tells how she was permanently cured of inflammation of the ovaries, and escaped the surgeon's knife, by the use of Lydia E. Pinkham's Vegetable Compound.

The universal indications of the approach of woman's great enemy, inflam-mation and disease of the ovaries, are a dull throbbing pain, accompanied by a sense of tenderness and heat low down in the side, with occasional shooting pains. On examination it may be found that the region of pain will show some swelling. This is the first stage of inflammation of the ovaries. "DEAR MRS. PINKHAM:--I wish to express my gratitude for the restored health and happiness Lydia E. Pinkham's Vegetable Com-pound has brought into my life.

"I had suffered for three years with terrible pains at the time of menstruation, and did not know what the trouble was until the doctor

menstruation, and did not know what the trouble was until the doctor pronounced it inflammation of the ovaries, and proposed an operation. "I felt so weak and sick that I felt sure that I could not survive the ordeal, and so I told him that I would not undergo it. The following week I read an advertisement in the paper of your Vegetable Compound in such an emergency, and so I decided to try it. Great was my joy to find that I actually improved after taking two bottles, so I kept taking it for ten weeks, and at the end of that time I was cured. I had gained eighteen pounds and was in excellent health, and an now. "You surely deserve great success, and you have my very best wishes."—Miss Alice Balley, 50 North Boulevard, Atlanta, Ga. ered very superior, but instead of getting

better I grew weaker every day. My hus-band insisted that I take Wine of Cardui for a week and see what it would do for

me. I did take the medicine and was very

grateful to find my strength and health slowly returning. In two weeks I was out of bed and in a month I was able to take

up my usual duties. 1 am very enthusi-astic in its praise."

Wine of Cardui reinforces the organs
