Dropsy is caused by disease of the heart, liver or kidneys, and its treatment has been very unsuccessful, After fifteen years of profound investi-

gation and experience, Dr. Franklin Miles has perfected a remarkable treatment. It is composed of three important treatments and is called the Grand Among the chief symptoms of dropsy,

are shortness of breath, swollen feet or ankles, limbs or body, and in bad cases cough, fainting and smothering spells.
So remarkable are the cures effected by this new treatment, that the Doctor does not be sitate to send \$3.75 worth of his Grand Dronsy Cure free as a trial. Every afflicted person should try a

treatment which has cured hundreds of cases that had been pronounced incurable by from three to eighteen leading physicians. Mr. H. E. Cole, 144 Sherman Ave., Alleghency, Pa., writes: "Under your treatment Mrs. Cole gained rapidl and n w is as well asever, though ill a dozen years and often at death's door. Her case had been given up as fatal by 6 lo-cal doctors."

J. R. Abrams, Benton Harbor, Mich., reports: 'I had a serious heart trouble and dropey. Obtaining no relief from local physicians I consulted Dr. Miles and now am well."
Mrs. Edward Alkey, Forest Hill, Pa., states: "My home doctors did not help

me and thought I would soon die. Since taking your Special Treatment can truly say I am well." Mrs. D. W. Gardner, Huntington, Ind.; Mrs. M. B. Morelan, of Rogers, O.; Julius Keister, Chicago, and hundreds of

others were cured of dropsy after being given up as beyond help. A thousand references to, and testimonials from bishops, clergymen, bankers, farmers and their wives will be sent

free on request. Send at once to Franklin Miles, D., L.L. B. Grand Dispensary, 513 to 523 Main St., Eikhart, Indiana, for free treatment. Please mention this paper.

Wm. S. Crane, of California, Md., suffered for years from rheumatism and lumbago. He was finally advised to try Chamberlain's Pain Balm, which he did and it effected a complete cure. For sale by G. A. Harding.
