Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

WILL BURN COAL OR OIL Southern Pacific Company Will Adopt New Fuel For Its Trains.

There will be no more engines on the main line of the Southern Pacific railroad burning wood, says Wednesday's Salem Statesman. The engine that pulled the overland past Salem and down to Portland on Monday evening was the last one. That engine was taken to the shops yesterday and will be converted into a coal burner.

The freight engines on this section of the road, and the engines on the branch lines, most of them, will burn wood for a time yet—a few of them, possibly, for a long time. But there will be no more wood cinders to get into the eyes of the passengers on the main line.

It was rumored in railroad circles that the Albany local was to be drawn by an oil burner. But this will not be, for the present. The engine drawing this train will burn coal.

The coal will come from Bellingham Bay in Washington, until a more convenient supply may be had.

It is likely that oil burners will finally be put on this division, as on the California and other southern sections of the road. Some of the engines burning oil now come as far north as Astland, and a tank for the storing of the crude oil will soon be established there. So far the oil is secured there from tank cars.

A Letter to Dr. Pierce is the First Step to Health for Weak and Sick Women.

Sick women are invited to consult Dr. Pierce, by letter, free, and under seal of the strictest privacy. In a little over thirty years of practice as chief consulting physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., Dr. Pierce, assisted by his staff of nearly a score of physicians, has treated and cured over half a million women. Address Dr. R. V. Pierce, Buffalo, N. Y. Offers of "free medical advice" made in imitation of Dr. Pierce's offer of free consultation by letter are advertised by persons who are not physicians, and are not qualified to give medical advice. Every woman should consult her own safety by careful inquiry into the genuineness of such offers.

There is no offer similar to Dr. Pierce's, which has behind it an institution of national note, such as the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., with its staff of nearly a score of physicians, presided over by a specialist of Dr. Pierce's experience and success, in the treatment and cure of diseases peculiar to women.

How Other Women Have Been Cured.

"I suffered untold misery for many years with uterine trouble," writes Mrs. Mary E. Wilcox, of Reno (Rainy River), Algona Co., Ont., "until I commenced taking Dr. Pierce's good medicine and used the local treatment as advised. I took two bottles of 'Favorite Prescription' and two of 'Golden Medical Discovery.' I also sent for one box of your 'Antiseptic and Healing Suppositories.' I have only used two and that was two months ago. I would advise every woman who suffers from ulceration of the uterus and piles to use Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery.' They are the best medicines in the world. Also write to Dr. Pierce for his fatherly advice. I have felt better in these past seven months than I have for years. Every month I used to have to go to bed and have hot poultices and take laudanum to ease the pain. I don't go to bed now nor do I take laudanum."

"I have used your medicine as you directed," writes Mrs. Caroline Hammac, of Hammac, Escambia Co., Ala. "I have only used one bottle of Dr. Pierce's Favorite Prescription and in connection I used one bottle of 'Golden Medical Discovery.' Six doses a day, three of each, and sometimes I used the tablets as you directed. I feel well. I am hard at work and have been for some time. I had been under a good doctor five years for this same disease and you see how quick your medicine cured me."

"About a year ago I had a mishap which left me in very poor health for some time afterward," writes Mrs. Cene Johnson, of Gordon, Sheridan Co., Neb. "I employed a local doctor but got only temporary relief, until I commenced using Dr. Pierce's medicine, which I did after consulting you. I am now as well as ever. I took five bottles of the 'Favorite Prescription' and one of the 'Golden Medical Discovery.' I would recommend these medicines to all who suffer as I did."

If you are sick or ailing take advantage of Dr. Pierce's offer of free consultation by letter and write today to Dr. R. V. Pierce, Buffalo, N. Y.

Young Plants

Every farmer knows that some plants grow better than others. Soil may be the same and seed may seem the same but some plants are weak and others strong. And that's the way with children. They are like young plants. Same food, same home, same care but some grow big and strong while others stay small and weak. Scott's Emulsion offers an easy way out of the difficulty. Child weakness often means starvation, not because of lack of food, but because the food does not feed. Scott's Emulsion really feeds and gives the child growing strength. Whatever the cause of weakness and failure to grow—Scott's Emulsion seems to find it and set the matter right.
