Because We Buy and Sell More Merchandise at retail than any other firm in Oregon City. We buy more because we sell more, and we sell more because we sell cheaper. And we sell cheaper because we buy cheaper. Because We Buy for Cash Only. We are wedded to no factory or manufacturing concern. We buy for cash, and where we can buy to the best advantage. Because We Sell at One Price Only. We give no discounts, no rebates, no private arrangements of any sort, to any one. A child can buy here as safely as an expert. Because We Refund Money. It's your great safeguard. Whenever you do not like your purchase you can get your money back, quick as a wink at this store. Because We Give Quick Service, quick deliveries, and are quick in adjusting claims without lengthy arguments. Because We Have a Smaller Expense Ratio than any other store that we know of, and can, therefore, afford to sell cheaper. The larger the business, the smaller the expense percentage, and that means lower prices for you.

Because We Are Attending to Our Own Business. 'With malice toward none, and charity for all,' we look straight ahead and attend to our own affairs. We are not jealous of competing stores; we do not hope for nor do we predict the failure of a store; we have no desire to plant the ascending star of our success in place of the descending star of another store, but are happy to live and let live. Because We Do Not Misrepresent in the store or out of the store, and we do not permit our employees to do so, either. We say what we mean, mean what we say, and live strictly up to the letter and spirit of our advertisements. Because We Permit No One to Undersell Us. We consider it our special mission to sell 'better goods for the same money, or the same goods for less money,' than other stores, and, come what may, we will fill this promise. Because We Sell No Eastern Job Lots, Auction Remnants or Factory Seconds. Because We Sell for Cash Only. Our customers are not asked to pay an additional profit to cover cost of goods sold to others who never pay.

CORRESPONDENCE

Correspondents are requested to re-new their work. We will furnish all necessary stationery. The news from your neighborhood should appear in these columns every week.

Carus. The pupils of the Carus school will give an exhibition at the school-house Saturday evening, May 4th. The program consists of songs, recitations, dialogues, instrumental selections, etc. All are invited. Ladies are requested to bring a pie, or a basket, which will be sold at auction. The proceeds will be used to buy new books for the school library.

Viola. Anglers in Clear creek near Viola catch only appetites. William Sears and family expect to leave Viola, and may locate in Estacada. H. O. Hillingsworth and wife and boy George, of Redlands, visited at the Yenny home on Sunday. A coyote killed eleven sheep for Ed Hughes a few nights ago. He was seen on the premises, and did not seem to have much fear of dog or man.

Mulino. Katie Daniels, who has been ill, is better. P. P. Murphy is cutting wood for the school house. P. A. Woodside made a flying trip to Oregon City last week. School is progressing finely under the supervision of Miss Kennedy. Miss Ethel Carlisle, of Oregon City, is visiting at the Davis home this week. Mrs. Katie White is visiting her father, who has been dangerously ill for some time. Mr. and Mrs. Turner have moved to the home of Mr. John Evans for an indefinite time. Rev. Wiles is having some slashing done on his new place, which is a great improvement. Mr. and Mrs. Wallace and daughter, Eva, spent a few days in Oregon City last week. Mr. Wallace took down a load of potatoes, for which he received the top price of \$1.25 per 100 pounds.

Garfield. Earl Wagoner got his hand hurt Monday in the saw mill. Mrs. E. Horner and S. Palmateer went to Portland Monday. Mr. Louis Palmateer and family left for Olix, Eastern Oregon, Monday. Mrs. Annie Hicombton, nee Hues, was a visitor to her old friends Sunday. Weather cool. Farmers busy. Fruit in bloom. One frost, but no injury to crop. The Odd Fellows gave an oyster supper Tuesday night. Some 75 were present. There is a band of foreigners at work for the O. W. P. Ry. Co. at the head works. Our Sunday school superintendent is soon to leave us. We will miss him and his family very much. Mr. Elmer Davis is to run the Garrett Palmateer farm this summer in the absence of its present owner. Our Worthy Master resigned at our last meeting. They should not take it so to heart—getting one son-in-law. Some people have stood such things six times and not died yet. There will be an entertainment at Tracy school house the evening of the 6th of May; basket social, and a fine program. The proceeds to go for a school library. Welcome all. Ladies bring baskets.

