A Great Agency

We Have Secured Control for This City of the Fulton Compounds, the Only Things Known to Medicine That Cure Kidney Diseases in Both the Primary and Secondary Stages.

The kidneys are not sensitive and the disease is sometimes latent and already chronic with the very next symptoms. It has been an eight to ten months it is surely chronic. In either case why take chances? Why not take at first the only thing known that cures kidney disease in the chronic as well as the primary stages. The Fulton Compound, by its powerful and necessary action, for its incurability was doubly confirmed by consulting physicians, and after recovery under the Fulton Compound the recovery was also doubly attested.

On May 1st, 1902, the son of R. C. Pell, the manager of the Pacific Coast Hosiery Company of Second and Polson streets, San Francisco, was declared by the family physician to have chronic kidney disease and in uric acid. Another physician was called in and confirmed the diagnosis. The young boy, who swelled with dropsy, and a fatal termination looked for, the Fulton Compound was first turned to as the only hope. On September 13 the dropsy had disappeared and the boy was well, and after double examinations the physician declared the recovery complete and gave Mr. Pell a written report which we now have.

Judge G. A. Vanhook, the Police Judge of San Francisco, also attests the recovery under his own observation of a friend of his who was recovered when the case chronic Bright's Disease (of the kidneys) was well shown to be incurable according to all medical authorities. Up to the advent of the Fulton Compound medicine knew nothing that would cure kidney troubles after they became chronic. About nine-tenths of all cases are now curable, even after they have developed into the dreaded chronic forms of Bright's Disease and diabetes. No statements are published or printed except from chronic cases that, like the above, are incurable by all other known medicines. If you kidney trouble to recover Fulton's Compound will cure it quickly. It is of over eight to ten months standing it is the only thing known that will save your life. John J. Fulton, 40 1/2 Washington street, San Francisco, sole compounder. Fulton's Royal Compound for Bright's and Kidney Diseases, 41 1/2 Broadway, N. Y. Free trial sent for patients sent for payment.
