Ashburnham, Ontario, Testifies To the Good Qualities of Chamberlain's Cough Remedy.

Ashburnham, Ontario, April 19, 1903  
—I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think to be able to take any duties the next day as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your cough remedy. I at once procured a sample bottle, and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to your cough remedy. I make this testimonial without solicitation, being thankful to have found such a God-sent remedy.

**Dragging Pains**

2925 Kelsey St., Chicago, Ill., Oct. 2, 1902.

I suffered with falling and congestion of the womb, with severe pains through the groins. I suffered terribly at the time of menstruation, had blinding headaches and rushing of blood to the brain. What to try I knew not, for it seemed that I had tried all and failed, but I had never tried Wine of Cardui, that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. Now blood seemed to course through my veins and after using eleven bottles I was a well woman.

*Maudie Orisk*

Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.

Barlow.

C. G. Tull left Wednesday for Everett, Washington, where we understand he expects to start up in business. We are sorry to lose Mr. Tull, but we wish him the best of success in his new undertaking.

D. O. Freeman

was transacting business in Portland Wednesday.

R. R. Bratton

and D. J. Parmentor were returning from Canby Sunday evening and had just entered the bridge, when some one from behind them fired two shots at them. They extinguished the light they were carrying and got out of the bridge as quickly as possible, and reached home without anything very serious happening to them. It is not known whether this was any one with evil intention or some one thinking it would be fun to frighten these gentlemen, but whichever it may be it was a very mean, cowardly act and deserving of severe punishment.

W. S. Toll left Wednesday for Portland, where he will become an inmate of the hospital at that place. Mr. Toll has been a sufferer from stomach trouble for some time, but has been unable to get anything to give relief. We hope he has now found a cure and will return to us well and strong.

The Barlow Grange

will give a Christmas tree at Columbia hall Christmas Eve, Dec. 24. This is going to be something very amusing, as both old and young will contribute to the programme. All come and have a good time.

For Young Men and Young Women.

There is nothing that will arouse the ire of a young man or woman so quick as to have inferior laundry work put off on them. They may dress ever so well, but if their shirt front or shirt waist is mussed, their neat appearance is spoiled. The Troy Laundry makes a specialty of ladies' and gentlemen's fine work. There can be no better work than is done at the Troy. Leave your orders at Johnson's barber shop.

staffed.

There is not much news or chance to gather much these rainy, sloopy days. People even come and go at the postoffice solemnly and silently.

Some have their potatoes secured, hogs etc. killed and some plowing done, while the great majority are like the Irishman who claimed to be three-handed, viz., right-handed, left-handed and a little behind-hand.

Charlie Borland is moving down to Chas. Borland's where his family will stay this winter. His wife is reported as not much better.

The Stafford Brass Band are getting along fine under their able teacher, Prof. Smith, of Portland, who comes out to Mr. Fredrick's and teaches the class for \$5.00 a lesson.

Mrs. Holton and little girls, of St. Helen's, returned to their home Tuesday, after a week's pleasant visit with her parents. Mr. and Mrs. Gage.
