TOLD IN SIDEHEADS.

INJURY TO THE EYE.—Charles E. Burns, Jr., an employe in the machine room of the Willamette, Doly & Pomeroy Company's plant, suffered a painful injury to an eye Saturday. A piece of steel penetrated the eye-ball, but fortunately did not destroy the sight. The missile was successfully extracted.

JUDGE GALLOWAY WILL ORATE.—Judge William Galloway, of this city, has accepted the invitation and will deliver the oration at the Fourth of July celebration to be held at Tillamook. This is an exchange of orators of the two cities for Independence Day since Hon. B. L. Eddy, of Tillamook, is to be the orator for the Oregon City demonstration.

DEATH AT NEW ERA.—William Casidy, aged 71 years, died at his home in New Era last week, of catarrh of the stomach. For twenty-eight continuous years the deceased was a resident of Clackamas county, coming to Oregon from eastern Tennessee. He is survived by a widow and ten children, four other children having died. Burial services were held Friday and interment was had in Zion cemetery.

MACCAHERS ELECT OFFICERS.—Tualatin Tent, No. 74, Knights of the Maccahers, held an election of officers last Thursday evening with the following result: Commander, Jesse George; lieutenant commander, K. D. Miller; record keeper, E. T. Taylor; finance keeper, M. Hyatt; physician, Dr. Sommer; chaplain, M. L. Miller; sergeant, D. H. Courtney; master at arms, J. M. Turner; first master of guards, Chas. Catta; second master of guards, Sam Batdorf; sentinel, Eli Deck; picket, J. C. Weston.

FOURTH OF JULY ORATOR.—Hon. B. L. Eddy of Tillamook will deliver the Fourth of July oration in connection with the local celebration. There will be an industrial parade in the morning, sports, including a game of baseball between the Monarchs and the Oregon City nine in the afternoon and a grand pyrotechnic display at night. One of the features of the day's entertainment will be the leap from the suspension bridge into the Willamette river by some local man.

SCHOOL CONSOLIDATION.—Eagle Creek hall was comfortably filled Friday evening to listen to a discussion of school consolidation by Superintendent J. T. Zander. Many ladies were interested listeners. Four districts were represented. The greatest harmony of sentiment prevailed. The following committee was appointed to report to a similar meeting at Currieville, Saturday evening, a feasible plan of consolidation, which will then be submitted to the several districts. Charles Zeek, Barton; J. Ely, Currieville; Bates, Tracey school; Hoffmeister, Santy Ridge.

LOCALS LOSE AGAIN.—The Monarchs of Portland, Sunday afternoon, defeated the Oregon City team in the interstate baseball league by a score of 8 to 4. Superior team work and general playing by the visitors won for them the game which was theirs at almost any stage of the contest. There were no particular features in the game. A general re-organization of the local nine took place during this week and a stronger nine is the product. Many of the best players in the original team have signed with the new organization, which will be further improved by the addition of available outside players. With the changes that are contemplated, the local team expects to retrieve its reputation as one of the leading teams in the interstate league.

MR. CAUFIELD WAS RE-ELECTED.—Chas. H. Caufield was on Monday elected a member of the Oregon City school board to succeed himself. There was only a small vote cast and Mr. Caufield had no opposition. A number of women taxpayers exercised the right of franchise in the election. Mr. Caufield's re-election as director without any opposition, is a recognition of his valuable services during the past five years in the position to which he has been returned for another term. It was largely under Mr. Caufield's financing and direction that the plan of consolidating the tenth and eleventh grades in the public schools was accomplished and the building of additional rooms, which otherwise would have been necessary, dispensed with. In the reorganization of the course of study in the city schools and some slight changes in the salary of the teachers, a considerable saving to the district has been made and the efficiency of the schools has not suffered in the least.

SPENDS SUMMER IN NEW YORK.—Arch-Deacon W. D. Williams, of Little Rock, Arkansas, writes the Enterprise request-

ing that the address of his paper be changed to New York city where he will be stationed for the summer as pastor of the church of the Intercession, Rev. Williams was formerly a resident of this city where he had charge of St. Paul's Episcopal church.

RAN AWAY FROM HOME.—Chief of Police Burns Monday afternoon apprehended a young man named Ivory, who ran away from his home at Butteville a few days ago. Relatives of Ivory, who is a feeble-minded youth, returned the boy to his home.

HAS GONE TO ALASKA.—J. N. Wisner, United States Fish Commissioner for this district, left Monday for Seattle, where he will join a special United States Commission that has been appointed to investigate and report on the fishing industry of Alaska. The party sailed from Seattle this week and will be in Alaska between two and three months.

WITH THE MYSTIC SHRINERS.—The Shriners had a good time in Portland last Saturday night. Messrs Buchanan, Daubin, Carl, Ryan, Walker and Kinnaird were among the local Shriners who participated in the festivities of the occasion. County Surveyor Ernest Hand, of this city, was one of the mighty candidates that were initiated during the night.

TWO DEATHS SUNDAY.—C. P. Waterman, aged 45 years, died Sunday at the home of relatives at Willamette Falls. The deceased came to this city recently from Wisconsin for the benefit of his health. Death resulted from dropsy. Consumption caused the death of a young man named Butterfield at Oswego Saturday night. Butterfield was about 27 years old and funeral services were held at Oswego Monday.

FOR AID OF HEPPER PEOPLE.—Bruce C. Curry, city recorder, circulated a subscription paper Tuesday and raised over \$300 for the relief of the Hepper sufferer etc. It was first proposed to abandon the Fourth of July celebration and appropriate the fund that had been raised for the demonstration to the relief of the Hepper people. Subscribers very generally agreed to such a transfer of the fund but it developed that the arrangements for the Independence Day celebration had progressed too far. Following this conclusion, an independent subscription was started with the success noted above.

