MANY PEOPLE Suffer with HEADACHE and DISEASE often have the difficulty traced to eye defects. The visual centers are in the closest connection with the brain centers, consequently the slightest disturbance of vision produces sympathetic irritations in the entire system. If your trouble is due to this cause I will frankly tell you. It costs you nothing to find this out as I make no charge for EXAMINATION. Have your children's eyes attended to as many are obtaining their education at the expense of their general health. I grind my own LENSES for each case and repair broken LENSES at a moderate charge.