'George.' Fred Sins has purchased a new horse. Miss Emma Paulson came out from Portland Monday. Pete Paul came near having a serious runaway Saturday. Mr. and Mrs. Jari, of Kelso, were visiting at Pete Rath's Sunday. Mr. A. J. Farmer and Walter Paulson are expected from Portland this week. Miss Marie and Chris Johnson attended a basket social at Currinsville last week. Most of the 'spuds' in the neighborhood have been disposed of at a good price. Messrs. Adolph and Bob Millee went to Currinsville Saturday for a load of oats. The weather is fine. We all enjoy it. Sunday was a fine day for church and visiting. Theo. Hardes and Leo Rath are working at Cottrell. They made a visit home Sunday. Mr. and Mrs. John Klinker and daughter, Miss Elsie, came out from

Portland April 24, to celebrate their brother and sister's silver wedding anniversary.

Logan Stone. The boys have organized a basket ball club, and will play on Mr. Strowbridge's place. The vocal club met at the home of Mr. and Mrs. A. Johnson, of Logan, Sunday afternoon. Mr. Sheff, of Stone, and Mr. DeLinger have purchased organ separators and will patronize the organery. Saturday next is the regular monthly meeting of Harding Grange. Come all ye truest members and lend your presence to make the day a pleasant one. Mr. Blum, of Shubel, also intends to furnish cream. A cream route has been established to Molalla, which will accommodate the people there. There are about sixty patrons now furnishing cream and the creamery is running full capacity, 600 pounds of butter being churned at one time last week. Why don't some one put a 'dea' in the pure food commissioner's ear? Some old blk is reaping a harvest through the country selling a so-called receipt to make butter in a few minutes, also to deodorize the cream. It is adulterated butter and cannot be lawfully put on the market. Suckers are biting good. Send the fool killer around in a few weeks, for those who bit will want their dollars back.

Cedar Island. We will kindly ask our editor to let us send items from the new town known as Cedar Island, a short distance from the Molalla river. Cedar Island is a lovely place, the island being almost covered with large cedars. Mr. Wires was at home last Sunday on a visit. Mr. Kays was seen in our midst early Sunday morning. Grandma Hamahy spent a few days with her son, 'Sever' last week. Mrs. Verla King, of Portland, is visiting her mother at present. Johnnie Dodge, of Redland, spent the day at the Dodge home last Tuesday. Charles Bennett and Alex Coose spent last week in Oregon City with friends. Mrs. Dodge and Mrs. Dick Wallace made a business trip to Liberal Monday. We may yet be able to inform the people that we have a store erected in our town. Hiram and Enoch Dodge, with their crew, are burning and cleaning out the river in order to run their ties. Mrs. Rhoda Wilson, who has been visiting her parents the past four weeks, departed for Portland a few days ago. E. P. Dodge and son, Albert, spent three days in Oregon City this week on business. Mr. Dodge expects to have his shingle mill in running order the latter part of the week. ROBINSON CRUSOE.

Springwater. Time is the excuse for brevity. Grain looks well for its age. Good prospects so far for fruit. Miss Ceila Carrothers, who was on a visit with relatives, has gone back to her home east of the mountains. On Saturday the 21st, the Springwater Sunday school will have a picnic at Springwater. Everybody is cordially invited, and especially the children. W. J. Bryan ought to be thanked by the Republicans, for he is doing more for the Republican party than any other man in the United States, by making dissensions in the Democratic party. He wants the old platform by which the Democrats have been defeated twice. One day last week a man was killed at Casadero by the carelessness of the Greek crew that was cutting and falling timber. The dead man and they (the other Greeks) had been told to be careful or some of them would get hurt. The Greeks have since gone on a strike.

