TOLD IN SIDEHEADS.

OREGON CITY WOMAN HONORED.—Mrs. Lizzie C. Howell, of this city, who was elected president of the State Rebekah Assembly by acclamation, has for nine years been an active member of Williamette Rebekah Lodge No. 2, of Oregon City. Mrs. Howell has passed through the chairs of the local lodge twice and as many times filled the office of Noble Grand. When the State Assembly was held at Newport in May, 1902, she was serving as conductor of the state organization. At the commencement of the Assembly she was elected grand warden and before the adjournment of the same assembly she was advanced to the office of vice president. On the death in the following September of the State President, Mrs. Florence Atwood, of Baker City, Mrs. Howell assumed the office of State President and served the remainder of the year. At the Portland convention held last week, she was acclaimed President for the ensuing year. Mrs. Howell was born at Santa Clara, Santa Clara county, California, October 24, 1850, and has resided in this city since December, 1870. She has always been an aggressive worker in Rebekah circles, where she is deservedly popular. The members of the local lodge share with Mrs. Howell the honor that has been bestowed on one of their number. A splendid portrait of Mrs. Howell, together with this sketch, appeared in Sunday's Oregonian.

POLICE COURT DOINGS.—F. A. Woodside, of Molalla, became somewhat boisterous Tuesday night when under the influence of liquor in this city, and in his excitement discharged a firearm within the city limits. The result was that he was brought before Police Judge Curry Wednesday, pleaded guilty to the charge and paid a fine of \$20 into the city treasury. John Buffon inebriated too freely the other night and decided to go into the tin business. He visited the water fountain at the Methodist church corner, not for a drink, however, but proceeded to appropriate the half dozen tin cups that are placed there for the convenience of the public. He had started down the street with the cups when he was spied by the police, and then it was all off. Buffon could not do anything else but plead guilty to disorderly conduct, with which he was charged, and contributed a fine of \$10 to the city.

JOINT POLITICAL MEETING.—Both political parties were represented at a meeting held at Clackamas Tuesday night. The meeting was addressed by Hon. A. E. Reames, the Democratic congressional nominee, and Judge G. E. Hayes, who spoke in the interest of Mr. Hermann. There were about a hundred voters present to hear the discussion. Through the courtesy of the Republican speakers, who had the only hall in Clackamas engaged for the night, Mr. Reames, who was also slated for that point on the same night, was allowed the first hour of the evening in which to present his case. The Democrats claim that the discussion was not to be a joint one, the Republican speakers to follow Mr. Reames in regular addresses. It is claimed by the minority people that Mr. Hayes, in speaking after Mr. Reames, reviewed the argument presented by the Democratic candidate, who was not permitted to close the discussion.

TO INSPECT THE ROUTE.—E. C. Clement, special agent and examiner for the rural free delivery, will be in this city today for the purpose of inspecting the proposed rural mail route leading from this city to Stone and Highland. A petition has been on file in Washington for the establishment of this route for some time past but action has been deferred until pending investigations of the rural mail department were concluded. The route will serve the people of Stone, Logan, Viola and Highland and will likely result in the suspension of the postoffice at these points if the route is established. This will be the second free delivery mail route to be established out of this city, the other one being to New Era which will be started on August 1. Mr. Clement will conduct an examination in this city tomorrow for applicants desiring appointment as carriers.

PUBLIC INSTALLATION.—Tuesday evening the officers of the Oregon City lodge of the Fraternal Brotherhood were in stalled. The installation service was conducted publicly and was witnessed by a large number of invited guests. Col. S. C. Spencer, president of the Portland lodge, was the installing officer and in performing this service he was assisted by a large delegation of the fraternity from Portland. After the installation services were concluded, dancing was enjoyed until after midnight, music being furnished by Turney's orchestra. Social life is one of the main features of the Brotherhood, and if their effort on Tuesday evening may be accepted as a

sample, they are certainly capital entertainers and the order can but prosper in this community. Nearly sixty members of the Portland lodge came up in a special car and returned after the exercises.

