Engagement Announced.—Mr. and Mrs. T. B. Haskins announce the engagement of their daughter, Lulu May, to Mr. Alexander Nicol. The wedding will take place Monday evening, May 16, at the home of the bride's parents on Molalla avenue.

Entertained the Class.—Friday evening at the Chase residence, Miss Winer entertained the members of her Sunday School class. The evening was very enjoyably passed by the young Presbyterians in music and games that were followed by refreshments.

New Arrival Passes Away.—W. H. Savage, of Cheboygan, Michigan, a recent arrival in Oregon City, died Tuesday of abscess of the stomach at the residence of W. A. Gardner. Mr. Savage had decided to locate in this city. Burial was had here Thursday.

Oregon City Won Game.—In an interesting game of baseball at Canemah Park Sunday afternoon, the local nine defeated the Vancouver team by a score of 7 to 4. It was Oregon City's game from the start, the lads from this city knocking the visiting pitcher out of the box.

Matrimonial Bonds Severed.—After granting three divorces Saturday afternoon, Judge Melville adjourned the April term of the Circuit Court. Divorces were granted as follows: Helen A. Knox vs. Frank O. Knox, Lillie Carmack vs. Jas. E. Carmack, and Estella Steele vs. Samuel M. Steele.

Stolen Bicycle Restored.—Chief of Police Burns last Friday recovered at a local second-hand store the Rambler bicycle that had been stolen a few days before from A. Stewart, of Salem. The wheel was sold here for \$1.45 by a young fellow who gave the name of McAdams. No trace of the thief was found.

Officers Elected.—The Y. P. S. C. E. of the First Presbyterian Church last Sunday evening elected officers for the ensuing year as follows: President, Miss Eunice Donaldson; vice-president, Miss Reita Pierce; secretary, Miss Julia May; treasurer, John Luelling; corresponding secretary, Miss Elnor Williams.

Will Form Roosevelt Club.—Petitions are being circulated among the Republicans of Oregon City for the organization of a Republican Club. Organization will be had in a few days, and the club will likely be called the Roosevelt Republican Club of Oregon City. The club, when formed, will take an active part in both the June and November campaigns.

Decoration Day Address.—Rev. E. B. Bollinger, pastor of the First Congregational Church, has been chosen by the G. A. R. committee to make the Decoration Day address at Shively's Hall on Decoration Day, May 30. The memorial Sunday exercises will be held at the Presbyterian Church Sunday, May 22. Rev. E. H. Mixsell will preach the Memorial Day sermon.

Highland Wins Again.—The Highland baseball team defeated the Colton nine at Colton last Sunday, the score being 4 to 3 in favor of the victors. It was the best exhibition of baseball the people of the interior of the county have witnessed for many weeks. Until the last half of the final inning, the score was 4 to 1 in favor of Highland, but the Coltonites took advantage of an opening in the game and sent two men over the home plate.

Will Entertain Pioneers.—The women of the Oregon City Lewis and Clark Club are to entertain the pioneers of Clackamas county (those who came to Oregon before February 14, 1859) on Friday, May 29, at Willamette Hall, from 2 to 5 o'clock p. m. An interesting program is being prepared and a short talk will be expected from each of the attending pioneers. Refreshments will be served, and the pioneers of the county are invited.

Will Comply With Ordinance.—Mrs. Kate L. Newton, arrested under the provisions of a city ordinance on the charge of refusing to connect with the sewer in her district, was arraigned in police court Tuesday, and pleaded not guilty, and by an agreement was granted thirty days in which to make the required connection. This is the first case that has been brought under this ordinance and there was a disposition to test the ordinance, but when it was evident that the city meant business, the case was amicably adjusted.

Whooping Cough.—"In the spring of 1901 my children had whooping cough," says Mrs. D. W. Capps, Ala. "I used Chamberlain's Cough Remedy with the most satisfactory results. I think this is the best remedy I have ever seen for whooping cough." This remedy keeps the cough loose, lessens the severity and frequency of the coughing spells and counteracts any tendency toward pneumonia. For sale by G. A. Harding.

