No external application is equal to this liniment for stiff and swollen joints, contracted muscles, stiff neck, sprains and rheumatic and muscular pains. It has also cured numerous cases of partial paralysis. It is for sale by G. A. Harding, druggist.

Working Overtime.

Millions are always at work, night and day, curing indigestion, biliousness, constipation, Sick Headache and all Stomach, Liver and Bowel troubles. Easy, pleasant, safe, sure. New Era.

We are having too much rain. There is a great deal of grain yet unthreshed in this vicinity and some of it is in a very bad condition on account of the wet weather. Potato digging will be the order of the day in about two weeks, with a very fine crop to harvest. George Randall and son finished picking their fine crops of hops last Friday. The job lasted about eleven days with a full crew of pickers. The price in Clackamas county seems to be forty cents per box for picking. A great many people from this vicinity are going to attend the State Fair next week. Your correspondent hopes they will enjoy their trip after their hard Fall's work. Geo. Randall's two daughters start for school in Salem the 29th. George Jr., starts later, after Fall work is over. The late rains are making a great deal of fruit fall from the trees. There will be a good many fat hogs as well as cattle put on the market this Fall from this part of the country. Mrs. Frank Gutperlet presented her husband with a pair of twin babies, a son and a daughter. This accounts for Frank's broad smile.

Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, our risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach. Mr. S. S. Bell, of Ravenswood, W. Va., writes: "I was troubled with sour stomach for twenty years. Kodol cured me and we are now using it in milk for baby."

Kodol Digests What You Eat. Kodol only. \$1.00 Size holding 2 1/2 times the trial size, which sells for 50 cents. Prepared by E. G. DeWitt & Co., CHICAGO

Molalla.

Grain in the shock has sprouted to some extent and grain stacked in bad shape shows up from threshers in a sorry condition. A drying wind and sunshine may redeem many thousand bushels yet from loss but the favorable conditions will have to set in soon before the natural law of germination dooms the golden sheaves to a shroud of green.

The largest farmer on the Molalla has 100 acres of grain standing out in the shock and as much more yet to harvest. Threshing crews move about over hills and narrow grades with extreme difficulty.

Some few started to the State fair from this locality Monday; others will probably go later in the week.

The papers have it that Perry is going in to try for the North Pole again. Now Molalla has a "Perry" that may come in some day with a fine picture of the North Pole if he continues to widen out his horizon for views.

A Communication.

Mr. Ennon—Allow me to speak a few words in favor of Chamberlain's Cough Remedy. I suffered for three years with the bronchitis and could not sleep at nights. I tried several doctors and various patent medicines, but could get nothing to give me any relief until my wife got a bottle of this valuable medicine, which has completely relieved me.—W. S. BROCKMAN, Bagnell, Mo. This remedy is for sale by G. A. Harding, druggist.

Howell, of Houston, Tex., says "No better pill can be used than Little Early Risers for constipation, sick headache, etc." Sold by G. A. Harding.

For Young Men and Young Women.

There is nothing that will arouse the ire of a young man or woman so quick as to have inferior laundry work put off on them. They may dress ever so well, but if their shirt front or shirt waist is mussed, their neat appearance is spoiled. The Troy Laundry makes a specialty of ladies' and gentlemen's fine work. There can be no better work than is done at the Troy. Leave your orders at Johnson's barber shop.
