Because We Buy and Sell More Merchandise at retail than any other firm in Oregon City. We buy more because we sell more, and we sell more because we sell cheaper. And we sell cheaper because we buy cheaper. Because We Buy for Cash Only. We are wedded to no factory or manufacturing concern. We buy for cash, and where we can buy to the best advantage. Because We Sell at One Price Only. We give no discounts, no rebates, no private arrangements of any sort, to any one. A child can buy here as safely as an expert. Because We Refund Money, It's your great at Safeguard. Whenever you do not like your purchase you can get your money back, quick as a wink at this store. Because We Give Quick Service, quick deliveries, and are quick in adjusting claims without lengthy arguments. Because We Have a Smaller Expense Ratio than any other store that we know of, and can, therefore, afford to sell cheaper. The larger the business, the smaller the expense percentage, and that means lower prices for you.

Because We Are Attending to Our Own Business. "With malice toward none, and charity for all," we look straight ahead and attend to our own affairs. We are not jealous of competing stores; we do not hope for nor do we predict the failure of others; we have no desire to plant the ascending star of our success in place of the descending star of another store, but are happy to live and let live. Because We Do Not Misrepresent in the store or out of the store, and we do not permit our employees to do so, either. We say what we mean, mean what we say, and live strictly up to the letter and spirit of our advertisements. Because We Permit No One to Undersell Us. We consider it our special mission to sell "Better goods for the same money, or the same goods for less money," than other stores, and, come what may, we will fulfill this promise. Because We Sell No Eastern Job Lots, Auction Remnants or Factory Seconds. Because We Sell for Cash Only. Our customers are not asked to pay an additional profit to cover cost of goods sold to others who never pay.

Shoes. If there is any one thing more than another which brings comfort to humanity, it is Dr. Reed's Cushion Shoe. This shoe was invented by Dr. A. Reed, a leading chiropodist of St. Joseph, Mo., who has effected many cures by the use of it. He says it is almost impossible to cure any of the ailments of the feet without first removing the cause, viz.: the hard sole of the ordinary shoe. The invention has for its prime object the production of a shoe to be worn by persons who suffer from corns, bunions, ingrowing and club nails, tender, burning feet, enlargement of the metatarsal and metacarpal joints—in fact, all the ailments the feet are heir to. This shoe, however, is designed not alone for those who are troubled with the various ailments mentioned, but is being worn by thousands who desire to keep their feet in perfect condition. The best shoe ever made for hot, cold, damp, aching, sore, tired, tender, perspiring feet. Dr. A. Reed's Cushion Shoes make sidewalks and hard floors feel like velvet carpet to the feet. Because this great medicine relieves stomach pains, frees the constipated bowels and invigorates the torpid liver and weakened kidneys. Families living in the country, miles from any physician, have been kept in health for years with this medicine as their only doctor. For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. This is called Catarrh of the Stomach. Another club woman, Mrs. Haule, of Edgerton, Wis., tells how she was cured of irregularities and uterine trouble, terrible pains and backache, by the use of Lydia E. Pinkham's Vegetable Compound. "DEAR MRS. PINKHAM:—A while ago my health began to fail because of female troubles. The doctor did not help me. I remembered that my mother had used Lydia E. Pinkham's Vegetable Compound on many occasions for irregularities and uterine troubles, and I felt sure that it could not harm me at any rate to give it a trial. "I was certainly glad to find that within a week I felt much better, the terrible pains in the back and side were beginning to cease, and at the time of menstruation I did not have nearly as serious a time as heretofore, so I continued its use for two months, and at the end of that time I was like a new woman. I really have never felt better in my life, have not had a sick headache since, and weigh 20 pounds more than I ever did, so I unhesitatingly recommend your medicine."—MRS. MAY HAULE, Edgerton, Wis., Pres. Household Economics Club. —\$5000 forfeit if original of above letter proving genuineness cannot be produced.
