Sheriff Shaver has recently employed a good Democrat to investigate the records of the county and ascertain to a cent the actual cost of collecting taxes under his administration and the administration of the proceeding Democratic sheriff. The result, of the investigation are highly flattering to Sheriff Shaver, who has made a record for the expeditions gathering in of taxes at a minimum cost to the toopayers. The report which is now in the possession of Shorliff Shaver, shows that for the year ending July L. 1902-the last year of the preceding Democratic sheriffthe shoriff's office cost the tax-. payers \$4601.53. The total cost of this office under Sheriff Shaver for the following year was \$4214.24, or a difference in favor of Sheriff Shaver of \$387.29 for a single year. Sheriff Shaver ports that the expenses of his office for the year ending July 1 next, will be at least . one third less than for the initial year of his term. In the matter of hiring deputies, sheriff Shaver has accomplished a considerable saving to the county on this item. Where his predecessor in office-and he was a Democrat, too-kept four deputies, two of whom re-\* feelved \$60 per month each. from February 11 to July 1. Sheriff Shaver since April 1 has had in his office only one tregular deputy, while one clerk has been employed only part of the time . . . . . . . 14.8
