South End Road Committees
Elect Superintendent.

Southern Pacific Company Will Give
Substantial Aid for the Proposed
Underground Crossing.

The joint committee on the South End
road at a recent meeting elected J. H.
Moody as superintendent of construction
work, which will begin as soon as the
weather is favorable.

Assurances of hearty support from the
Southern Pacific Company have been
received by the committee. It has been
decided that the road will be an under-
ground crossing, as the more practical
way of crossing the Southern Pacific's
tracks. Liberal concessions have been
granted by the railroad company, which
has agreed to aid in the excavation and
construction work that will be required
to pass beneath its tracks.

The initial work on the road will be
performed on the side of the bluff, in
establishing the roadway from the base
of the railroad track to the top of the
hill. A question has existed as to the
title of this property, as between the city
and the railroad company, and the con-
troversy is now pending in a suit before
the supreme court. The railroad com-
pany has agreed that in event the title
to this land is decided in its interests, that
the right of way to the building of the
roadway will be granted to the city
without cost. The building of the road
will be performed by day labor, and only
a small force of men will be employed at
the beginning. With the material aid
that is assured from the railroad com-
pany, Clackamas county, and the street
railway company, the committees ex-
pect to finish the road with but little
additional cost to what has already been
expended and appropriated, amounting
to about \$3500.

WORK TO BEGIN AT ONCE

At a meeting Tuesday night of the
joint committee on the construction of
the South End road, Superintendent J.
H. Moody was instructed to proceed at
once with the building of that thorough-
fare. City Engineer Rands was em-
ployed and made the survey for the road
Wednesday. Active work will begin
this week and the committees will hasten
the improvement to a speedy finish.

THE SCORE WAS TEN TO TWO.

Oregon City Badly Defeated by the
Schillers Sunday Afternoon.

Oregon City lost to Schillers, of Port-
land, Sunday afternoon in another game
of the interstate league. The score was
10 to 2 in favor of the visitors. Three
hundred people witnessed the game at
Canemah Park. A bunch of costly er-
rors in the first three innings, the result
of a disorganized team, was responsible
for the defeat of the home nine. Letto
as usual pitched his game for the locals
but did not have the support that was
necessary to net the runs. Enerick and
Foley, of the Sunnyside team, played
with Oregon City and were effective in
their respective positions, at short stop
and second base. Goins and Gains
formed the battery for the Schillers and
gave the Falls City players but five hits
in the game. Letto and Kreitz made
the local battery. Miserable ball was
played in the first three innings, but the
remainder of the game was a fairly good
exhibition.

The game by innings was as follows:
Schillers.....2 1 0 0 0 0 6 1—10
Hits.....12 5 0 0 0 0 0 1—9
Oregon City.....0 0 2 0 0 0 0 0—2
Hits.....2 0 2 0 0 0 1 0—5
Games will be played with the Mono-
grams at Canemah Park Saturday and
Sunday afternoons.

Very Remarkable Cure of Diar-
rhea.

"About six years ago for the first time
in my life I had a sudden and severe at-
tack of diarrhoea," says Mrs. Alice Mil-
ler, of Morgan, Texas. "I got temporary
relief, but it came back again and again,
and for six long years I have suffered
more misery and agony than I can tell.
It was worse than death. My husband
spent hundreds of dollars for physicians'
prescriptions and treatment without
avail. Finally we moved to Boque
county, our present home, and one day
I happened to see an advertisement of
Chamberlain's Colic, Cholera and Diar-
rhea Remedy with a testimonial of a
man who had been cured by it. The
case was so similar to my own that I
concluded to try the remedy. The result
was wonderful. I could hardly realize
that I was well again, or believe it could
be so after having suffered so long, but
that one bottle of medicine, costing but
a few cents, cured me." For sale by G.
A. Harding.

Just About Bedtime

Take a Little Early Riser—it will cure
constipation, bilious and liver troubles.
Dewitt's Little Early Risers are differ-
ent from other pills. They do not gripe
and break down the mucous membranes
of the stomach, liver and bowels, but
cure by gently arousing the secretions
and giving strength to these organs.
Sold by Geo. A. Harding.

A Surgical Operation
Is always dangerous—do not submit to
the surgeon's knife until you have tried
DeWitt's Witch Hazel Salve. It will
cure when everything else fails—it has
done this in thousands of cases. Here is
one of them: I suffered from bleeding
and protruding piles for twenty years.
Was treated by different specialists and
used many remedies, but obtained no re-
lief until I used DeWitt's Witch Hazel
Salve. Two boxes of this salve cured
me eighteen months ago and I have not
had a touch of the piles since.—H. A.
Tisdale, Summerton, S. C. For blind,
bleeding, itching and protruding piles
no remedy equals DeWitt's Witch Hazel
Salve. Sold by Geo. A. Harding.