GAVE SATISFACTORY SERVICE.—Prof. W. Gilbert Beattie and wife are passengers on the City of Seattle on their way to Oregon City, where the Professor has accepted the principalship in a graded public school. Professor Beattie has had charge of the Wrangell school the past two years, and the manner in which he has advanced his pupils has been very satisfactory and shows him to be a thorough scholar and able instructor. Both the Professor and his wife are leaders in church work, and will be missed in that line. The best wishes of the Sentinel accompany them to their new field.—Alaska Sentinel, Wrangell, Alaska.

AN INTERESTING ATTRACTION.—The Allen Stock Company, which has been occupying the boards at 381 1/2 Ave. this week, is one of the best stock companies now traveling. The attendance is increasing as the week goes by, and it is quite natural that it should be the character of the performances being given is the cause. The company will conclude its engagement in this city with a bill tonight and Saturday night and a matinee Saturday afternoon. Tomorrow night as announced the company will distribute cash prizes amounting to \$15 to those holding the largest number of coupons. The band and orchestra that is carried by this organization are among the best ever heard here and are alone worth the price that is charged to the theatrical performance.

FORMERLY LIVED HERE.—A press dispatch to Tacoma dated, Saturday, June 13, says: "A remarkable and fatal accident occurred on the Tacoma & Eastern Railway at Kapowsin this evening. While a number of persons were standing on the main line a runaway train loaded with immense logs crashed into them, instantly killing Harry D. Voorhees, of Tacoma, but formerly of Detroit, Mich., and possibly fatally injuring George F. Bolen, local manager of the Griffin Car Wheel Company. Mrs. C. H. Forner was also seriously injured that she died within 30 minutes. The party was observing the work of a construction crew and the escaping steam of the engine prevented them from hearing the runaway train." Mrs. Forner, who was among the killed, was formerly Hester Robb and resided in Oregon City for many years. She was the sister of Mrs. Fred Painter, of this city. The remains of Mrs. Forner arrived in this city Tuesday and were buried at Canemah.

A FAKE INSURANCE COMPANY.—Secretary of State Dunbar, as state insurance commissioner, has addressed to the press of the state and the various agents of regularly licensed insurance companies a circular letter calling their attention to the operation within this state of the "Union Fire Insurance Company" of Chicago in violation of the statutes of the state. The co-operation of those receiving the letter is asked that the illegal operation of this company in competition with reliable and licensed companies may be curtailed. The following excerpt is taken from Secretary Dunbar's letter: "The requirements of the laws of this state are not so onerous or so expensive as to deter any solvent, honest company from complying. When a company undertakes to do business in this state surreptitiously, in violation of law and without submitting to its obligations, it is a justifiable conclusion that it is either too dishonest to willingly submit to its requirements, or is in an insolvent financial condition. In the event of loss or the refusal of such a company to pay the holder of a policy, he would be compelled to go to the state where it is located to bring suit and collect judgment. If also, for any reason, he should desire to cancel his policy in an unauthorized company, he would have no means of compelling the return of unearned premiums. In short he is unprotected by the laws of this state. In the case of a licensed company, a policy holder has the security of the deposit made by them and can secure service in case of suit, upon the resident general agent of the company."

MRS. L. S. ADAMS, of Taylorston, Texas.

"Wine of Cardui is indeed a blessing to tired women. Having suffered for seven years with weakness and bearing-down pains, and having tried several doctors and different remedies with no success, your Wine of Cardui was the only thing which helped me, and eventually cured me. It seemed to build up the weak parts, strengthen the system and correct irregularities."

By "tired women" Mrs. Adams means nervous women who have disordered menses, falling of the womb, ovarian troubles or any of those ailments that women have. You can cure yourself at home with this great women's remedy, Wine of Cardui. Wine of Cardui has cured thousands of cases which doctors have failed to benefit. Why not begin to get well today? All druggists have \$1.50 bottles. For any stomach, liver or bowel disorder Theodor's Black-Draught should be used.

DIED NATURAL DEATH.—After an investigation Saturday night, Coroner Holman concluded that the death of George Williams, who was found dead in bed at his residence near Canby during the afternoon, resulted from natural causes. No request was considered necessary. Williams was about 75 years of age and leaves no relatives in this country.

The most notable of all recent stories of the sea is Alfred Sonnen's "Deep Sea Vagabonds." The author is a San Francisco born and bred, who ran away from home when a boy, was a captive among the Filipinos, has sailed on every sea, and has been stranded in many parts of many lands. He has, besides, not a little literary skill, and has selected from his varied experiences incidents and incidents and anecdotes, couched with vivid bits of description, which make the book a very interesting one. An extended review, with many quotations, appears in the Argonaut for June 15, 1903.

TOOK A NINETY FOOT DROF.—While intoxicated, Dan Beer, of Silverton, walked off the bluff at the foot of Fifth street Saturday afternoon and fell to the railroad track below, a distance of ninety feet, and escaped unharmed. That the man escaped with his life is miraculous for the bluff at the scene of the mishap is almost precipitous and is of rocky formation. In falling, Beer collided with a stump of willows that arrested his fall or he would surely have been dashed to death on the railroad track. Beer has for a number of years been employed on the river steamers on the Willamette and came to this city from Portland.

About twenty-five thousand acres of land in Clackamas county (held by P. H. Marlay, et al, under tax titles, which will soon ripen into good titles if not defeated. I hereby agree to defeat any of those titles for about one-half the sum demanded for a deed by said P. H. Marlay et al. Otherwise no charges made. G. B. DIMICK, Attorney-at-law, Oregon City, Oregon.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are clogged or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
