TOLD IN SIDEHEADS.

**Was Not Much Love.**—Frederick D. Love has brought suit for divorce in the Clackamas county circuit court from Elizabeth A. Love to whom he was married in Portland in 1894. Desertion is alleged as grounds for asking that the marriage tie be dissolved. The parties to the suit reside in Portland.

**EXTRA MESSENGER REQUIRED.**—The unprecedented increase of business in the local manufacturing institutions, in addition to the large patronage of this community, has compelled the Western Union Telegraph Company to appoint an extra messenger in connection with the local force. Ralph Green has been appointed.

**DID NOT CORRECT WITH SEWER.**—Alonso Wickham, of this city, was arrested Monday for neglecting to make sewer connections on his property as ordered by the city council. He will have a trial before City Recorder Curry July 29. This is the second arrest within a week of persons under a city ordinance which authorizes the arrest of persons failing to make sewer connections as directed by the city council.

**AUTOMOBILE CAUSES EXCITEMENT.**—A runaway automobile created some excitement in this city at an early hour last Saturday morning. In entering the city over the suspension bridge, the main chain broke and the brake refusing to work, the Portland tourist lost control of his machine which dashed across the bridge and down the steep decline at a terrific rate of speed. It was not until the automobile collided with the stone wall surrounding the Southern Pacific passenger depot, that the horseless carriage stopped. No serious damage resulted to the machine. The name of the owner was not learned.

**WANDERED AWAY FROM HOME.**—Miss Ora Watson, who has been making her home with Mr. and Mrs. R. E. Roberts, of this city, wandered away from home Monday afternoon. Searching parties were formed and a thorough search was made about the city for the missing girl who was not located until Tuesday morning when it was learned that she had been taken in charge by the Portland police authorities. Miss Watson, who is about 20 years of age, is simple minded and was committed to the state insane asylum.

**HE CANNOT FIND THEM.**—Fred Greenman, deputy county clerk, has come for a vacation in the mountains and at the seaside. Fred's friends saw him leave the city armed with a bountiful supply of fishing tackle and bait and suggested that it would be necessary next spring for the state fish commission to replenish the various streams of this locality with trout but Fred thinks the necessity for this action is not so far removed. He declares that there is need for some such action at once and has been for some time for he has always been unable to find any of the elusive trout in any of the streams.

**SOME SCHOOL NOTES.**—The Clackamas county district board at a recent meeting created a new district to be known as District No. 103 from territory belonging to District No. 28, the Concord school district. The building of a school house probably at Oak Grove, which is one of the rapidly developing neighborhoods of the county. As soon as the five remaining districts of the county file their annual reports, County School Superintendent Zinser announces that he will make a disbursement of \$14,170 of school money to the various districts of the county. The time for the filing of these reports by the different districts expired on the 10th inst and if the delinquent districts are to share in the disbursement of this fund, they must hasten and file their reports with the county superintendent.

**WITH THE CITY SCHOOLS.**—At a meeting of the board of school directors Monday night, C. O. T. Williams was re-elected clerk for the ensuing year. W. W. Morris and S. S. Walker were elected janitors, respectively, of the Eastham and Barclay schools. The contract for furnishing school supplies for the year was awarded Chamberlain & Co., whose bid was \$191.26. One other bid was submitted, that of Huntley Bros. for \$202. The newly elected janitors were authorized to oil and varnish the desks in the two school buildings and also the walls in the Eastham building. Repair of the blackboards was also ordered. Chairman Carl was directed to purchase 32 additional desks for use in the schools. It was decided by the board to employ a competent person to prepare plans for water closets to be installed in the two school buildings and the gymnasium.

**INSPECTED ROAD MACHINERY.**—County Judge Ryan, accompanied by Commissioners Brobst and Killin, went to Salem Saturday to inspect a road roller and other road making machinery owned by Marion county. The Clackamas county court expects to purchase additional machinery to aid in the construction of roads in this county.

