TOLD IN SIDEHEADS.

TEAMSTERS TOOK SECOND PLACE.—The counter jumpers and the tireless living phonographs proved too strong a combination for the husky teamsters of this city in the ball game last Sunday afternoon. When the smoke of the battle had cleared away and the score board was again visible, it was seen that the teamsters were due for a funeral, the score being 8 to 7 in favor of the opposing team. It is understood the teamsters are practicing long drives and base running and otherwise getting into shape with the intention of challenging the winners of Sunday's game to a return engagement. The horsemen say if they fail to win in the second game they will surrender the reins. Our baseball critic did not attend the game so the Enterprise is unable to give a detailed report of the many spectacular plays. It is needless to add that the contest afforded endless amusement for the spectators.

RESIDENCES BURGLARIZED.—The residence of John Adams, a merchant of this city, was burglarized early Saturday morning. Entrance was gained through a front window, but the family has not discovered anything missing yet. The apartments were thoroughly overhauled, and a considerable amount of prospective booty, including clothing principally, was found in one room, where it is believed the robbers deposited it and were scared away before they could remove the same. Over \$20 in gold coin was left undisturbed on a stand in one of the rooms that were visited. Police officers suspect that the burglary was the work of strangers who have been seen about the city for the last few days. Report was also made that the residences of Dr. J. W. Norris and J. W. Cole were entered the same night. At the former house the burglars secured about \$6 in money.

COLLIDED WITH FREIGHT TRAIN.—J. W. Exon, a farmer living at Viola, had a narrow escape from serious injury Friday morning. He attempted to drive across the Southern Pacific Railroad track, in this city, behind a freight train that was standing in the yards. There was but eight feet of space between the freight caroose and the roadway. Exon had barely driven onto the track when the train backed. The wagon was collided with and badly demolished. Both the driver and team escaped harm and but little damage resulted to the cargo of farm products with which the wagon was loaded. Mr. Exon is the enterprising correspondent for the Enterprise at Viola, and the paper could hardly get along without him. He is to be congratulated that he escaped uninjured.

MORE RURAL ROUTES.—E. C. Clement, special inspector of rural mail routes, spent Friday and Saturday examining desired routes to this vicinity for which petitions have been filed. It is not likely that the route asked for by the people of Willamette Falls will be recommended by Mr. Clement because of bad roads. The proposed Viola Stone-Redland-Loran route will be established if the distance covering these points can be reduced to 25 miles, which is the maximum length for routes under the rural delivery. The length of the route, as originally planned was 30 miles. Mr. Clement conducted an examination in this city Saturday of applicants for appointment as rural mail carriers.

LEGAL BUSINESS AT ROSEBURG.—Gilbert L. Hedges, of the legal firm of Hedges & Galloway, went to Roseburg Friday, where he will appear at the land office for several settlers in the hearing of contest cases against the Northern Pacific Company. The contests have grown out of the removal from these public lands of settlers accompanied by the surrender of the property to the railroad company in whose name it is now held. Mr. Hedges will also visit San Francisco before returning to Oregon City. He is expected to return tomorrow.

DAMASCUS WILL CELEBRATE.—The people of Damascus are preparing to make the eagle scream this year even louder than ever. Posters are being printed for advertising purposes and the people of the country contiguous to that section are requested to join in the demonstration. As they usually do, the Damascus people will provide a complete and enjoyable entertainment for all who may desire to be their guests for the day. Mayor Grant B. Dimick, of this city, has accepted the invitation to deliver an oration at the celebration.

BURGLARY AT CANBY.—The general merchandises store of Carlton & Rosenkrans, at Canby, was entered by burglars Tuesday night. Several pairs of shoes are missing but it is not believed any other goods were taken. Entrance to the building was had through a rear window and the thieves in their opera-

tions did not awaken an employe of the firm who sleeps in the store building. Two other reports of unsuccessful attempts at burglarizing Oregon City residences have been made to the police. These happenings lead to the belief that this section of the valley is infested with a gang of housebreakers.

BIG CLOTHING SALE.—M. Hammerslough has arrived in the city with a large stock of clothing, men's furnishing goods, hats, caps, shoes, pants, etc., and will conduct a three week's sale in the Old Fellows' building on Main street in this city. The sale opens tomorrow, Saturday morning, June 6, and will positively close on Saturday, June 27. Goods will be offered at prices astonishingly low. A better opportunity, says Mr. Hammerslough, for the purchase of clothing and gent's furnishings at extremely low figures was never before offered the people of Clackamas county.

RECEPTION FOR THE CLARKS.—Major and Mrs. Wm. Hancock Clark, of New York, were the guests of honor at a reception given at Willamette Hall Friday night by the Oregon City Women's Lewis & Clark Club. The reception was informal in its character and was generally participated in by the representative citizens of the community. Short addresses were made by prominent citizens. Major Clark also made a brief address. The speechmaking was interspersed with vocal and musical selections by local talent.

