## BONE FOOD

Soft and crooked bones mean bad feeding. Call the disease rickets if you want to. The growing child must eat the right food for growth. Bones must have bone food, blood must have blood food and so on through the list.

Scott's Emulsion is the right treatment for soft bones in children. Little doses every day give the stiffness and shape that healthy bones should have.

Bow legs become straighter, loose joints grow stronger and firmness comes to the soft heads.

Wrong food caused the trouble. Right food will cure it. In thousands of cases Scott's Emulsion has proven to be the right food for soft bones in childhood.

Send for free sample. SCOTT & BOWNE, Chemists, 409-415 Pearl Street, New York. See and feel; all druggists.

## Weak?

"I suffered terribly and was extremely weak for 12 years. The doctors said my blood was all turning to water. At last I tried Ayer's Sarsaparilla, and was soon feeling all right again."

Mrs. J. W. Fiala, Hadlyme, Ct.

No matter how long you have been ill, nor how poorly you may be today, Ayer's Sarsaparilla is the best medicine you can take for purifying and enriching the blood.

Don't doubt it, put your whole trust in it, throw away everything else.

50¢ a bottle. All druggists.

Ask your doctor what he thinks of Ayer's Sarsaparilla. He knows all about this grand old family medicine. Follow his advice and we will be satisfied.

J. C. AYER & CO., Lowell, Mass.

## Dover.

Mr. Roberts is very busy fencing in his farm. Mrs. Kitzmiller and Miss Sawtell went to a quilting at Mrs. Woodie's. All had a good time and a fine dinner. The crops are looking well, gardens look nice, potatoes coming up, plenty good range for stock. What is better? The mountains are again seen with a little wet from snow. It is feared it will freeze as it is very cold. Mr. Seward's sister and husband came from Minnesota to make him a visit. They don't like the rain, but it is better a little wet than to have everything to burn out this time of the year like it is in some sections of the country. Rev. Caswood closed his meetings last Sunday. Everyone that heard him took great interest in the preaching. There was seven converted the last day. On Sunday had two sermons and basket dinner. The house was full of people that came in spite of the rain. Rev. Caswood commenced a series of meetings at Mt. Zion, May 24.

## Stafford.

Mrs. Gage is suffering from a severe cold. A. M. Holton and another drummer passed through town on their way up the valley by team on Monday. Albert Nemec, late of Wisconsin, who has been helping Mr. Gage a few days, proposes to go to Eastern Oregon to look at the country, after he has first seen the President.

One of the scholars foolishly chased others with poison oak rubbing it upon their faces when caught. In consequence Anna Schatz is badly poisoned and unable to attend school. The school is considering the question of how best to raise money to buy a flag for the school house. The teacher, Miss Roman, very generously offered to purchase the rope and pulleys and a gilded ball.

The school children and teacher were very much frightened Tuesday by a strange acting man who walked up and down the street bare headed, with his arms folded behind him and it was said with a pistol in each hand.

A so-called Asryan passed headed towards Portland and attracted some attention as he was dressed in white and barefooted, his shoes of a queer foreign make being hung to the pack saddle which his patient mule was carrying.

Mr. and Mrs. Borland, of Hazelia, were up to visit their daughter Sunday. The quilt got up by the Oswego Grange netted them the goodly sum of \$16 at 10 cents a ticket and fell to the ticket of Miss Florence Kruse, the worthy lecturer.

## Viola.

## TOLD IN SIDEHEADS.

The Macabee quartet, of this city, did not sing before President Roosevelt at Salem Thursday as had been announced. As a result, the members of this organization of singers are somewhat disappointed. Early this month Senator Croisan, of Marion county, a member of the legislative reception committee, came to this city and after a conference with Senator Brownell, who was chairman of the legislative committee, invited the quartet to go to Salem and sing at the reception to be held in that city Thursday. The invitation was accepted and the boys began preparing numbers that would be appropriate for the occasion. The first intimation the members of the quartet received that their services would not be required nor expected at the Salem demonstration was when the program of exercises for the day was published, in which there appeared not the slightest mention of the Clackamas county singers. Friends of the boys interested themselves in the matter and upon inquiry learned that the Salem reception committee had made other arrangements and would not stand for the Oregon City singers being on the program. The final result was that no quartet sang before President Roosevelt at Salem. Disappointed and chagrined were the members of the quartet at the treatment they received at the hands of the Salem reception and entertainment committees. Having received an unsolicited invitation from a member of the presidential committee to sing at the reception in the capital city, the boys feel that they have not been rightly treated.

MILITIA BOYS WENT TO PORTLAND.—For another time in their lives, the members of the local militia company had occasion this week to congratulate themselves on being members of that organization. Thursday morning the boys, dressed in their finest and looking their sweetest, boarded an electric car in command of Captain Campbell and Lieutenants Humphreys and Burns, and went to Portland, where they participated in the demonstration that was given President Roosevelt, while those not wearing the uniform of blue were obliged to stand on the sidewalk and watch the procession move by. After the parade had been concluded the company returned to this city and disbanded. The boys had an opportunity of not only seeing the chief executive of the nation, but also aided in extending to him a most cordial welcome to these parts.