GRANDMA MILLER SURPRISED.—A surprise that proved quite complete was perpetrated on Grandma Miller at Canemah Saturday evening. Armed with baskets filled with good things to eat, a small army of Mrs. Miller's acquaintances invaded the home of their esteemed neighbor. Now Grandma Miller could not decide for a minute just what to do, so completely was she surprised, but she soon appreciated her position and entered into the entertainment of her unexpected callers. The usual good time that is always had at Mrs. Miller's was the product of Saturday night's effort, which did not conclude until a late hour. Everybody knows "Grandma" Miller and it is always deemed a pleasure to participate in any plan of entertainment in the enjoyment of which this venerable character may be a participant.

WILL GO TO ALASKA.—J. N. Wisner, deputy United States commissioner of this city, has received notification to be ready to sail by steamer Albatross on June 13. Mr. Wisner was appointed by the President as a member of the commission that is to visit Alaska for the purpose of making an investigation of all questions pertaining to the salmon industry of that country. The commission will remain in the north probably ninety days. Mr. Wisner has been in charge of the United States fish commission work in the vicinity of Oregon City for the last five years. Among the other members of the commission are David Starr Jordan, executive head of the commission; Barton W. Everman, Clondsey Rutter, Dr. Heath, Harold Jordan, Dr. Gilbert, Messrs. Bureham, Alexander, Chamberlain, Fassett, Baldwin and Spaulding.

CANEMAH PARK OPENED.—Fully two thousand people attended the formal opening of Canemah Park last Sunday. The park is located in the suburbs of Oregon City and has been equipped by the Oregon Water Power & Railway Company, its owners, as a summer resort. The park adjoins the Canemah ball grounds and among other attractions, includes a dancing pavilion 50x100 feet where dancing is held several nights during the week and all day Sunday. An attractive program will be provided for the entertainment of visitors to this city. On Sunday the steamer Modoc brought 250 excursionists to this city from Dayton. This delegation, together with the usual number of Sunday visitors from Portland and other points, made the attendance in the Falls City Sunday larger than usual.

QUARTET SINGS AGAIN.—The Maccabee quartet of this city went to Portland Sunday and sang at the exercises attending the unveiling of the monument that has been erected in Riverview cemetery to the memory of the Second Oregon Volunteers. The members of the quartet were communicated with on Saturday and in response to the question of the charge to be made by the singers for their services, the members of the quartet patriotically tendered their services for the actual expenses of the trip might incur. Two selections were given by the boys during the unveiling ceremonies. The quartet reports royal treatment at the hands of the general committee on arrangements in the metropolis.

MRS. FRETHERKLE IS DEAD.—Last Saturday morning Mrs. Sarah Jane Frettherkile died at her home in this city, aged 60 years, of apoplexy. The deceased was a native of the state of New York and had lived in this state but two years, coming to Oregon City last August from Forest Grove. She is survived by six children as follows: Charles Thomas, Fort Morgan, Colorado; Ed Thomas, Oregon City; Mrs. Belle Bailey, Oregon City; Mrs. Clara Becker, Boxton; Andy Thomas and Miss Lottie Thomas, Oregon City. Burial was had in Mountain View cemetery Sunday afternoon, after funeral services conducted at the New England Home, the home of a daughter, Mrs. Belle Bailey.

NOT ENOUGH CHICKEN.—The fondness of Methodists, as well as people of other denominations and possibly some of no denomination, for delicious, home-cooked chicken, was demonstrated Tuesday, when the ladies of that congregation gave a chicken dinner. There was but one fault to find—there was not enough chicken to go around. The ladies are very thankful for the very liberal patronage they received, and those who enjoyed the dinner hope the ladies may be encouraged to repeat these dinners more frequently in the future. A satisfactory amount was realized by the ladies from the dinner.

TO RE-DEDICATE CHURCH.—The First Methodist church of this city will be re-dedicated on Sunday, June 21. Bishop Cranston, of Portland, will preach the dedicatory sermon. Rev. Mr. Grim, pastor of the church, and the members of the congregation are arranging special services for the occasion. During the past year the church building has been remodeled at considerable cost, to the extent that a spacious storeroom was provided on the ground floor, the church auditorium being on the second floor.

BEGGARS NOT WANTED.—Fred Bradley, charged with begging on the streets, was sentenced to ten days in the city bastille by Recorder Curry last Saturday. Bradley, in his meanderings about the city, solicited from Night Officer Shaw, whom he failed to recognize as an officer, the sum of 15 cents with which to get "a bite to eat." Bradley was warned to make himself scarce, but did not heed the admonition of the officer and is, as a result, the guest of the city for ten days.