Shubel. Minnie Bolander is home again. Mr. Blum is building a new barn. Raleigh Cross was seen in our burg Sunday. Harry Hettman has taken a trip to Portland. E. W. Hornshub and family visited Mr. and Mrs. E. Muralt Sunday. Mr. and Mrs. Ed Heltman and the former's mother left for Eastern Oregon. Quite a crowd attended the ball game Sunday. Shubel is justly proud of its team. Moechnke Bros. have shut down their shingle mill and will do carpenter work in Portland. Quite a number of our young folks attended the pie social Friday night at Beaver creek. All report a pleasant time.

MRS. CECILIA STOWE, Organizer, Entre Nous Club. 176 Warren Avenue, Chicago, Ill., Oct. 22, 1902. For nearly four years I suffered from ovarian troubles. The doctor insisted on an operation as the only way to get well. I, however, strongly objected to an operation. My husband felt disheartened as well as I, for home with a sick woman is a disconsolate place at best. A friendly druggist advised me to get a bottle of Wine of Cardui for me to try, and he did so. I began to improve in a few days and my recovery was very rapid. Within eighteen weeks I was another being. CECILIA STOWE. Mrs. Stowe's letter shows every woman how a home is saddened by female weakness and how completely Wine of Cardui cures that sickness and brings health and happiness again. Do not go on suffering. Go to your druggist today and secure a \$1.00 bottle of Wine of Cardui.

Union Hall. Miss Eliza Burns is visiting Mrs. A. L. Jones, of Eldorado. Mr. J. H. Burns visited Mr. B. J. Hallvery and family last Sunday. Joe Thomas attended the dance at Hog Hollow last Saturday evening. Eliza Burns was the guest of Mrs. Nettie Riggs last Friday night. Miss Bertha Riggs visited Misses Garn and Mabel Burns last Saturday. Mr. A. L. Jones was in this neighborhood a few days ago buying cattle. Johnnie McIntosh contemplates going back to his old home in the near future. Mrs. George Mane's sister is visiting her at present. She recently came from Canada. Mrs. L. G. Riggs went to Portland last Wednesday on business. Russel Scramlin came over from Macksburg last Saturday and put telephones in several houses in this vicinity. A little life may be sacrificed to a sudden attack of croup, if you don't have Dr. Thomas' Electric Oil on hand for the emergency.

Willamette. T. J. Gray has painted his barn. G. H. Rogers drove to Portland Saturday. Bert and Frank Shipley are home for a few days. Mr. Soudners is building an addition to his house. Mrs. George Rogers has her mother and sister visiting her. Grandma Hoplin goes East soon to visit with her daughter. Everett Downey spent Saturday with his friend, Randal O'Neil. Miss Arive Batdorf was the guest of Mrs. Albert Brickels Saturday. Mrs. Carter, from Newberg, is visiting her daughter, Mrs. Rob. Cook. Mrs. James Werner and children visited on the West Side Saturday. Mrs. Billie Pollock, of Oswego, was a visitor at the parental home Thursday. Mr. and Mrs. W. E. Black were the guests of Mr. and Mrs. Mihistine Sunday. Miss Bessie and Miss Genevieve Capen visited in Portland Friday and Saturday. Albert Buckels is building a new house on his acre, lately purchased by him. Mrs. Elmer Thompson enjoyed a visit with two of her sisters from Portland Sunday. Our young people gave one of their popular bon-fire parties at the spring park Saturday evening. Robt. Baker bought an acre of land from Harry Berdine, and will build a residence on the same. Mr. and Mrs. Leon Losey have rented their house and are to live at St. Johns. We are very sorry to lose this pleasant family. Rob. Vaughan has sold his home and will move with his family to Hood River in the near future. We very much regret losing this estimable family. Little Nola Berdien drank a half bottle of cough syrup and was a very sick baby for a few hours. Dr. Sommers was called and she was soon all right again.

