FULL TICKET WINS

EVERY CLACKAMAS COUNTY REPUBLICAN ON TICKET ELECTED.

Democrats Waged Bitter Fight Against Sheriff Shaver and Superintendent Zinser, But Failed.

Every man on the Republican ticket in Clackamas county received a majority of the votes cast at the election Monday. Congressman Herrmann carried the county by about 100, the state ticket had a majority of about 1000, the legislative ticket had from 500 to 1000 votes to spare and the county ticket was successful by majorities ranging from 100 to 1200. It was a splendid victory achieved in the face of a spiteful and disgusting opposition from the Democrats.

Complete unofficial returns from thirty of the thirty-seven precincts of the county have been received, but the official vote will not be known until the ballots have been canvassed by the election board. The seven precincts from which reliable reports have not been had are Boring, Cherryville, George, Harding, Killin, Pleasant Hill and Springwater. The returns from these places will slightly increase the majorities of the Republican candidates. Of the seven Harding and Springwater will probably give the Democrats a majority, but the other five precincts will offset these places and add to the Republican majorities.

There was a light vote, probably not more than 2500 to 4000 votes being cast of a possible 5000. The unofficial returns of thirty precincts reported give Herrmann 1511, Gould 174, Ramp 307, Veatch 1454, Moore, for supreme judge, received 1215 to 1950 for O'Day. The vote for food and dairy commissioner will be about the same as that cast for supreme judge and in favor of Bailey, the Republican nominee. Circuit Judge McBride and District Attorney Allen, who were not opposed for re-election, received an immense vote. The vote for joint representative was: Helges 1782, Holcomb 1310.

Clyde G. Huntley, of this city, heads the legislative ticket with a majority closely approximating 1000. His colleagues will have in the neighborhood of 800 majority. Hutchinson was the high man on the Democratic legislative ticket, with 1041, while Jesse and Evans polled less than 500. The returns from the remaining seven precincts will not alter these results materially.

Figuring on the same basis as that from which the foregoing figures are given, the vote on the county ticket follows:

Commissioner.	1704
Killing	1234
Nitching	1491
Shaver	1352
Ely	1352
Clerk.	
Slight	1321
Criswell	1077
Recorder.	
Stevens	1844
Lang	727
Assessor.	
Nelson	1492
Sollwood	1059
School Superintendent.	
Zinser	1510
Starkweather	1425

For treasurer Uncle Enos Cahill's plurality will approximate 1000, it being more than 1900 now. The average vote of the prohibitionists of the county was something less than 200, while the Socialists did not cast much more than 200 out of an estimated strength before election of 500. John W. Meldrum, for surveyor, and R. L. Holman, for coroner, both have large majorities.

In the Oregon City justice district Livy Stipp is re-elected justice of the peace over E. D. Kelly, and H. W. Trembath won out for constable in an interesting race with Jeff Shaw, of the West Side.
The state printer amendment, local option, direct primary and shall stock run at large in Clackamas county propositions all received a majority of the votes cast. The vote on the stock question, so far as reported, was: Yes 1332, No 1092.

Complete unofficial returns for Clackamas county give Herrmann 83 majority. The Republican state ticket wins by 1000 majority, while the candidates on the Republican legislative ticket will have a like majority. Sheriff Shaver's majority over Ely now aggregates 351 while Superintendent Zinser defeats Starkweather by 118. Clark Slight, assisted by Justices of the Peace Stipp and Hayden, began the official canvass of the ballots Wednesday, and the positive result will not be known until this work is completed some time today or Saturday.

It was the purpose of the Enterprise this week to publish a tabulated statement of the vote of the county, but the returns from some of the precincts were not available and we can not present these figures until next week.

Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and like injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries causes them to heal very quickly. It also causes the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by G. A. Harding.

Don't let the little ones suffer from eczema or other torturing skin diseases. No need for it. Doan's Ointment cures. Can't harm the most delicate skin. At any drug store, 50 cents.
