

# ENTIRE TICKET RENOMINATED

## Clackamas County Republicans Hold Their Bi-Ennial Convention.

### BROWNELL MASTER OF CEREMONIES

#### Captured Congressional Delegation for Himself-- Everything Went "According to Programme"--- The Platform Adopted.

Representatives—C. G. Huntley, Oregon City; Frank Jaggard, Carns; J. N. Bramhall, Bull Run.

Commissioner—T. B. Killin, of Killin.

Sheriff—J. R. Shaver, Molalla.

Clerk—F. A. Sleight, Canby.

Treasurer—Enos Cahill, New Era.

Recorder—Henry E. Stevens, Milwaukie.

Assessor—J. F. Nelson, Mulino.

Surveyor—John W. Meldrum, Oregon City.

School Superintendent—J. C. Zinser, Oregon City.

The above ticket was named by the Clackamas county Republican convention in this city Wednesday. Without a single exception the entire county ticket was renominated, although the nominations of Commissioner Killin, Superintendent Zinser and Coroner Holman were contested. C. G. Huntley, of this city, was renominated for representative and the other representatives are: Frank Jaggard, of Carns, and J. N. Bramhall, of Bull Run. A Hermann-Brownell congressional delegation was named and the state delegation, elected by acclamation, was instructed by G. B. Dimick, of Oregon City, for presidential elector; C. H. Dye, of Oregon City, for joint representative with Multnomah; Circuit Judge T. A. McBride and Prosecuting Attorney H. A. Allen, of the Sixth Judicial District. Ernest P. Rands, of Oregon City, was the unanimous choice of the delegates for chairman of the county central committee to succeed J. U. Campbell.

#### NOT ON THE "PROGRAMME."

Senator Brownell was chairman of the convention, while F. T. Griffith and G. B. Dimick were secretary and assistant secretary respectively. Business was carried through with a whoop. During the proceedings, one number, not on the "programme," was introduced with disastrous results to the purpose it was intended to serve. It was a resolution, presented by R. Scott, of Milwaukie, in-juring State Food and Dairy Commissioner J. W. Bailey for renomination. J. U. Campbell objected to the favorable consideration of the resolution for the reason that he considered the delegation to the state convention, which was instructed by the resolution to work for Bailey's renomination, should go entirely unopposed and have the right to support such candidates for the different nominations as they considered would best serve the interests of Clackamas county and the state of Oregon. His motion prevailed and the resolution was referred to the committee on platform and resolutions.

The following delegates were elected to attend the Congressional convention at Salem:

J. C. Bradley, Henry Hornschuch, George C. Brownell, B. Greaves, George W. Prosser, J. U. Campbell, W. S. Ryder, W. H. Howell, James Dickey, C. B. Smith, John Henth, Bud Thompson, D. W. Kinnaird, Ernest Rands, T. F. Ryan, Frank McGinnis, L. E. Williams, Ed E. Taylor.

In reporting that part of the convention proceedings relating to the naming of the Congressional delegates, the Oregonian correspondent had the following:

#### WHAT BROWNELL WANTS.

"When nominations were called for delegates to the Congressional convention and J. U. Campbell appeared with printed slips containing the names of 24 members of the county convention from which 18 delegates were to be selected. Upon motion the printed lists were adopted as the official ballots, and the delegates were instructed to ballot for only 18 of the two dozen.

"B. J. Huntington, of Portland, who held a proxy in the convention from Estacada, at this point was recognized on a question of privilege. He asked the convention to exercise much deliberation in selecting a Congressional delegation that in event an opportunity was offered, Clackamas county might prove an element in naming the candidate. He concluded his remarks by referring to the possibility of naming Brownell for the place if the delegation was properly constituted. In the midst of his remarks Huntington was interrupted by Campbell, who inquired of the chair if there was not a motion before the house.

"If the gentleman please, I asked for a question of privilege," sharply retorted the Oregon Water Power Company's representative, and having been recognized by the chair, I have the right to the floor. If the gentleman has any knowledge of parliamentary law he knows that I am entitled to the floor." Campbell gave way and Huntington concluded his remarks briefly along a similar strain.

"I am not a candidate for Congress in the sense that some people think, responded Brownell to the flattering endorsement he had received. I want men on the delegation who are square. If the Congressional convention nominates Hermann, all right. If it nominates some other candidate, all right. I want on the delegation, repeated the chairman, men who, if the time should come, would not be so everlasting mean that if such a condition should be presented, they will get into a corner, scratch their back and say that they would not vote for Brownell under any circumstances." The balloting for the delegation proceeded and the members, with but few exceptions, are known to be personal friends of Brownell's.

"Later in the convention Brownell interrupted the proceedings and requested any member of the Congressional delegation who found that he would be unable to attend the convention to give his proxy to some other member of the delegation already elected.

"Otherwise, some outsider might get

the proxy who might be more friendly to Harris than to myself," reasoned the chairman."

