

A HEALTH POLICY

The system is, from natural causes, debilitated or run-down both in the spring and fall. The seasons' changes are always a tax on the human organism.

Dr. HARTER'S IRON TONIC. When you use Dr. Harter's Iron Tonic you are helping to renew the vigor of every fiber of your body.

CHICAGO, ILL., Nov. 26, 1901. The Dr. Harter Medicine Co., Dupont, O. Gentlemen:—I unhesitatingly recommend Dr. Harter's Iron Tonic as I firmly believe it is the best tonic on the market to-day.

CROP CONDITIONS IN THE VALLEY.

Continued Damp Weather Injurious to Hay—Excerpts From Crop Bulletin.

The past week has been showery, with nearly seasonable temperatures. There is a large amount of hay ready to cut, but its harvest has been delayed by wet weather, and consequently clover and vetch have lodged badly in the coast counties and also in portions of the Willamette valley.

Minor crops, such as hops, potatoes, onions, sugar beets and garden truck, have made excellent advancement during the week, and but few complaints are made regarding damage to them by insect pests.

INCURABLE.

That is What the Books Say of Chronic Kidney Disease, But the New Fulton Compounds Have a Record of 87% of Recoveries Among Chronic Cases Incured by All Other Medicines.

Druggists know that kidney disease that has hung on eight or ten months has become chronic and that it is then regarded by physicians as incurable and that up to the advent of the Fulton Compounds that nothing on their shelves would touch it.

After a serious illness of over a year Judge J. E. Allen of this city has recovered and regards himself most fortunate in successfully battling with what is generally regarded as a fatal malady, Bright's Disease of the Kidneys.

FELL OFF THE OVERLAND TRAIN.

Tramp Narrowly Escaped With His Life Tuesday Morning.

An unknown tramp, who with two other companions, was stealing a ride on the north bound overland Tuesday morning, fell from the train as it was passing around the Canemah Park curve and narrowly escaped with his life.

BUNCOED BY CLOTHING SALESMAN.

Oregon City People Order by Sample and Get Inferior Quality.

Dr. M. C. Strickland, of this city, has instituted in the Oregon City justice court a suit against the Columbia Tailoring Company of Chicago, to recover damages in the sum of \$10.

This proceeding is the sequel to the recent operations in this city of a transient agent for the defendant tailoring company. With a splendid lot of samples and a smooth and convincing way, the salesman who gave the name of Fitzpatrick, was successful in inducing many prominent citizens to place with him an order for suits.

Cholera Infantum.

This has long been regarded as one of the most dangerous and fatal diseases to which infants are subject. It can be cured, however, when properly treated. All that is necessary is to give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil, as directed with each bottle, and a cure is certain. For sale by G. A. Harding.

For Sale.

A good, gentle milk cow. Inquire of Mrs. Graves at Green Point, Oregon City.

Mrs. F. Wright, of Oelwein, Iowa, is another one of the million women who have been restored to health by Lydia E. Pinkham's Vegetable Compound.

Overshadowing indeed is the success of Lydia E. Pinkham's Vegetable Compound—compared with it, all other medicines for women are experiments.

Why has it the greatest record for absolute cures of any female medicine in the world? Why has it lived and thrived and done its glorious work among women for a quarter of a century? Simply because of its sterling worth.

A Young New York Lady Tells of a Wonderful Cure:— "DEAR MRS. PINKHAM:—My trouble was with the ovaries; I am tall, and the doctor said I grew too fast for my strength. I suffered dreadfully from inflammation and doctored continually, but got no help. I suffered from terrible dragging sensations with the most awful pains low down in the side and pains in the back, and the most agonizing headaches. No one knows what I endured. Often I was sick to the stomach, and every little while I would be too sick to go to work for three or four days; I work in a large store, and I suppose standing on my feet all day made me worse.

I felt better after the first two or three doses; it seemed as though a weight was taken off my shoulders; I continued to use it until now I can truthfully say I am entirely cured. Young girls who are always paying doctor's bills without getting any help as I did, ought to take your medicine. It costs so much less, and it is sure to cure them.—Yours truly, ADELAIDE PRAHL, 174 St. Ann's Ave., New York City."

Women should not fail to profit by Miss Adelaide Prahl's experiences; just as surely as she was cured of the troubles enumerated in her letter, just so certainly will Lydia E. Pinkham's Vegetable Compound cure others who suffer from womb troubles, inflammation of the ovaries, kidney troubles, nervous excitability, and nervous prostration; remember that it is Lydia E. Pinkham's Vegetable Compound that is curing women, and don't allow any druggist to sell you anything else in its place.

If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. She can surely help you, for no person in America has such a wide experience in treating female ills as she has had. Address is Lynn, Mass.; her advice is free and always helpful.

\$5000 FORFEIT if we cannot forthwith produce the original letter and signature of above testimonial, which will prove its absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.

HUMANITY OUTRAGED. The U. S. Dispensary says, opium PARALYZES the motor nerve; acnite reduces muscular strength; belladonna produces PARALYTIC symptoms; hyoscyanus and stramonium are the same as belladonna; opium lessens the peristaltic motion of the bowels. "Do not exercise any curative influence." Some of these are contained in all of the ancient pile medicines. Of E-RU-SA, the only non-poisonous Pile cure, over 4000 druggists and doctors of the highest standing, say in substance: Dr. L. Griffin in 20 years experience I have no knowledge of any medicine curing piles except your non-narcotic Pile cure. I KNOW IT CURES. J. H. TAOUT, M. D., and druggist, Los Angeles.