**CLACKAMAS COUNTY WHEAT.**—J. M. Farner, who lives on the Burns' farm on the West side, called at the Enterprise office Monday morning with a fine sample of Clackamas county wheat that would be hard to surpass. The stalks measured 5 1/2 feet in length and were all headed out well. Mr. Farner expects to harvest one of the largest and best crops he ever raised. His grain is entirely free from all pests.

**FOOT BADLY CUT.**—A young man named Guilford, who is employed in a salignite mill near Musk, met with an unfortunate accident Tuesday afternoon. In attempting to kick away some blocks of wood from beneath a saw, the trousers leg was caught in the machinery and before he could extricate himself, the right foot was almost severed. The wounded man was brought to this city and the physicians think they will be able to save the injured foot.

**WILL PLAY RETURN GAME.**—Arrangements are completed for a return game between the Oregon City and Dayton baseball teams to be played at General Park next Sunday afternoon. The Yamhill county team in the first game was defeated by the locals but have materially strengthened their organization and are expecting to win out in the return contest. A good game is assured. A big river excursion will be run to this city from Dayton and intermediate points.

**TOOK FIFTY CENTS ON THE DOLLAR.**—Judge McBride has adjourned without a day the session of the Clackamas county circuit court. A divorce was granted Bertha Bell from Wm. H. Bell and the condemnation suit of the Oregon Water Power & Railway Company against Mrs. Jennie Hamilton was settled out of court, the defendant receiving \$250 for less than an acre of land for which a previous trial of the case she was awarded \$500 by a jury. A number of other minor orders were made by Judge McBride before court was adjourned.

**CHAUNTAUGUA BASEBALL SCHEDULE.**—The management of the Willamette Valley Chautauqua Association has arranged the following schedule of games to be played during the baseball tournament at the Chautauqua this year: July 14—Sunnyside Woodmen vs. Chenawah; July 15—Schillers vs. Oregon City; July 16—Vancouver Maroons vs. Chenawah; July 17—Oregon City vs. Sunnyside Woodmen; July 18—Vancouver Maroons vs. Schillers; July 19—Oregon City vs. Chenawah; July 20—Vancouver Maroons vs. Sunnyside Woodmen; July 21—Schillers vs. Chenawah; July 22—Schillers vs. Vancouver Maroons; July 23—Oregon City vs. Vancouver Maroons; July 24—Sunnyside Woodmen vs. Schillers. Tribby Rankin, of Portland, has been selected as official umpire for all of the games.

**ANNUAL REPORT LAND OFFICE.**—The annual report of the United States Land Office has been completed. Fourteen counties are embraced in the Oregon City district and the report gives a considerable amount of statistics for each county. The report gives the following statistics as to area in acres unappropriated and unsurveyed: Surveyed, 445,948; unsurveyed, 141,690; total, 587,638, as against 537,289 surveyed; 161,190 unsurveyed; 698,479 total, as shown in the report a year ago. The fourteen counties constituting the Oregon City land district are: Benton, Clackamas, Clatsop, Columbia, Crook, Lincoln, Linn, Marion, Multnomah, Polk, Tillamook, Wasco, Yamhill and Washington. The total area of the land surface of these counties is 7,468,259 acres. The area in acres appropriated last year was 5,675,115, while the acreage under the same classification this year amounts to 5,929,846.

**SOME INTERESTING SURVEYS.**—J. W. Kelly, of this city, is the possessor of some interesting surveys pertaining to Oregon City and residents of this city at an early date. The articles consist principally of dance programs and other relics of social doings in the early '70's. Among them is a program of a social dance given in 1872. The floor managers were: A. Diller, John Wortman, Henry Harding and Theodore Clark. Other committees officiating at the same function were: Honorary committee—Peter Barclay, M. Bliss, E. B. Fellows, and Major Charman; reception committee—A. J. Apperson, J. L. Barlow, Mayor Noltner and C. E. Clark. The printing was all done from a Washington hand press and the program is quite a credit for work performed with such crude machinery. Mr. Kelly also has a copy of the initial number of the Independent, the first daily paper Oregon City ever had. It appeared November 9, 1895, but was short-lived. It survived only a few months.