A Sudden Death.—N. Phillips, who arrived in the city from Michigan a short time ago, died last Friday at St. Vincent's Hospital in Portland, after an operation for stomach trouble. Mr. Phillips is survived by a wife and three children, the eldest of whom, a boy aged 18 years, will conduct the store formerly owned by G. W. Grace, and which was acquired by Mr. Phillips but a few days before his death.

Barclay Won the Game.—The Barclay High School baseball nine went after the Parkplace aggregation in earnest last Friday afternoon and captured the game by a score of 17 to 7. The week before the lads from the north of the city came nearly convicting the high school boys that they did not know anything about the game. At the first contest the score was 33 to 7 in favor of the Parkplace boys.

Impossible to foresee an accident. Not impossible to be prepared for it. Dr. Thomas' Electric Oil—Monarch over pain.

Weather and Politics.—Weather and Politics are the borbles of Jerome Hart's letter from New York to the Argonaut for May 9th. Mr. Hart feelingly describes the intensely disagreeable weather encountered on the journey across the continent, and finds the comparison between the East and the West very favorable to California. He devotes much of his letter to an account of the trend of political matters in the East.

Will Give Recital.—Miss Imogene Harding, who returned recently from New York City, where she has been pursuing her musical studies, will give a recital at the First Congregational Church in this city Wednesday evening, May 18. The young ladies of the King's Daughters will act as patronesses of the occasion. Miss Harding's friends are glad of this opportunity to hear her.

Cut Timber on Neighbor's Land.—Elbert T. Preston is under arrest here on the charge of trespassing. The particular offense is claimed to be the cutting of timber on land belonging to a man named Kraemer, who resides near Springwater, this county. A trial of the case will be had in the justice court next Tuesday. The difficulty is believed to have resulted from a dispute as to the boundary lines of the two men's farms.

School District Disorganized.—Because there was not enough pupils to justify its continuance, District No. 94 has been disorganized by the District Boundary Board for Clackamas county. This district is known as the North Logan District, and has been divided between districts 8 and 4. There had been conducted no school in the district for more than a year. There is pending before the boundary board a petition for a district at Sandy Ridge, which is in School District No. 29.

Assets Were Limited.—After deducting the expenses of the assignment as reported by T. F. Ryan, assignee of the estate of Geo. T. Howard, a defunct grocerman of this city, Judge McBride has ordered a disbursement of the balance of the assets of the estate, amounting to \$1546 among Howard's creditors, whose approved claims aggregate \$19,619.57. The completeness of Howard's failure is demonstrated from the fact that his numerous creditors will receive but about 14 cents on the dollar.

Cold facts are strong arguments. The Democrats, in the heat of a county campaign, may charge the Republicans with inefficiency, juggling with figures, etc., but the undisputed fact remains that the present county officers have a credit to their account for the year ending March 31 last, of \$149,000. This substantial sum represents the work accomplished in twelve months and is made up of the following items: County warrants re-deemed \$80,000; Road warrants re-deemed 37,000; Saving in expenses of county 32,000. Total \$149,000. The Democrats have been clamoring for figures. Here is an installment for their consideration. As to their accuracy, confirmation of the amounts can be had by reference to the records at the court house.

Married Thirty Years.—Mr. and Mrs. Henry Heitkemper, of the Elkhorn farm below this city, were surprised and pleasantly reminded Sunday evening of their thirtieth wedding anniversary. Mr. and Mrs. Frank Busch, of this city, were among those present. Others were: Mr. and Mrs. A. B. Townsend, of Portland; Mrs. J. Neldermeier, Mr. and Mrs. Ben Dresser, all of Portland; Miss Clara Heitkemper, of Elkhorn, and Julius Brojke, of Oak Grove. Mrs. Frank Busch, of this city, is a daughter of Mr. and Mrs. Heitkemper.

Two Playful Cubs.—Youngsters and many older persons were this week entertained by the playful antics of two young bear cubs that were temporarily imprisoned in the show window at Howell & Jones' drug store. The youthful brained were the property of a gentleman named Davis, of Omaha, Nebraska, who purchased the pets from a settler near Yaquina Bay, as a present for a relative in the East, where he expects to take them.

