The entertainment at the school house Friday evening under the able management of Miss Norman, teacher for the purchase of a school flag was a grand success and enough money realized to obtain a good one and next term it will float in the breeze every pleasant day.

\$500 REWARD FOR WOMEN WHO CANNOT BE CURED.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Protrusion of Uterus, or Falling of Womb which they cannot cure; all they ask for is fair and reasonable trial of their means of cure.

They have the most remarkable record of cures made by this world-famed remedy ever placed to the credit of any preparation of medicine for the cure of women's peculiar ailments.

A beautiful Oregonian lady, Vice-President of the East End Y. W. C. A. of Portland, and prominent socially there, writes the following experience: "I certainly have induced the best medicine for suffering women that is to be had in the country. I want to recommend it especially to mothers. I was seventeen years old when my doctoring, by my own fault, exhausted and weak for a long time, and I would not get my strength back. My sister in-law bought me a bottle of Dr. Pierce's Favorite Prescription and after I had tried several of the other remedies which are so much advertised and found no relief. I had little faith in the medicine at the time and was so weak and sick that I felt discouraged, but within a week after I had commenced taking your 'Prescription' I was like a different woman. New life and vitality seemed to come with each succeeding day, until in a few weeks, I was in fine health and a happy, hearty woman. My boy is now two years old and thanks to your splendid medicine, I am enjoying perfect health. If at any time I feel tired or in need of a tonic, a few doses of your 'Favorite Prescription' reinvigorates me at once. My address is 302-312 Jones Street, East, Savannah, Ga.

KEEP YOUR BLOOD CLEAN

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y.

HEPPNER SUFFERERS RELIEVED.

Generous Contributions Have Been Made—Death List 178.

Heppner, June 25.—Nearly \$7500 swelled the total of relief donations Tuesday. It is gratefully welcomed, as the falling off in receipts the day before gave some anxiety to the committee, for there is pressing need of every cent received or promised. The money comes from all over the United States, one man in a far off corner in Texas contributing \$1, while the City of New York sent a check for \$2500.

But one more body was recovered Tuesday, bringing the total found to date to 178. It was identified as Ray Long, oldest son of James Long. Mr. Long's residence was near the depot. His wife was an invalid and when the flood came he ran out with three children—two girls and a boy, the last under 6 years. He hurried them into the depot and returned to get his wife, or to help his other three children. All were lost, except the three in the depot. F. G. Hart, the assistant O. R. & N. agent, seized them, together with the little daughter of J. M. Keran, the regular station agent, and made for the hills back of the depot. Though up to his armpits for a time in the rushing waters, he managed to keep hold of the four children until higher ground was reached. Meanwhile Mr. Keran, who followed close behind with his fainting wife, was swept away.

Now that the town is practically cleared and placed in a fairly sanitary condition, the executive committee has decided that no further outside workmen will be called for. The force on hand, now thoroughly organized, is deemed sufficient to complete the work. It is probable that the Portland contingent will soon be withdrawn, leaving only the Heppner forces in town. Since the work is over, it is felt that as much paid work as possible should be left to the Heppner people, giving them the opportunity to earn the money donated. The Portland force, under J. N. Davis, being very compact and as readily moved as a military camp, with cooks, tents, commissary and other equipment, it is possible that it may be sent down the valley to help clean up the drifts remaining.

C. C. Berkeley, the well-known engineer, has been working a force of 210 men down the valley today. Sixty of these are P. M. citizens. The others are mixed volunteers and paid men from various points. Mr. Berkeley estimates that with his present force ten more days will be required to go over the valley. The first search not being at all thorough, many drifts will have to be gone over again, as loose debris was thrown on top of undisturbed heaps. If the Portland contingent is put on also, the time for completing the task will be materially lessened.

Very little work has been done by the local lodges of Elks and Odd Fellows since the disaster, the headquarters of each having been turned into a rest room for the destitute and for the workmen. The Elks have supplied about 125 meals a day since June 16, and the I. O. O. F. has furnished about 450 meals daily since the same date. These orders now get supplies from the regular commissary at headquarters.

A total of about five large carloads of general supplies, as food, bedding, clothes, etc., has been donated and shipped to Heppner since the flood. Dr. Reed, mayor of Ione, ordered two big wagonloads sent here within twelve hours after the disaster. Ione is grateful of having been notified of the flood's coming.

Heppner Sufferers Will Be Relieved To know that the Juanita Concert Company is working hard to send them money. The program that will be given at Shively's opera house next Tuesday evening is worth all it costs, and the proceeds will go to relieve the Heppner sufferers.
