In the matter of the bridge on Stafford and Mosler road. Referred to Commissioner Brobst to investigate and repair same provided cost does not exceed \$50.

THE STAMP OF TRUTH

Oregon City Residents Know It Well.

There is the stamp of truth on a statement endorsed by people we know, by our and neighbors. The following experience of a citizen is but one case of scores right here at home:

B. Meredith, the Portland brick mason, contractor and builder, who lives at 531 Twenty-first street, says: "Doan's Kidney Pills is one of the best remedies I ever used and I cheerfully recommend them to anyone suffering with kidney trouble. I was bothered for years with attacks of kidney complaint, and no medicine gave me permanent relief until I procured Doan's Kidney Pills. I was so well pleased with them that when my wife had a severe attack a short time ago and could hardly get about to do her work I had her take Doan's Kidney Pills, and have nothing but the highest terms of praise for such a valuable remedy."

Plenty more proof like this from Oregon City people. Call at C. G. Huntley's drug store and ask what his customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

The Wastes of the Body.

Every seven days the blood, muscles and bones of a man of average size loses two pounds of worn-out tissue. This waste cannot be replenished and the health and strength kept up without perfect digestion. When the stomach and digestive organs fail to perform their functions, the strength lets down, health gives way, and disease sets up. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues and protects the health and strength of the mind and body. Kodol cures indigestion, dyspepsia and all stomach troubles. It is an ideal spring tonic. Sold by Geo. A. Harding.

Letter List.

The following is the list of letters remaining in the postoffice at Oregon City, Ore., on May 28, 1903:

TOM P. RANDALL, P.M.

A Farmer Straightened Out.

"A man living on a farm near here came in a short time ago completely doubled up with rheumatism. I handed him a bottle of Chamberlain's Pain Balm and told him to use it freely and if not satisfied after using it he need not pay a cent for it, says C. P. Rayder, of Patens Mills, N. Y. "A few days later he walked into the store as straight as a string and handed me a dollar saying, 'give me another bottle of Chamberlain's Pain Balm. I want it in the house all the time for it cured me.'" For sale by G. A. Harding.

Bright's Disease

Not Rare, but Common—All Kidney Disease is Bright's Disease—The 8th to 10th Month It Becomes Chronic and Incurable by All Known Means Except the new FULTON COMPOUNDS, WHICH RECORD 87% OF RECOVERIES.

We have before us a little work on kidney diseases by Joseph P. Edwards, M. D. of Philadelphia, that contains some things that everyone ought to know. Many people imagine Bright's Disease is rare, when, in fact, it covers the whole gamut of kidney diseases. This book sets out just the doctors have but one standard, viz., the circulation of the blood and waste products, and that all interferences with this function are called Bright's Disease. Dr. Edwards adds: "For the benefit of physicians who may read this book I will give a list of the cases which I attribute to Bright's Disease, viz.:
Albuminuria.
Congestion of the Kidney.
Fatty Degeneration of the Kidney.
Inflammation of the Kidney.
Trauma.
Disease of the Kidney."
Thus, all kidney disease, being Bright's Disease, the serious question is, is it acute or chronic? In other words, is it in the primary or secondary stage? After the eighth to tenth month it becomes chronic and is then incurable by all known means except the Fulton Compounds. The kidneys are not sensitive. There is often no notice of any trouble till it has already fastened. If you have kidney disease in the first stage the Fulton Compound will cure it quickly. If it is of more than 8 to 10 months standing it is the only thing known that will cure it. In proof that nothing else will we cite all medical works except the Fulton Compounds. The kidneys are the first people in the world to announce a positive cure, presenting a definite percentage of recoveries. 87 per cent, and giving out the lists of the cured, all among purely chronic, well-developed cases. If you have any kind of kidney trouble, there is only one thing to take. The Fulton Compound for Bright's Disease is \$1. For Diabetes, \$1.50. John J. Fulton Co., 406 Washington street, San Francisco, sole compounders. Free analysis for patients. Pamphlet free. We are the sole agents.

CHARMAN & CO. DRUGGISTS

Motherly Advice

Every mother possesses information of vital value to her young daughter. That daughter is a precious legacy, and the responsibility for her future is largely in the hands of the mother. The mysterious change that develops the thoughtless girl into the thoughtful woman should find the mother on the watch day and night. As she cares for the physical well-being of her daughter, so will the woman be, and her children also.

When a young girl's thoughts become sluggish, when she experiences headaches, dizziness, faintness, and exhibits an abnormal disposition to sleep, pains in the back and lower limbs, eyes dim, desire for solitude, and a dislike for the society of other girls, when she is a mystery to herself and friends, then the mother should go to her aid promptly. At such a time the greatest aid to nature is Lydia E. Pinkham's Vegetable Compound. It prepares the young system for the coming change, and is the surest reliance in this hour of trial.

Case of a New York Girl of Interest to Every Mother and Daughter in the Land.

"DEAR MRS. PINKHAM:—I hope you will publish this letter, for I want all mothers to know how much good your medicine did my young daughter. Her health broke down about six months ago, and although she is large for her age, I did not understand what was wrong with her; the doctor did not, either, for he treated her for her heart, which pained her a good deal; but he did not do her any good, and we were afraid heart trouble would carry her off. Every day she kept getting whiter and thinner. She had no appetite, and she sat around without any ambition, and was always too tired to do anything. All night long she would moan in her sleep, as though in terrible pain.

"I felt terribly discouraged; I was spending money for doctor's bills right along, but she was receiving no help. At that time I was taking Lydia E. Pinkham's Vegetable Compound, and I read in one of your books about young girls. I decided to drop the doctor, and give her your medicine. I wish you could see the change in her, and the pink cheeks Lydia E. Pinkham's Vegetable Compound has given her. She had taken but half a bottle when menstruation started again, and her heart trouble went away like magic. I had her continue the medicine, and now she is fat, rosy, and perfectly healthy. Menstruation is regular and painless, and I owe my thanks to you and to your wonderful medicine for her good health."—MRS. MARGARET PHILLAN, 673 Tenth Avenue, New York City.

SPECIAL ADVICE TO YOUNG WOMEN FREE.

From her vast experience in treating female ills, extending over 20 years, Mrs. Pinkham has gained a knowledge which is of untold value to every ailing young woman. Her advice never fails to help. If you need such help write her. Address Lynn, Mass.

A medicine that has restored so many women to health and can produce proof of the fact must be regarded with respect. This is the record of Lydia E. Pinkham's Vegetable Compound, which cannot be equaled by any other medicine the world has ever produced.

It is well to remember these facts when some druggist tries to get you to buy something which he says is "just as good." That is impossible, as no other medicine has such a record of cures as Lydia E. Pinkham's Vegetable Compound; so do not experiment with untried medicines, but insist upon the one you know is best.

FORFEIT If we cannot truthfully produce the original letter and signature of the above testimonials, which will prove the absolute genuineness of Lydia E. Pinkham's Medicine Co., Lynn, Mass.

REAL ESTATE TRANSFERS.
