Deputy Sheriff E. C. Hackett
has received news of the appoint-
ment of his brother, A. J. Hackett,
of McComb, Mississippi, as land and
Industrial commissioner for the Memphis
and Gulf Railroad Company. The ap-
pointee was formerly a resident of this
city, and for the last ten years has been
employed in a similar capacity with the
Illinois Central Railroad Company.

The Clackamas county court this week
ordered expended a considerable sum of
money for the repair of plank roads
throughout the county. Because of a
lack of funds, road work was largely sus-
pended in this county last year but the
county court will this year make double
efforts to have the thoroughfares of the

county placed in first class condition.
Needed improvements to the high bridge
over the Clackamas river were also or-
dered.

Miss Lucia Cochran entertained a
number of her friends on Wednesday
evening at her home on Liberty street,
in honor of Miss Ethel Albright, of Ore-
gon City, who was spending a few days
with her. It was just an informal gath-
ering of the young people to spend the
evening, and the time was passed mer-
rily in the jolly game of Pit. Guessing
contests and other games were also in-
cluded in until a late hour, when dainty
refreshments were served.—Salem States-
man.

The Cataract Hose company met Tues-

Those desiring to spend a most deli-
cious evening will make no mistake in
reserving for that purpose the night of
Washington's birthday, February 22,
when the members of Columbia Hook
and Ladder Company of this city will en-
tertain their many friends at an annual
ball that will be given at the Armory
hall. Everest's full orchestra, under
the personal direction of Mr. Everest,
has been engaged and will furnish all
that can be asked in the way of engag-
ing music. The firemen always did
know how to entertain but they are go-
ing to perform the service this year even
better than they have ever done before.

The Women's Lewis and Clark Club
met at the home of the president, Mrs.
G. A. Harding, Tuesday afternoon, with
a good attendance of the members. Con-
siderable interest was manifested in the
coming Red Men's Sacajawea benefit,
and the ladies will help the attendance
in any possible way. Mrs. Dytalked to
those present on Sacajawea, and was lis-
tened to with interest. Mrs. J. R. Hum-
phrys sang two songs, which were well
received. Mrs. M. M. Charman gave a
number of reminiscences concerning pioneer
life in this state and an account of
the crossing of the Isthmus in the early
days. The ladies decided to make the
first Tuesday in each month the regular
time for meeting.

In Recorder Curry's court Wednesday
morning, L. D. Teagle was tried for
assault on Mrs. Lizzie Smith, a resident
of Falls View. When the Teagles were
moving out of the house occupied by
both them and the Smith family, Mrs.
Smith accused Teagle of taking things
not his own, and a fracas followed. It
seems all the swearing and most of the
fighting was done by the two women,
but finally Teagle interfered, presum-
ably with a view of separating them, but
scratched Mrs. Smith's face and broke
her glasses. The testimony of witnesses
was so conflicting that no conviction
could be secured, and Teagle was re-
leased. A good deal of language both
expressive and unprintable was used by
the contending women, and they were
admonished by Recorder Curry to do
away with neighborhood rows in future.

\$100 Reward, \$100.

The readers of this paper will be
pleased to learn that there is at least one
dreaded disease that science has been
able to cure in all its stages, and that is
Catarrh. Hall's Catarrh Cure is the
only positive cure now known to the
medical fraternity. Catarrh being a
constitutional disease, requires a constitu-
tional treatment. Hall's Catarrh Cure
is taken internally, acting directly upon
blood and mucous surfaces of the system,
thereby destroying the foundation of the
disease, and giving the patient strength
by building up the constitution and as-
sisting nature in doing its work. The
proprietors have so much faith in its
curative powers that they offer One
Hundred Dollars for any case that it fails
to cure. Send for list of testimonials.

John Shannon was in from Beaver
Creek Wednesday. He is supervisor of
roads for their district, and says the roads

mand. He thinks, too, that the extra
money levied for schools could be spent
on the roads to better advantage and
would result in greater benefits to all. It
is quite possible that this school-tax
proposition may have been carried too
far. Time will tell.