#### TO STATE CONVENTION.

The delegation to the state convention is as follows: C. A. Miller, N. Blair, W. W. Smith, G. E. Hayes, E. E. Judd, H. W. Trembath, George C. Brownell, J. U. Campbell, J. L. Kruse, C. G. Huntley, J. C. Bradley, T. F. Ryan, C. Schuebel, G. B. Dimick, S. F. Carl, E. H. Burghardt, J. W. McKay, Frank Talbert.

#### REPRESENTATIVES ARE NAMED.

There was a lively contest in the naming of three representatives although it required but a single ballot to determine the successful nominees. The names as presented to the convention and the vote of each was: C. G. Huntley, Oregon City, 117; Frank Jaggard, Carns, 111; J. N. Bramhall, Bull Run, 73; W. H. Smith, Parklact, 65; F. M. Gill, Garfield, 31; Hans Paulsen, George, 24.

#### COUNTY OFFICERS NOMINATED.

The fight against Commissioner T. B. Killin, for renomination, did not amount to much in the convention. Mr. Killin was opposed by Ed Barnett, of Eagle Creek, and J. H. Wewer, of Sandy. The vote was: Killin, 104; Wewer, 22; Barnett, 16.

Sheriff Shaver, Clerk Sleight, Treasurer Cahill, Recorder Stevens, Assessor Nelson and Surveyor Meldrum were all renominated by acclamation, a splendid endorsement of the efficient administration of their respective departments of the county government. The favorable standing of this group of officers throughout the county was attested by the numerous seconding speeches each candidate received when his name was presented to the convention.

What promised to be the most interesting contest in the convention was in the nomination of a school superintendent but this proved a disappointment. For a time the fight was a three-cornered one, but Geo. L. Story, of this city, who did some good electioneering for himself during the forenoon of convention day, withdrew from the race which was easily won by Superintendent Zinser, the vote being: Zinser, 110; Winches, 26.

At the last minute a scrap was put up for the nomination of coroner. R. L. Holman, of this city, the present incumbent, won out over Dr. Sommer by a vote of 77 to 67.

Livy Stipp was renominated for justice of the peace for the Oregon City district. H. S. Moody was not a candidate for renomination as constable and H. W. Trembath was named for that place.

After the naming of precinct committeemen and candidates for justices of the peace and constable, the convention adjourned about 5 o'clock in the afternoon.

#### THE PLATFORM.

We, the Republican party of Clackamas county in convention assembled note with pride and pleasure the advancement, prosperity and progress of the nation under and by virtue of the policies of the Republican party.

We endorse the aggressive and broad statesmanship of Theodore Roosevelt and hereby demand his renomination for President of the United States.

We endorse and commend the action of President Roosevelt in creating a precedent for the settlement of labor disputes by arbitration.

Whereas, we have watched the course of Hon. John H. Mitchell and Hon. C. W. Fulton, in their efforts to develop material interest of the State of Oregon and the North Pacific Coast and Whereas, we have reviewed with pleasure their strong support of a canal across the Isthmus, which canal when built and constructed will be the greatest monument, next to the abolishment of human slavery, of the Republican party, and Whereas, we have viewed with satisfaction the able manner in which these two members of the Senate of the United States are representing the state of Oregon and the Northwest.

Therefore be it resolved that we hereby endorse their course in the Senate and appreciate their public service in the state and the Nation at large.

Resolved that we endorse the primary law which is to be voted upon at the June election and hope that it may become a part of the statute law of the state of Oregon, sincerely believing that the greater participation the voters can take in governmental affairs will be of larger benefit to good government and our delegates to the state convention are hereby instructed to introduce and advocate the adoption by the convention of a resolution recommending the primary nominations bill to the people of Oregon for their approval.

We carry all the different styles of OLIVER PLOWS and extras, at the same price you will have to pay in Portland.

#### The Ingenious Naggle.

The naggle is nothing if not ingenious. He always barricades his bulky nest with thorn branches so that to plunder it is by no means an easy matter, but when circumstances oblige the "naggle" to build in a low bush or hedge—an absence of lofty trees being a marked feature of some northern localities—he not only interlaces his home, but also the entire bush, in a most formidable manner. Nor does he stop here. To "make assurance doubly sure" he fashions a means of exit as well as an entrance to the castle, so that if disturbed he can slip out by his back door, as it were.

## Your Doctor's Judgment

In time of sickness, what a comforting reliance you always place upon the doctor's judgement. How implicit is your faith in the care and exactness with which he writes the prescription. ### Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail from Dr. Kilmer's Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mining Stock For Sale.

The Oregon and Alaska Molybdenum Mining Company,

of Oregon City, has placed \$3000 of its treasury stock on the market to be sold at par, or 25 cents per share, to aid in developing its molybdenum mine, situated near Skagway in Alaska. The management are confident that this sum in addition to a like amount already spent for that purpose, will carry the development to a point which will assure the practical working of the mine. Stock may be procured at the above price from V. B. Hyde, in the Barclay Building, Oregon City.