RURAL MAIL ROUTE.—Postmaster T. P. Randall announces that the first free rural mail delivery out of Oregon City will be established August 1. The route will extend to the south and will serve the people of New Era and vicinity. It will be about 24 miles in length. Petitions have been filed with the postoffice department at Washington for establishing rural mail routes to Stone, Logan, Viola and Highland from the Oregon City office, but Postmaster Randall has been advised that action on these petitions will be deferred until the close of pending investigations that are being made in connection with the rural mail delivery service at the National Capital.

ANOTHER LODGE ORGANIZED.—Organizer Edwards, on Tuesday evening organized a local lodge of the Fraternal Brotherhood with a charter membership of 22. Cooper; vice president, Mrs. E. H. Cooper; president, Mr. James F. Nelson; chaplain, Mrs. J. F. Nelson; secretary, Mrs. E. H. WILL GIVE CLARK RECEPTION.—Major Wm. Hancock Clark, grandson of the explorer of Lewis & Clark fame, is en route to the Pacific coast. He left Washington, D. C., on the 15th inst. and is expected to reach Portland in a few days. He will also visit in this city where he will be the guest of Mrs. Eva Emery Dye to whom the distinguished visitor was of great assistance in the writing of her celebrated historical novel, "The Conquest." While in Oregon City it is the purpose of the Lewis & Clark Women's Fair Club of this city to tender Major Clark a reception. The date for this event has not been fixed definitely.

PRESBYTERIAN APPOINTMENTS.—Rev. W. Bruce, of California, who is to take charge of the Presbyterian churches of Springfield, Bethel and Clackamas First (Beaver Creek), arrived in this city late last week and has rented rooms at the home of I. Tolpollar on Main street. His appointments for the next two weeks are as follows: Sunday, May 24, at Springfield, May 30, at Bethel, and Sunday, May 31, at 11 a. m. at Bethel; Sunday, May 31, at 3 p. m. at Beaver Creek.

NO LONGER AN INVALID.—Robert Adams, aged 17 years, the invalid son of Mrs. Adams who conducts the Union house in this city, died Tuesday afternoon. The little fellow had been an invalid for the last four years. Funeral services were conducted yesterday afternoon and the remains were buried in the Canemah cemetery beside the remains of the lad's deceased father.

YOUNG PEOPLE GIVE SOCIAL.—The young people of the First Presbyterian church gave a social at the home of A. Robertson on Seventeenth street Tuesday evening that was a successful affair. Games of an entertaining order were played, refreshments were served and a general good time was the product of the evening.

BRIDGE NEED REPAIRING.—It is reported that the bridge that spans a branch of the Clackamas river on the river road near Steven Eby's place, is in bad condition and seriously in need of new plankings. Report also is to the effect that Baker's bridge should be recovered and refloored soon.

MARRIED FIFTY YEARS.—Rev. J. W. Craig, of this city, attended the Golden Wedding anniversary of Mr. and Mrs. Wm. Harris at Brooks on the 15th inst. Forty-six persons, all related directly or by marriage to the venerable couple, gathered about the festive board in the discussion of an elaborate dinner.

WILL SPEAK FOR HERMANN.—State Senator Geo. C. Brownell, of this city

## "I've Lost Ten Pounds"

A man says, "Look at this." And he over-laps his coat to show how loose it is. There are some people who can lose fat to advantage, but the loss of flesh is one of the accepted evidences of failing health. As flesh-making processes begin

in the stomach, so naturally when there is loss of flesh we look first to the stomach for the cause. And the cause is generally found to be disease of the stomach and digestive tracts, resulting in loss of nutrition and consequent physical weakness. Doctor Pierce's Golden Medical Discovery restores the lost flesh by curing diseases of the stomach and other organs of digestion and nutrition and enabling the perfect digestion and assimilation of food from which flesh and strength are made.

"My wife was for five years troubled with indigestion of stomach and bowels, bloating and severe pain at times during the entire five years," writes Mr. J. Milton Unger, of McCord, Oregon. "After having been afflicted, and only receiving temporary relief, she got very poor in flesh and I bought one bottle of Dr. Pierce's Golden Medical Discovery from our druggist and after taking it she was as healthy like a new woman. It is no more trouble with stomach and bowels, and has no pain nor bloating. Has gained fifteen pounds in weight."

Dr. Pierce's Pleasant Pellets cure constipation and biliousness.

Wanted—Competent stenographer and typewriter. Box 346, Oregon City. Oregon City girl preferred.

Doesn't Respect Old Age.—It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies, no matter how severe and irrespective of old age. Dyspepsia, jaundice, fever, constipation all yield to this perfect pill. 25c at Geo. A. Harding's drug store.