Indigestion Causes Catarrh of the Stomach. For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and expose the nerves of the stomach, thus causing the glands to secrete mucus instead of the juices of natural digestion. This is called Catarrh of the Stomach. Kodol Dyspepsia Cure relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles. Kodol Digests What You Eat Make the Stomach Sweet. Bottles only. Regular size, \$1.50, holding 2 1/2 times the trial size, which sells for 50 cents. Prepared by E. O. DEWITT & CO., Chicago, Ill. Sold by G. A. HARDING, Druggist

Garfield. The Rev. D. P. Rich, of Kelso, was visiting friends at Garfield Sunday. Earl Wagner is carrying his hand in a sling as a result of getting it too near Yacum's saw while off-bearing. Crop conditions are excellent here. Oats and wheat look well. Prunes are setting nicely, and do not appear to have suffered from the frost. E. F. Surface will give a basket social and entertainment at the Tracy school house Friday evening. The proceeds are to be used for the benefit of the school. The town of Estacada, near us, still continues to thrive. The ring of the hammer is heard there every day. It contains more than thirty buildings, all erected since January 1st. Your correspondent and his brother, Jas. C. Gill, made a flying trip to the top of Saddle mountain Monday. It is plainly evident from the timber that the snow has been twenty feet deep on the level the past winter on this mountain. The snow was still five feet deep. The anniversary exercises of Bannock Lodge, I. O. O. F., were a complete success. A much better appreciation of Odd Fellows and their work is noticeable since a good program of songs, music, recitation and speeches was rendered, and much enjoyed by all present. An oyster supper was prepared and served by the men. After the Odd Fellows were through with the hall, those desiring to dance secured the hall, and a nice dance followed. P. M. GILL. Miss Alice Bailey, of Atlanta, Ga., tells how she was permanently cured of inflammation of the ovaries, and escaped the surgeon's knife, by the use of Lydia E. Pinkham's Vegetable Compound.

The universal indications of the approach of woman's great enemy, inflammation and disease of the ovaries, are a dull throbbing pain, accompanied by a sense of tenderness and heat low down in the side, with occasional shooting pains. On examination it may be found that the region of pain will show some swelling. This is the first stage of inflammation of the ovaries. 'DEAR MRS. PINKHAM—I wish to express my gratitude for the restored health and happiness Lydia E. Pinkham's Vegetable Compound has brought into my life. 'I had suffered for three years with terrible pains at the time of menstruation, and did not know what the trouble was until the doctor pronounced it inflammation of the ovaries, and proposed an operation. 'I felt so weak and sick that I felt sure that I could not survive the ordeal, and so I told him that I would not undergo it. The following week I read an advertisement in the paper of your Vegetable Compound in such an emergency, and so I decided to try it. Great was my joy to find that I actually improved after taking two bottles, so I kept taking it for ten weeks, and at the end of that time I was cured. I had gained eighteen pounds and was in excellent health, and am now. 'You surely deserve great success, and you have my very best wishes.'—MISS ALICE BAILEY, 50 North Boulevard, Atlanta, Ga.

Another woman saved from a surgical operation by Lydia E. Pinkham's Vegetable Compound. Read what she says:— 'DEAR MRS. PINKHAM:—I cannot thank you enough for what your Vegetable Compound has done for me. If it had not been for your medicine, I think I would have died. 'I will tell you how I suffered. I could hardly walk, was unable to sleep or eat. Menstruation was irregular. At last I had to stay in my bed, and flowed so badly that they sent for a doctor, who said I had inflammation of the ovaries, and had to go through an operation, as no medicine could help me, but I could not do that. 'I received a little book of yours, and after reading it, I concluded to try Lydia E. Pinkham's Vegetable Compound, and I am now a well woman. I shall praise your medicine as long as I live, and also recommend the same to anyone suffering as I was.'—MRS. MINNIE OTTOSON, Otho, Iowa. All sick women would be wise if they would take Lydia E. Pinkham's Vegetable Compound and be well.