Company Pays License.—The city authorities have received a check for \$1150 from the Oregon Water Power & Railway Company in payment of delinquent franchise licenses aggregating that amount. This response following a notice from the city authorities calling the attention of the corporation to its delinquencies and threatening to take steps that would hasten an adjustment of the claim. The original notice sent the company by order of the city council called for the payment of licenses amounting to \$1750, but it was investigated by the company, which found that two of the ordinances, carrying licenses amounting to \$600 had been repealed. A settlement was had by the payment of \$1150.

I purchased a box and was entirely cured. It is splendid for piles, giving relief instantly, and I heartily recommend it to all sufferers." De Witt's Witch Hazel Salve is unequalled for its healing qualities. Eczema and other skin diseases, also sores, cuts, burns and wounds of every kind are quickly cured by it. Sold by G. A. Harding.

EMPLOYS NO DEPUTY. County Treasurer Cahill has reduced to a minimum the cost of clerical help in his department, having employed a deputy only at such times as the work of the office required. This record is in striking contrast with that of his Democratic predecessor, who regularly employed a deputy. Mr. Cahill will be re-elected, as he should be, in the interest of efficient and economical administration of county affairs.

Will Appeal Meteor Case.—The attorneys for Ellis Hughes, who claims ownership of the celebrated meteor that was discovered near this city last winter announce that the case will be appealed to the Supreme Court in the interest of their client. At a recent trial of the case in the Clackamas County Circuit Court the jury returned a verdict awarding to the Oregon Iron & Steel Company the possession of the meteoric curiosity. The metallic monster weighs about fifteen tons, and is the largest meteor that was ever found in the United States, and the second largest in the world. If the plaintiff in the case wins out in the suit, the meteor will be added to the collections at the Portland Museum.

State Won the Case.—Circuit Judge McBride last Friday granted a nonsuit in favor of the defendant in the suit of Captain Archie L. Pease against Ernest P. Randa, of this city, the famous fish ladder case. Last fall Pease brought a suit to enjoin the building of a fish ladder at the Willamette Falls in this city and to recover \$50,000 alleged damages. He alleged that the building of the ladder would seriously interfere with his fishing right at the falls, he claiming the exclusive right to fish at that place in the river under and by a reservation taken by his father and transferred to himself by deed. In dismissing the action, Judge McBride held that so long as the building of an obstruction of the kind proposed in mid-stream did not interfere with the fishing by an individual from the bank, then there existed no cause for action. The building of the ladder for which a recent session of the Legislature appropriated \$5,000 will be resumed this summer.

Wedded at Clatskanie.—Miss Laura M. Conyers, formerly of Oregon City, and the youngest daughter of Mr. and Mrs. W. H. Conyers, of Clatskanie, was wedded to Mr. Wm. F. Meyers at Clatskanie, Sunday afternoon, May 8. The service was performed at the First Methodist Church by the pastor in the presence of about 300 friends of the principals. Miss Hughes, of Clatskanie, played Mendelssohn's Wedding March as the bridal party, headed by Miss Ethelwyn Albright, of Oregon City, a maid of honor, entered the church. They were followed by the bride and groom, Miss Anna English and Miss Owings, both of Portland, as bridesmaids, attended by Mr. George Conyers, brother of the bride, as best man, and Mr. John Bryant, of Portland. The bride was given away by her father. At the conclusion of the ceremony, about fifty of the immediate relatives and friends of the wedded couple repaired to the Conyers home, where luncheon was served. The bride is well known to many Oregon City people as a beautiful and most estimable young woman. She has the very sincere wishes of many friends for a life of much happiness. After a short visit at Portland, Mr. and Mrs. Meyers will reside at Clatskanie, where the groom is engaged in the general merchandise business with his father.

Olson was in charge of a train loaded with excursionists returning from a dance at Canemah Park. He was on the trailer when the trolley slipped off and the cars stopped.
