Got Off With Light Fine.

EDITOR ENTERPRISE.—It seems to me that the unwarranted beating of a 16-year old boy by a full-grown man is not sufficiently punished by imposing a fine of \$15. The striking of my son, Clarence, by J. W. Jones last Sunday was cowardly in the extreme. A \$15 fine would not appear so insignificant but for the fact that this is the second or third young boy that Jones has struck recently. No one ever heard of Jones attacking a man of his size. Boys are evidently the ones he is after.

A Few Hot Weather Suggestions. WE PUT UP AND SELL what we believe to be the BEST HEADACHE CURE in the world. That is a broad statement but we really believe it is true. We are so positive that we guarantee a cure, or your money back without a murmur. The name of our headache remedy is H. & J's HEADACHE TABLETS. The price is Twenty-five cents a box. If you buy them and they don't effect a cure after taking four we want you to come back and get your twenty-five cents. We don't say this because we think you'll want your money back but because we know you won't. IF YOU ARE TIRED After the ride get a glass of Soda Water. It's just the thing to brace you up. It's made of pure carbonated water flavored with rich fruit juice flavors. Cleanliness is one of the good points about our soda and fountain. You can't expect to get pure soda where everything is untidy. IF THE HOT WEATHER HAS BROUGHT ON MOSQUITOS, Flies, etc., you can eradicate them with ROACHINE the only goods that will call insects from their nests and immediately kill them. It kills Roaches, Bed Bugs, Potato Bugs, Flies, Fleas, Lice, Spiders, Ants, Carpet Worms, Fleas on dogs and cats, Lice on horses, cattle, fowls and swine. Price 50 cts. per pint \$2.50 a gallon. Price one dollar. THIS IS THE SEASON TO GET READY For Summer Complaint. It is decidedly wiser to pay twenty-five cents in getting ready than suffer great distress and pain and pay big doctor bills by neglect. The way to prepare is to buy a bottle of Blackberry Carminative. Buy it right now. All forms of summer complaint have a disagreeable habit of coming when you are not thinking about them; often they come at night when the doctors are all in bed and the drug stores closed. The Point We Want to Emphasize Is RELIABILITY. It may sound egotistical to hear a man praise himself but that does not alter facts. A little self pride is all right if it is honest. We ask for your trade with the distinct understanding that we will try harder to give you satisfaction than any other druggist. We are trying hard to make this the best drug store; we don't care to be the biggest, but the best. HOWELL & JONES RELIABLE DRUGGISTS CHAMBERS HOWELL LINN E. JONES

KIDNEY COLDS Easily Recognized and Easily Cured, as Many Oregon City Folks Know. You've had a cold; so has everybody. Did it ever settle in your back? In the "small" just over the hips? Stay there, with a steady ache. Make life miserable? That's a "Kidney Cold" You can stop it. H. R. McCarver of 291 Cherry St., Portland, inspector of freight for the Trans-Continental Co., a man who is well known among the railroaders of Portland, says: "Doan's Kidney Pills are among the few patent remedies which do all that is claimed for them, and they have my thorough confidence. I used them for backache and other marked symptoms of kidney trouble which had annoyed me for months. I think a cold was responsible for the whole trouble. It seemed to settle in my kidneys. Doan's Kidney Pills rooted it out. It is several months since I used them and up to date there has been no recurrence of the trouble. I have recommended them to a number of the boys about the freight house and I know if they gave them a fair trial they certainly must have been pleased with the results." Plenty more proof like this from Oregon City people. Call at C. G. Huntley's drug store and ask what his customers report. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

HUMANITY OUTRAGED The U. S. Dispensary says, conium PARALYZES the motor nerve; aconite reduces muscular strength; belladonna produces PARALYTIC symptoms; hyoscyamus and stramonium are the same as belladonna; opium lessens the peristaltic motion of the bowels. "Do not exercise any curative influence." Some of these are contained in all of the ancient pile medicines. OF E-RU-SA, the only non-poisonous Pile cure, over 4000 druggists and doctors of the highest standing, say in substance: Dr. L. Griffin in 20 years experience I have no knowledge of any medicine curing piles except your non-narcotic Pile cure. I KNOW IT CURES. J. H. TROUT, M. D., and druggist, Los Angeles. E-RU-SA cures piles or \$50 paid. Worst cases cured with one box. Only reliable up-to-date druggists sell E-RU-SA. Viz: HOWELL & JONES. HUNTLEY BROTHERS. GEO. A. HARDING.

PLUMBING CHARGES man, G. P. A., S. P. Co., Portland, or Edwin Stone, Manager C. & E. R. R., Albany, Oregon. Yours truly, W. E. COMAS, Gen. Pass. Agent. Fully Qualified. The story is told of a man who by some unaccountable blunder by the appointing authority was made judge of a minor court. He could neither read nor write, but that did not give him any uneasiness, although it aroused some fears in the breast of his wife. "What are you going to do when there's any reading or writing comes into cases?" she timidly inquired. "The folks that bring the reading" will read it, and the folks that want the writin' will write it," calmly replied his honor, "or if they can't I shall come mit 'em. All I've got to attend to, Hit ty, is the fiddlin', and I can do that as quick as anybody."

F. C. GADKE THE PLUMBER. Why should a woman separated from her husband be called a 'grace' widow? asked a young man of the antiquary. "The term 'grace' widow," the latter answered, "has nothing to do with the herbage on our lawns. 'Grace' is a misspelling, sanctioned by custom, of 'grace'. In the past, when divorces were rare, a woman separated legally from her husband was called a 'vidua de gratia' by the Roman church, and the French called her a 'veuve de grace'. The meaning of both terms is the same—'widow by grace'. We took the 'veuve' from the French and translated it properly into 'widow,' but the 'grace' was incorporated into our language, misspelling it in the process. You would be technically correct in writing 'grace' instead of 'grace' widow, but it is probable that no one would understand what you meant."—Philadelphia Record.
