DEMOCRATS OPEN CAMPAIGN.

Ffermann Roasted-Republicans Charged With Misrepresentation.

Did you hear any cannonading Wednes-

day aftermount was the day the Democrats . opened their county campaign at their Clackarras county stronghold-Molalla. Veatch, candidate for congress, spent his time attacking his Republican opponent. Congressman Binger Hermann. nominees on the legislative and county tickets consumed the balthe afternoon explaining why they should be elected. And the auditair one, had to sit through it all. thall the other speakers had ex-themself. Judge Eby, the chaliman, had his say. And by the way, he is a post-graduate when it to handling figures. The local slways pritted himself on being an anti-student at arithmetic, but Eby finds the strangest results from the blems! After working over the at the court house for many days, wilter positively found where the nt Republican county officers have ed each of their respective dents for less money than did any predecessors under Democratic or Fusion administration of affairs. The of this investigation were pub-As a speciator, we attended the enceting at Molala, and came near collapsing when Mr. Eby turned his guns on us and actualy stated to the audience that from an investigation of the records (the same ones we experted) he had discovered that it had cost the taxpayers \$1000 more in one year to conduct the offices of therk and sheriff than it did for the last year under the Democratic-Fusion regime. By employing such a existers of mathematics the Democrats could never get Clackamas out of debt. But this was not all. He found fault ery statistic that has been given

In the Enterprise and pertaining to cumity affairs. He said they were all In fact it seems impossible for the Democrats to get themselves separated from the idea that the county is \$200,000 in dobt. Even as intelligent a man as is Mr Eby declared at the Molalla meeting that before taxes are available the obligations of the county will exceed the \$200,000 mark. There are no figures or sets of figures or possible contingency that will justify the county's debt at that mount at this time, or in fact at any time in the future. The cold facts are these: Clackamas

county is not anywhere near \$200,000 in debt, nor will it ever be with a continuation of Republican administration; a part of the county debt has been a road debt, and the county has been combinity run in the last two years in its every department. These are facts that cannot be disproven, even by an issue-hungry Democracy.

But we will have something more to next week about our Democratic nds and their various allegations made at the Motalia meeting. We mainfore hublished in the Enterprise are not only absolutely correct and reliable, but are substantiated by the records of the court home
