Too Great a Risk. In almost every neighborhood someone has died from an attack of colic or cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for these diseases should be kept at hand. The risk is too great for anyone to take. Chamberlain's Colic, Cholera and Diarrhoea Remedy has undoubtedly saved the lives of more people and relieved more pain and suffering than any other medicine in use. It can always be depended upon. HUMANITY OUTRAGED The U. S. Dispensary says, conium PARALYZES the motor nerve; accinite reduces muscular strength; belladonna produces PARALYTIC symptoms; hyoscyanina and stramonium are the same as belladonna; opium lessens the peristaltic motion of the bowels. "Do not exercise any curative influence." Some of these are contained in all of the ancient pile medicines. Of E-RU-SA, the only non-poisonous Pile cure, over 4000 druggists and doctors of the highest standing, say in substance: Dr. L. BOTH WERE HERE FOR TWO MINUTES

Leading Congressional Candidates at Oregon City.

Hermann and Mitchell Spoke in Interest of Former—It comes Attacks Opponent.

The Republican rally in this city last Thursday night was a successful opening of the congressional campaign. Senator Mitchell, in a short address, urged the election of Mr. Hermann.

Mr. Hermann denied the statements advanced by the opposition that he is not in accord with President Roosevelt, and in support of his statement cited the statement made by the President himself.

Mr. Hermann made an effective address. Both Mr. Hermann and Senator Mitchell were warmly received, and the mention of President Roosevelt's name was the signal for applause.

REAMES SPEAKS ALSO. A. E. Reames, candidate for congress, addressed a large audience in the Armory Friday night.

Dr. W. E. Carl called the meeting to order, and presented R. A. Miller, as chairman of the meeting, who, in turn, introduced Sam White, state chairman.

Mr. Reames devoted the principal part of his address to a discussion of the tariff question, and in his deductions made a local application, Oregon City being a manufacturing city.

Reference was also made to Mr. Hermann's record, which was attacked, numerous newspaper clippings of the Republican candidate's speeches being cited.

SO DECEPTIVE, Many Oregon City People Fail To Realize the Seriousness.

Backache is so deceptive. It comes and goes—keeps you guessing. Learn the cause—then cure it. Nine times out of ten it comes from the kidneys.

That's why Doan's Kidney Pills cure it. Cure every kidney ill from backache to diabetes.

Here's a case to prove it: Mrs. D. Murphy, widow, who lives at 395 Ivon St., Portland, says: "Years ago, when living in Kansas, I was greatly troubled with kidney complaint. At that time I was, I might say, perfectly helpless for months, but in time it wore away as mysteriously as it came. It did not bother me again until last fall, when there was every symptom of its return, and knowing what I had suffered formerly I began to look around for something to check it, and on looking over the paper I noticed Doan's Kidney Pills highly recommended, so I procured them and took them as directed. It only required a few day's treatment to ward off the attack. Since then I have recommended Doan's Kidney Pills to a number of people."

Plenty more proof like this from Oregon City people. Call at C. G. Huntley's drug store and ask what his customers report. For sale by all dealers. Price 50 cents. Foeter-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

MUST PAY STATE

President Roosevelt Made Short Stop at Oregon City.

Three Thousand People Were Assembled at the Station—Was Pleased With the Quality and the Quantity of the Children.

President Roosevelt and party reached this city, en route to Portland, at 1:27 o'clock Thursday afternoon. Through the solicitations of Senators Mitchell and Brownell, the President consented to stop at this point for two minutes.

President Roosevelt said: "It is a pleasure to pass through the state of Oregon on this day and to visit your manufacturing city. Much of the prosperity of Oregon is due to good laws, wisely and fearlessly administered. We would show ourselves undeserving if we did not persevere in the policy under which these prosperous conditions are produced.
