Who says we are not becoming metropolitan. One beggar and two agents in town lately.

F. S. Hatchings has improved the entrance from the road by some fine stone steps to the front gate.

A great many people from here attended the session of the State Grange at Oregon City. Next time a delegation of strangers visits your town perhaps hotel keepers will learn that strangers have appetites and prepare accordingly.

Committee reports consumed considerable time, and when dinner was announced everyone had a good appetite, which was soon relieved, for there was enough and to spare.

On Saturday, the 6th, Bee Gage, who has been attending the Stafford school and will shortly return to her home in Tillamook, entertained twelve of her young schoolmates from 1 till 5 P. M.

Those present were Clara and Carrie Wheatlie, Martha and Mary Scherive, Susie and Anna Schartz, Gertrude Ellegren, Julia Weddie, Ellen Condit, Clara Oldenstadt, Mattie Pennerine, and Lottie Borland, and Miss Norman, the teacher, and Miss Wheatlie, the minister's daughter, who kindly helped to entertain the young girls and make it a red letter day in their lives, long to be remembered.

How will your cough be tonight? Worse, probably. For it's first a cold, then a cough, then bronchitis or pneumonia, and at last consumption.

Those who persist in closing their ears against the continual recommendation of Dr. King's New Discovery for Consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination.

For Young Men and Young Women.

There is nothing that will arouse the ire of a young man or woman so quick as to have inferior laundry work put off on them. They may dress ever so well, but if their shirt front or shirt waist is mussed, their neat appearance is spoiled.

If you don't get the ENTERPRISE you don't get the news.

ONE WAY OUT.

Residents of Oregon City Are Shown the Way.

Only one way to cure a bad back. Liniment and plasters may relieve it; they won't cure it. Backache means sick kidneys.

Read a case of it: Mrs. J. D. Kennedy, who resides at 780 Corbett street, Portland, says: "I have been afflicted with kidney trouble for thirty years, and for the past twenty years I have never been entirely free from it in some form or other."

AT THE TOP.

It is a laudable ambition to reach the top of the ladder of success. But many a man who reaches the top of the ladder of success, finds his position a torment instead of a triumph.

A man can succeed and be strong if he heeds Nature's warnings. When there is indigestion, loss of appetite, ringing in the ears, dizziness, spots before the eyes or palpitation of the heart, any or all of these symptoms point to weakness and loss of nutrition.

For about two years I suffered from a very obstinate case of dyspepsia, writes E. E. Seaton, Esq., of 15 Eastern Ave., Toronto, Ontario. "I tried a great number of remedies without success. I finally lost faith in them all. I was so far gone that I could not eat for a long time, bear any solid food in my stomach, felt melancholy and depressed. I could not sleep nor follow my occupation. Some four months ago a friend recommended your 'Golden Medical Discovery.' After a week's treatment I had derived so much benefit that I continued the medicine. I have taken three bottles and am convinced it has in my case accomplished a permanent cure. I can conscientiously recommend it to the thousands of dyspeptic sufferers of the land."
