ROUND TRIP 25 CENTS.
Oregon City Transportation Co.

The Y. P. S. C. E. of the Presbyterian church is planning to give an old fashioned Japanese wedding in costume July 1 at Shively's hall. The music to be rendered will be from the comic opera, "The Mikado," and in connection with the social at the close ice cream and cake will be served.

The people of Astoria are making elaborate preparations for their annual regatta which will be held this year August 19, 20 and 21. Present indications are that the program this year will surpass that of any previous year and this is saying a great deal. A hose team from this city will compete in the firemen's tournament that will be held in connection with the regatta.

The horsemen of Oregon City held a meeting Tuesday night and decided on the organization of a team to visit Astoria and compete in the regatta races to be held there during August. C. W. Pope was elected captain and L. Ruonich manager of the team. Entrance will also be made by the team in the Fourth of July races to be held in this city in connection with the Independence Day celebration. Oregon City formerly had the best horse team in the state.

AMENDED COMPLAINT IS FILED.

A. Luelling, Renewal Action Against Clackamas County for Deputy Hire.

Under the terms of a stipulation subscribed to by the respective counsel for the parties to the action, A. Luelling, former recorder for Clackamas county, has filed an amended complaint against the county in a proceeding brought to recover about \$1900 alleged to be due for salary of deputies employed in that department. Judge McBride sustained a demurrer to the original complaint of Luelling but gave the ex-county official until June 21 in which to further plead. In his amended complaint, which has been filed by Dimick & Story, his attorneys, Luelling sets forth that there is due him for the salary of deputies the sum of \$1248 which with accrued interest amounts to about \$1900. Luelling was the Populist recorder for Clackamas county for the term from July 1896 to July 1898 and the pending action has resulted from the failure of the county to audit the claims of that officer for deputy allowance to which he alleges he was entitled. The demurrer will be heard and the case further disposed of at an adjourned term of Judge McBride's court which will be re-convened July 9.

CHARGED WITH ROBBING STORE.

Four Lads Arrested Here Sunday With Stolen Plunder in Possession.

Oliver Scott, Charles Sundt, George Fraser and Claude C. Dillenbeck, four youths whose ages range from 14 to 18 years, were arrested in this city Sunday evening by Chief of Police Burns on the charge of burglarizing the general merchandise store of G. H. Beebe at Woodburn last Saturday night. Entrance to the store was gained by breaking into a rear window. A considerable amount of dry goods, clothing and shoes were taken. When arrested, the greater part of the plunder was found in the possession of the lads who were carrying the same in sacks. The quartet was returned to Woodburn Monday where they will be given an examination on the charge. Dillenbeck claims that his home is Lafayette, Yamhill county, while the other three lads give Portland as their home and state their residences to be as follows:

Scott, 254 Montgomery street; Sundt, 408 N. E. 5th street; Fraser, 504 East Stevens.

When arraigned in the Woodburn justice court, the lads waived a preliminary examination and were held to the circuit court. They could not furnish the required bonds of \$200 and were taken to the Marion county jail at Salem.

The Ladies Aid Society of the Presbyterian church will serve a chicken pie supper at the Y. M. C. A. building on Friday evening, June 26th from 5 to 7 p. m., at 25 cents a plate.

Chamberlain's Colic, Cholera and Diarrhoea Remedy

Is everywhere recognized as the one remedy that can always be depended upon and that is pleasant to take. It is especially valuable for summer diarrhoea in children and is undoubtedly the means of saving the lives of a great many children each year. For sale by G. A. Harding.

The troubles of the Brown School, District No. 63, culminated at the annual election Monday in the election of Robert Brown as clerk, and Gilbert Randall as director to succeed Mr. Staley. By a vote of 15 to 13, a motion calling for the resignation of Richard Dunders, as director, was passed by the meeting.

Have You Seen the Scorpion?

Watch for the unique and catchy pamphlet just issued by the General Passenger Department of the Astoria and Columbia River Railroad Co., which tells a little summer tale about the Summer Girls, Scorpions and Sunsets at Seaside. The story is short but well told and handsomely illustrated. Place your order early and avoid the July run. Copies mailed free upon application to J. C. Mayo, G. F. & P. A. Astoria, Ore.

Mrs. Emma Galloway, state organizer of Women's Lewis & Clark clubs, was in Monmouth Friday evening where she formed another club with a good charter membership.

There was something doing in the Oregon City police court the latter part of last week. Three Indians, charged with being drunk, paid fines of \$5 each. The first victim of the anti-bicycle sidewalk ordinance appeared in the court the same day. Walter Hoskins was the lad and he paid a fine of \$2.50 for riding on forbidden territory.