QUIET HOME WEDDING.—The ceremony that united in marriage Mrs. L. Scoggan, of this city, and Mr. A. D. Hill, of Parkplace, was performed at the home of the bride, corner of Ninth and Jefferson streets, at 10 o'clock Tuesday morning. Rev. Young, of the German Lutheran church, officiated in the presence of only a few friends. Mrs. Scoggan is an estimable woman and has resided in this city for the last twelve years. Mr. Hill is an employe at the woolen mills and with his bride will reside at Parkplace.

NEW BUSINESS FIRM.—G. F. Horton and J. E. Jack have formed a business partnership under the firm name and style of Horton and Jack and will conduct a general grocery store at Seventh and Madison streets. They have opened up and are doing business. In addition to the grocery stock, the firm will carry tinware, hardware and a full line of grain, hay and feed stuffs. They have in connection a free delivery and meat business.

VANCOUVER VS. OREGON CITY.—The Oregon City and Vancouver teams, of the Interstate League, will play at Canemah Park Sunday afternoon. Letto and Kreitz will be the battery for the local team, which has been further improved by the addition of Fred Williams, recently from Vancouver. Williams will occupy his old position at short. Vancouver is said to have the strongest team of the league and a really interesting contest is predicted.

IS SERIOUSLY ILL.—Mrs. Back, of Portland, is seriously ill at the home of her daughter, Mrs. Otto Dente, on Seventh street. Mrs. Back was in the city to attend the Memorial Day services and during the day was stricken with a stroke of apoplexy and is now in a serious condition. A daughter, Miss Clara, who has been studying art in Chicago, has been notified and reached this city on Thursday.

CHEMENA WILL PLAY BALL.—The Chemewa Indian Training School baseball team is the first aggregation to enter the Chautauqua baseball tournament. It is expected by the management of the Chautauqua that at least five teams will participate in the tournament for the Valley championship. Secretary Cross has signed up with the Chemewa band, which will furnish music for the Assembly.

FEES OF COUNTY OFFICERS.—The receipts of the office of County Clerk Sleight for the month of May were \$238.20 as compared to \$127 for the corresponding month last year. Recorder Stevens reports a proportionate increase in the receipts of his office, amounting to about \$50 more than for the same month a year ago.

WILL GIVE A SMOKE.—Company A, Third Regiment, O. N. G., will entertain invited friends at a smoke to be given at the armory June 15. The local militia fellows believe in looking after the social side of life as well as perfecting themselves in military tactics and they know how to entertain too.

A COMPOUND FRACTURE.—The little daughter of Mr. and Mrs. Bagby on south Main street fell off the porch Saturday evening and suffered the fracture of both bones in the right arm just below the elbow. Dr. Stuart was called and adjusted the fracture, which was quite a painful one.

WILL KEEP YOU COOL.—Huntley Bros. have just installed a costly soda water fountain. It is an elegant piece of store furniture and with its use the enterprising proprietors hope to be able to keep the public cool during the approaching summer months.

PIKE HELD TO CIRCUIT COURT.—William Pike, a woodchopper, charged with committing a nuisance, has been held to the circuit court under \$200 bonds. In default of the required bond, the man was committed to jail.

ARM BADLY SCALDED.—Miss Mack, who is employed at the Brunswick Restaurant, met with a very painful mishap last Saturday evening, when she severely scalded her left arm by the overturning of some coffee.

HAD THE LAST SAY.—Mayor G. B. Dimick and G. L. Story, of this city, closed the campaign at Marquam Friday night. They report a good meeting with much enthusiasm.

FOR SALE.—Matched bay driving team. Will be at Farmer's Feed Yard, Saturday, June 6.

WINE OF CARDUI

ATTEMPTED TO END HIS LIFE.

Oregon City Youth, Becoming Discouraged, Took Rough-on-Rats.

Elmer McCullough, aged 24 years, of this city, made an unsuccessful attempt at self-destruction Monday morning. Rough-on-Rats was the poisonous route employed. His condition was discovered soon after taking the poison. A physician was summoned, who administered an emetic and saved the lad's life. Straightened financial circumstances is the only reason assigned for the action.

Young McCullough is employed in a local foundry and went to his work as usual Monday morning. At 9 o'clock he left the foundry and went to his home, where he took a fatal dose of the poison. McCullough will give no cause for attempting suicide and threatens to complete the job at the first opportunity. He is unmarried and his home and social life are known to be pleasant and no cause other than that of financial embarrassment is given for his attempt to end his life.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonials letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Highest Quality Lowest Price

Can they go together? This is a question naturally every one could ask, because to the average mind high prices would mean high quality. But is that right? No. So many stores get a reputation for high quality by charging high prices because the idea of low prices brings the thought of mean quality. Now our store is an ardent example of the fact that high quality and low prices can go together.

We have just received a new addition to our immense stock that is the celebrated Hawe's New York \$3.00 Hat, which we have in all the latest styles, and every hat bears a full guarantee to give good wear or money refunded. A visit to our store will convince you.
