Mrs. Weisslitz, Buffalo, N. Y., cured of kidney trouble by Lydia E. Pinkham's Vegetable Compound.

Of all the diseases known with which the female organism is afflicted, kidney disease is the most fatal. In fact, unless prompt and correct treatment is applied, the weary patient seldom survives. Being fully aware of this, Mrs. Pinkham, early in her career, gave careful study to the subject, and in producing her great remedy for woman's ills— Lydia E. Pinkham's Vegetable Compound—made sure that it contained the correct combination of herbs which was certain to control that dreaded disease, woman's kidney troubles.

Read What Mrs. Weisslitz Says. "DEAR MRS. PINKHAM:—For two years my life was simply a burden. I suffered so with female troubles, and pains across my back and loins. The doctor told me that I had kidney troubles and prescribed for me. For three months I took his medicine, but grew steadily worse. My husband then advised me to try Lydia E. Pinkham's Vegetable Compound, and brought home a bottle. It is the greatest blessing ever brought to our home. Within three months I was a changed woman. My pain had disappeared, my complexion became clear, my eyes bright, and my entire system in good shape."—MRS. PAULA WEISSLITZ, 176 Seneca St., Buffalo, N. Y.—\$5000 forfeit if original of above letter proving genuineness cannot be produced.
