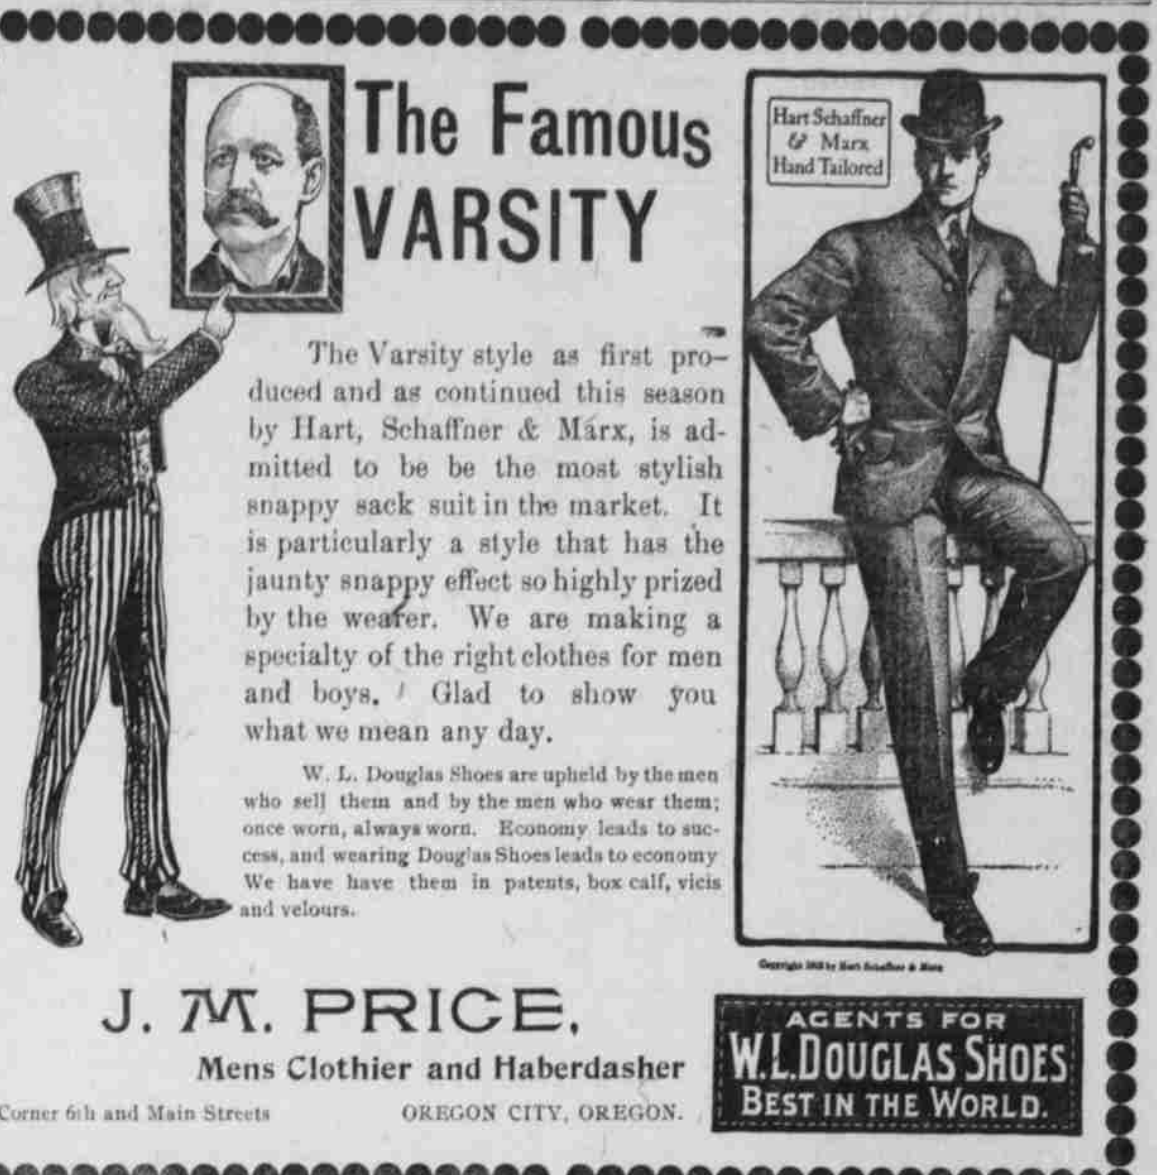

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