CAN DRAW AS WELL AS DECORATE.—Roy McAlpin, the artistic window dresser for M. Michaels, the Main street clothing merchant, is something of an artist as well as a window decorator. During the week he made a clever crayon drawing of President Roosevelt from the portrait of the chief executive published in last Friday's Oregonian and the same is on exhibition in the south window at Michaels' store. The drawing is a very clever reproduction of the original picture.

FELL OFF THE CAR.—Sid Matthews, a Portland saloon man who was in the city Saturday night to witness the Freeman-King contest, was quite severely bruised by being thrown from the late street car

after the fight. As the electric car was passing down the grade at the lower end of the city, Matthews was thrown from the car as it went around a bend. He fell on his back and head and was badly bruised. He was brought back to this city but an examination showed that no bones were broken.

SEEKING THE RIGHTS.—The Harrier school concluded its year's work last Friday afternoon and on Monday, Prof. D. H. Mosher, the teacher, accompanied a dozen of the pupils to this city and escorted them about, visiting and explaining the various manufacturing institutions of the city. The pupils evinced a keen interest in the visit and their observations, which were really practical and helpful to them. Prof. Mosher and the students enjoyed a very pleasant and profitable day's recreation.

TWO MEN INJURED.—Neil Smith, of Fisher's Mill, near Logan, this county, is in a precarious condition, the result of a mishap while felling trees recently. Smith was caught between the tree stump and the falling tree and was fearfully crushed and mangled about the waist. The tree stump had to be removed before the injured man could be extricated. His recovery is doubtful. Wm. Storm, Smith's partner in the saw-mill business, had the misfortune two days later to lose two fingers from the left hand by having that member come in contact with a saw.

UNDER NEW MANAGEMENT.—The Royal Restaurant on Main street opposite the Electric Hotel, has changed hands. The new proprietors are H. H. Meyer and A. L. Farr, both young men of this city, who will strive to serve the best meals in the city and in doing so expect to merit a good custom. They are experienced in the restaurant business and invite the farmers and all visitors to the city to give them a call. The restaurant will be kept open day and night.

OLD VETERAN DIES.—Greenleaf Chute, aged 72 years, a veteran of the Civil war, died Sunday morning at his home in Kansas City addition to Oregon City. He was for ten years a resident of this city and died of consumption. He is survived by a wife. The deceased was a member of Meade Post, No. 2 G. A. R., under whose auspices the funeral was conducted Tuesday morning. Burial took place in Mountain View cemetery.

PAY YOUR BICYCLE TAX.—Sheriff Shaver reports that he has received an installment of bicycle tags and is now prepared to receipt for the annual tax of \$1 that was levied by the county court against these vehicles. Last year there were paid licenses on about 185 of these wheels and if anything there are more bicycles in the county this year than twelve months ago.

FORMER CLACKAMAS COUNTY RESIDENT.—The remains of Michael Schwartz, who died in Portland Thursday, were buried at Abraham's church Saturday morning. Deceased was an old resident of Clackamas county and until five years ago lived at Beaver Creek. He was 78 years of age and leaves a wife and three children.

NEW ENGINEER AT PRISON.—Frank Croner, of Macleay, Marion county, was in the city Monday, investigating the various water plants and systems at this manufacturing point. Mr. Croner was recently appointed engineer at the state penitentiary and will assume his duties on June 1.

SHIPMENT OF TROUT.—A shipment of more than 40,000 trout was made from the United States Fish Hatchery Monday. The shipment consisted of 33,000 brook trout and 7,000 of the rainbow variety and will be distributed in the streams about Tacoma, Kanaskat, North Yakima and Madison.

WHAT'S YOUR ASSESSMENT.—The committee on assessment in Sewer District No. 3 has completed its apportionment of the cost for the conduit, and interested property owners may inspect the same at the office of City Recorder Curry.

About twenty-five thousand acres of land in Clackamas county is held by P. H. Marlay, et al, under tax titles, which will soon ripen into good titles if not defeated. I hereby agree to defeat any of those titles for about one-half the sum demanded for a deed by said P. H. Marlay et al. Otherwise no charges made. G. B. DIMICK, Attorney-at-law, Oregon City, Oregon.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