**HELD ONLY AS WITNESS.**—Bobby C. Eastham, accompanied by his mother, Mrs. P. K. Morey, is on his way from Boston to Portland says a Portland paper. The welcome news was received yesterday in a private dispatch from Mrs. Morey that there was no charge against him for complicity in the Guy L. Hunt case, as had been telegraphed from Boston. The telegram read: "No trouble, held as witness only. Leave for home Monday." The friends and family of Bobby Eastham, while doubting from the first that he had been connected in any way with the Hunt case, were naturally much alarmed when the news of his arrest on the charge of complicity in the Harvard Cooperative store robbery was telegraphed to Portland. It was known, however, that while the boy had been ill with pneumonia at a private residence, he had been hounded by detectives and reporters. Knowing his acquaintance with Hunt, they had tried to force interviews with him on the case. It is supposed in Portland that Eastham's refusal under his physician's orders, to discuss the case led to his arrest for the purpose of holding him as a witness.

**G. A. Harding Will Buy It Back.**—You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. G. A. Harding will refund your money if you are not satisfied after using it. It is every where admitted to be the most successful remedy in use for bowel complaints and the only one that never fails. It is pleasant, safe and reliable.

Mrs. Fred Unrath,  
President Country Club, Benton  
Harbor, Mo.

"After my first baby was born I did not seem to regain my strength although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband insisted that I take Wine of Cardui for a week and see what it would do for me. I did take the medicine and was very grateful to find my strength and health slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

Wine of Cardui reinforces the organs of generation for the ordeal of pregnancy and childbirth. It prevents miscarriage. No woman who takes Wine of Cardui need fear the coming of her child. If Mrs. Unrath had taken Wine of Cardui before her baby came she would not have been weakened as she was. Her rapid recovery should commend this great remedy to every expectant mother. Wine of Cardui regulates the menstrual flow.

**RETURNED TO THE SCHOOL.**—Fred Matson, who escaped from the state reform school last Friday night, was apprehended by Chief of Police Burns in this city Sunday night and returned to the school. Young Matson was committed to the school from Portland and ran away from that institution in company with another lad who was caught in Canby.

**THE BRIDGE COLLAPSED.**—Last Sunday evening an 80-foot bridge over the north fork of the Molalla river about ten miles east of Molalla corners collapsed as Mrs. Noe, of Needy, was driving across the structure. Mrs. Noe and the conveyance were precipitated to the creek bottom about thirty feet below. The horse was killed, the buggy badly demolished, and Mrs. Noe had a narrow escape from serious and possibly fatal injuries. At this season of the year the water in the stream is very shallow and the woman would have been in danger of drowning. County Judge Ryan was notified of the accident Monday morning and left Tuesday to inspect the bridge, which was an old one.

**ASSIGNOR RYAN TAKES CHARGE.**—On Monday Sheriff Shaver turned over to County Judge Ryan, as assignee, the stock, books and fixtures of George T. Howard, who formerly conducted a grocery store in this city. About a month ago, the stock was attached by Sheriff Shaver on an action for money case brought against Howard by M. Michaels. Two weeks later, Mrs. Howard, exercising the right of the power of attorney, made an assignment of the property to Judge Ryan for the benefit of the creditors and since then the rightful possession of the property has been in controversy. Judge Ryan will proceed to close up the estate in the interest of the creditors and thinks the assets of the business will enable the payment of about 60 per cent on all claims.

**Just About Bedtime**  
Take a Little Early Riser—it will cure constipation, bilious and liver troubles. Dewitt's Little Early Risers are different from other pills. They do not gripe and break down the mucous membranes of the stomach, liver and bowels, but cure by gently arousing the secretions and giving strength to these organs. Sold by Geo. A. Harding.

**Thousands Have Kidney Trouble and Don't Know it.**  
How To Find Out.  
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

**What to Do.**  
There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and making pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
