An Old Resident

Israel Rivers died at his home at Eagle Creek, Oregon, Tuesday morning at 9:50 a. m. March 24, 1904, after a severe illness of two weeks, caused by an abscess on his side.

He was tenderly cared for by his family during his illness; doctors were summoned and all done that was possible to restore the old gentleman to health, but all in vain, death claimed him for its victim.

The funeral was held at the residence Wednesday, March 23, conducted by the Rev. Mr. Rich, pastor of the Christian church of which Mr. Rivers was a member. Interment was made in the Eagle Creek cemetery.

Mr. Rivers was born in St. Lawrence county, New York, October 27, 1827, where he spent his childhood until eleven years old, then he moved with his parents to Quebec, Canada.

In June 1843 he was married to Miss Maria Clapp, of Quebec, and in 1850 they went to Grand Rapids, Michigan, where he was engaged in lumbering for several years, thence to Senka, Kansas, and from there to Oregon.

Mr. Rivers and family crossed the plains with teams, starting from Senka in 1860 and arrived in Oregon, October 1867. They spent several months in Boise City, Idaho, recruiting strength as the journey was a long and dangerous one at that time.

Twelve children were born to them eleven of which grew to be men and women. He leaves an aged widow and nine children to mourn his loss, besides twenty-eight grandchildren and eleven great grandchildren.

The family has the sympathy of their many friends in the loss of the husband and father.

But he that giveth must taketh away; blessed be the name of the Lord.
