WHY IT SUCCEEDS.

Because it's for One Thing Only, and Oregon City is Learning This. Nothing can be good for everything. Doing one thing will bring success. Doan's Kidney Pills do one thing only. They're for sick kidneys. They cure backache, every kidney ill. Here is evidence to prove it. A. S. Cummings, of 244 Clackamas St., Portland, employed by the Inman-Paulson Lumber Co., at the foot of East Sherman St., says: "I had pains in the small of my back for a good many years, most of the time it was a dull, heavy ache over the kidneys, and often at the end of the day I felt fatigued and used up. Trouble with the kidney secretions existed also. Passages were too frequent, and were accompanied with a pain. My condition was growing worse all the time, when I happened to read an advertisement of Doan's Kidney Pills and at the suggestion of my wife, got a box. I took the pills as directed and felt a beneficial effect right away. In a short time the backache disappeared and the secretions resumed their normal appearance and condition. This is the first winter I have passed for a number of years without wearing a plaster on my back, and I give Doan's Kidney Pills all the credit." Plenty more proof like this from Oregon City people. Call at C. G. Huntley's drug store and ask what his customers report. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name, Doan's Kidney Pills, and take no substitute.

"Brown's in Town."

"Brown's in Town" is said to be one of the cleanest, brightest and funniest entertainments seen in a long time. The farce is of just the build and texture that make multitudes of laughs and people would more readily be laughed out of their money than they would be willing to have it enticed away by a frown or given up for a too serious drama. This farcical effusion comes to the Shively Opera House Tuesday, May 17th. "Brown's in Town" is about a young couple who are living in the country under an assumed name, so the father of the young man will not hear of the match. Incidentally, every one they know, the father, the wife's suitor, a girl friend and everybody who should be at home comes around and makes things interesting. Of course, it takes a great deal of preparation to straighten things out, and before the audience knows it, the suitor of the wife is pretending to be her husband and she is obliged to maintain the supposed relationship. The whole thing about the play is "Go." When Brown gets to running nothing can stop him but "time to go home."

You Bet You Can. You can be a strong man or woman by buying the great nerve tonic, Palmo Tablets, sold by Howell & Jones. They make you sleep and grow fat. So far as the alleged incompetency of the sheriff's clerical force is concerned, it might be proper to remark at this time that Mr. E. C. Hackett, who is chief deputy in Sheriff Shaver's office, was the man who discovered the \$30,000 defalcation of a former clerk of the school land board after the discrepancy had been overlooked by a number of investigating committees. It would seem, then, that Mr. Hackett is quite capable of looking after the records in this department. For the convenience of school clerks and road supervisors Sheriff Shaver has prepared in his office a summary account, something that was never before had by any other sheriff. By means of this record a school clerk or road supervisor from any section of the county can refer to the record and in a minute ascertain just how much has been collected on their respective accounts. Due and proper consideration for the home merchant was shown by the Oregon City council at its last meeting when an ordinance was passed providing for a license fee of \$50 per day to be charged all "transient" merchants who bring a bankrupt stock of goods to this city.
