Central Point

Less rain and more sunshine. There is a great amount of hay spoiled on account of the wet weather. A great many of the apples seem to be falling off of the trees in this vicinity. Nevertheless, those will be plenty. Some cowardly whelp shot and killed one of Geo. Randall's sheep and wounded several others about ten days ago. The sheep were running on the hog hollow range at the time. Mr. Randall offers \$50 reward for evidence that will lead to the arrest and conviction of the party or parties.

For Young Men and Young Women

There is nothing that will arouse the ire of a young man or woman so quick as to have inferior laundry work put off on them. They may dress ever so well, but if their shirt front or shirt waist is mussed, their neat appearance is spoiled. The Troy Laundry makes a specialty of ladies' and gentlemen's fine work. There can be no better work than is done at the Troy. Leave your orders at Johnson's barber shop.

The Fourth of July celebration here was quite a success; everything was conducted in a quiet and orderly manner. The exercises were held in the large tabernacle, music by the Silverton band, G. E. Hayes orator of the day and Miss Veve Knight read the Declaration of Independence. The baseball game in the afternoon between the B. H. S. of Oregon City, and the home boys was won by the latter, the score being 8 to 9. Seven innings were played and the last one in a regular downpour of rain. The display of fireworks in the evening would have done credit to a much larger place than Canby. The older folks and babies went home tired and happy after the fireworks and the younger element revelled the light fantastic to the music of the Portland orchestra in the city hall till the small hours of the morning.

It always had a beautiful shape and was one of the largest cherry trees in the state and every year, as again this year, loaded with fruit. It is on the place owned by J. P. Gage, but was at one time owned by the late Mr. Corby. The tree was found to be rotten to the core. Thus passeth away the glory of the world.

When the life of Mrs. Ruf was hanging in the balance she used Dr. Pierce's Favorite Prescription and was restored to health. Her experience made her the first friend of the medicine that cured her. Dr. Pierce's Favorite Prescription has no equal in its cures of womanly disease. It establishes regularity, dries the drains that weaken women, heals inflammation and ulceration and cures female weakness.

"Five years ago when my life was hanging in the balance, Dr. Pierce's Favorite Prescription was brought to my home," writes Mrs. Caroline King, Director of German Orphan's Home, residing at 237 Rowan Street, Detroit, Mich. "I took it and it won me back to health. Ever since that time I have been its true friend. We frequently have mothers come to our 'Home' who are suffering with various troubles, inflammation, tumors and ulcerations, and our great remedy for a trouble is Dr. Pierce's Favorite Prescription. We have found nothing so far which would so quickly cure the disease, relieve inflammation and pain. It is a good friend to women."

Catarth of the Stomach.

When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete mucus, instead of the natural juices of digestion. Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh of cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the full size. Ely Brothers, 56 Warren St., N. Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

A Few Hot Weather Suggestions

WE PUT UP AND SELL what we believe to be the BEST HEADACHE CURE in the world. That is a broad statement but we really believe it is true. We are so positive that we guarantee a cure, or your money back without a murmur. The name of our headache remedy is H. & J's HEADACHE TABLETS. The price is Twenty-five cents a box. If you buy them and they don't effect a cure after taking four we want you to come back and get your twenty-five cents. We don't say this because we think you'll want your money back but because we know you won't.

IF YOU ARE TIRED After the ride get a glass of Soda Water. It's just the thing to brace you up. It's made of pure carbonated water flavored with rich fruit juice flavors. Cleanliness is one of the good points about our soda and fountain. You can't expect to get pure soda where everything is untidy.

IF THE HOT WEATHER HAS BROUGHT ON MOSQUITOS, Flies, etc., you can eradicate them with ROACHINE the only goods that

will call insects from their nests and immediately kill them. It kills Roaches, Bed Bugs, Potato Bugs, Flies, Fleas, Lice, Spiders, Ants, Carpet Worms, Fleas on dogs and cats, Lice on horses, cattle, fowls and swine. Price 50 cts. per pint \$2.50 a gallon.

ON GOING TO BED Take half a wineglass full of Nile's Celery Nervine During the day take two or three more doses. In a very short time the blood will be pure; your appetite excellent; your nerves strong; your liver and stomach disorder all gone. It will make the people who take it well and strong. Buy it now. Price one dollar.

THIS IS THE SEASON TO GET READY For Summer Complaint. It is decidedly wiser to pay twenty-five cents in getting ready than suffer great distress and pain and pay big doctor bills by neglect. The way to prepare is to buy a bottle of Blackberry Carminative. Buy it right now. All forms of summer complaint have a disagreeable habit of coming when you are not thinking about them; often they come at night when the doctors are all in bed and the drug stores closed.

The Point We Want to Emphasize Is RELIABILITY

It may sound egotistical to hear a man praise himself but that does not alter facts. A little self pride is all right if it is honest. We ask for your trade with the distinct understanding that we will try harder to give you satisfaction than any other druggist. We are trying hard to make this the best drug store; we don't care to be the biggest but the best.

Damascus

Everything was ready for a grand time at Damascus on the 4th, but oh how it did rain, but nevertheless the Modern Woodmen are not the fellows to be outdone by a gentle Oregon mist. They just went ahead as opportunity would afford and carried out in part their program. Had to abandon their parade, much to the dissatisfaction of the little girls who were to ride the liberty car. The choir sang a few songs and the Park place brass band played a few selections. Miss Ethel Osburn recited the Declaration of Independence and Hon. G. B. Dimick, orator of the day, made a five minutes' talk. It was short, but to the point. He told the people that the Modern Woodmen had agreed to abandon further exercises and would give a harvest picnic sometime in the near future. Hon. Van Voorhees, state deputy for M. W. of A.,

also made a few remarks. Then dinner was announced, and to see the people sitting and standing around in small groups eating their lunch and the gentle Oregon mist pouring down.
