permission.

Mrs. Poter Geyheaix of 986 Fillmore street, San Francisco, became alarmingly dropsical. Her physician had finally to tap her every few days. She was tagged nearly forty times and grew worse from day to day. The physician finally told her husband that she had Bright's Disease of the Ridneys, that it was in an advanced chronic suck and beyond medical sid. Her heart also gave her the usual trouble and she was it made acrous condition the relatives were sent for. They put her on Fulton's Compound. It stayed on the stomach, the first thing that had done so for a week. The second week the dropsy declined a little and the improvement was then gradwal till her recovery was complete. This case was examined into by representatives of the San Francisco Star and the Overland Monthly, and the genuineness of the case and the recovery were fully attested in their columns.
