You Bet You Can. You can be a strong man or woman by buying the great nerve tonic, Palmo Tablets, sold by Howell & Jones. They make you sleep and grow fat.

The Farmer's Foes

are weeds. Unless they are kept down, they divert the nutrition which the soil provides from the growing crops and ruin their productiveness.

Diseases are to the body what weeds are to the soil. They divert the nutrition which is necessary to sound health, and the body, instead of being strong and hardy, drags out a sickly existence. When the stomach is diseased, and the other organs of digestion and nutrition are involved with it, there is a constant loss of nutrition by the body. The stomach and its allied organs are not able to convert the foods into nourishment, and hence the body and its several organs are deprived of the necessary elements of vitality. What is known as "weak" heart or "weak" lungs, "weak" nerves and other forms of so-called weakness, are generally caused by "weak" stomach.

When the stomach and the other organs of digestion and nutrition are cured, then the other diseases are cured with it. Diseases which are caused by a diseased condition of the stomach are cured through the stomach. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and its associated organs of digestion and nutrition. It cures through the stomach diseases of heart, lungs, liver and other organs. It increases the activity of the blood-making glands, so that the whole body is nourished by an abundant supply of pure blood, rich in the bright red corpuscles of health.

There is no alcohol in "Golden Medical Discovery" and it contains neither opium, cocaine, nor any other narcotic. It is strictly a temperance medicine. Persons suffering from chronic forms of disease are invited to consult Dr. Pierce by letter free. All correspondence strictly private. Address Dr. R. V. Pierce, Buffalo, N. Y.

Suffered for Years. "My gratitude to you and your 'Golden Medical Discovery' is so great," writes Mr. Roy Martin, of Wise, Mason Co., West Virginia, "that I am at a loss to find words to express my true feeling. I had suffered for a number of years with lung and throat troubles, and doctors and specialists, but got no better. Then I decided to try Dr. Pierce's Golden Medical Discovery, and after using it I was greatly relieved. I have all faith that it has saved my life. I have one of your medical books and think it a grand work."

Torpid Liver Cured. "I was a sufferer from torpid liver for over a year," writes Mrs. Nora Willis, of Wheatfield, Jasper Co., Ind., "and could not sleep, nor eat but very little, and then it would cause me great distress. I tried several doctors but got no relief. Was advised by a friend to write to Dr. Pierce, which I did, and in a few days I received a letter advising me to take his 'Golden Medical Discovery' and also his 'Pleasant Pellets.' After I had taken only half a bottle, I was greatly improved. I only took three bottles of the 'Golden Medical Discovery' and two vials of the 'Pellets,' and, thanks to Dr. Pierce and his wonderful medicine, I am as well as ever in my life, and feel that life is worth living after all."

Last winter I took a severe cold which resulted in pleurisy. Tongue can not tell what I suffered. For two nights and two days I could not move without it nearly killed me. I told my husband I could not endure another night of suffering. The weather was so cold and stormy that it was almost too bad for any one to go six miles to town, but he went and got a bottle of Dr. Pierce's Extract of Senna, which gave me instant relief. I can say that for all pains that I have tried it for it has worked like magic. We keep a bottle of the "Smart Weed" in the house all the time. I cannot thank Dr. Pierce enough for what he has done for me."

Constipation has almost countless consequences. Dr. Pierce's Pleasant Pellets cure constipation and cure its consequences. They should always be used with "Golden Medical Discovery," when the use of a laxative is indicated.

The city water commission, in regular meeting Monday night, decided to extend the main on Center street from Second to Third streets. The matter of changing the location of the main on Center street has not yet been settled, and further consultation will be necessary. Yesterday the water commissioners viewed the course of the intake pipe from the pump-house to the tank, with a view of making a slight change in its location. This will be made advisable because the Oregon City Manufacturing company contemplates a change in the course of their flume, near which the pipe now runs.
