The Building SEASON Will Be Lively

We have provided plenty of building material, such as doors, windows, hardware, wall paper, paints and oil. Some unscrupulous persons will claim that they can buy doors and windows cheaper in Portland than in Oregon City, but we say no; bring your list of doors and windows and our figures will prove what we say.

We only invite cash buyers, as we will not sell building material on credit.

We want you to be sure of how the paper will look on your walls. Do not make the mistake of pasting it on and regretting afterwards. Use judgment in selecting. Use care in buying. Our stock is large enough to afford you just the right paper. You dont have to send east for your paper.

We have remnants of good paper which will be sold at 5c pe double roll as long as it lasts.
