Miss Nan Cochran was operated upon at a Portland hospital this week and is convalescing. Robert Leslie, aged about 60 years, was taken seriously ill on the street Sunday.

Fractured His Hip.—In attempting to avoid an approaching street car in Main street last Saturday afternoon, Wm. Barlow, a pioneer resident of this county, fell to the pavement and sustained the fracture of the left hip. Mr. Barlow, who recently celebrated his 83d birthday, was assisted to an office, where the injury was treated. Because of the age of the injured man, who is a resident of Barlow, the injury may result seriously.

Gave Dancing Party.—The Ladies of the Maccabees are entertainers of the first order. They gave a practical demonstration of this fact last Saturday night when they gave a social dance at the W. O. W. hall. This was the first effort of the kind by these ladies, but it was so successful that other parties of the same kind may be expected during the year. Ice cream and cake was served during the evening. Cooke's orchestra furnished the music for the dancing.

Artisans Elect Officers.—At the regular semi-annual election of officers last Thursday night, Oregon City assembly of United Artisans elected the following officers: Mrs. L. A. Gillette, master; Artisan; Charles Dickey, superintendent; Maggie Curran, inspector; Robert Good-fellow, secretary; Max Bullback, treasurer; T. E. Garrison, senior conductor; Mrs. P. Foresters Elect Officers.—Friday night in Red Men's hall the Foresters of America met and elected their officers for the ensuing year. The meeting was well attended by the members and the election passed off quietly enough, there not being much of a contest for the places. The officers elected were: M. Sugarman, past chief ranger; Lynn Jones, chief ranger; J. C. Lewis, sub-chief ranger; Frank Koenig, recording secretary; R. G. Barber, lecturer; D. W. Burkhardt, senior woodward; E. Frederick, junior woodward; Roy Woodard, senior beadle; H. E. Warner, junior beadle.

Change in Schedules.—There has been a slight change in the schedule of the Southern Pacific trains at this point. For the information of the people of Oregon City, the Enterprise herewith gives the schedule of trains as it has been revised, the new orders going into effect Sunday morning last: North-bound overland, 6:46 a. m. instead of 7:00 a. m.; north-bound Albany local, 9:22 a. m. (no change); north-bound overland, 9:20 p. m. instead of 9:30 p. m.; south-bound overland, 9:22 a. m. (no change); south-bound Albany local, 4:16 p. m. instead of 4:50 p. m.; south-bound overland, 9:14 p. m. (no change).

Was Authorized Agent.—An item in a recent issue of the Enterprise has been called to the attention of the editor as being one that might unintentionally do an innocent party an injustice. The item referred to stated that the people of Oregon City had recently been called on by a woman who represented that she was an agent for the Sunset magazine, but was nothing more nor less than a grafter. During the last few weeks this city has been visited by Miss M. E. Doran, who solicited subscriptions to this railroad publication, but an inquiry of the publishers of that magazine by a subscriber in this city elicits the information that Miss Doran is a regular and reliable representative of that magazine, duly authorized to take subscriptions therefor. While the item had reference to another woman, the statement is herewith given in justice to Miss Doran.

Subscribers, Please Read.—The Enterprise is being sent to some readers who are not subscribers. Others are receiving this paper who signed for it only after the June election. The period for which they subscribed has expired, and if they do not desire the paper continued they will please notify this office at once, as was the understanding by the agreement under which they became subscribers. There are other subscribers who are considerably behind in their subscription. With these we desire and must have a settlement. In view of the fact that such subscribers have been receiving the paper, in some instances for years, and have paid nothing for it, we insist on having the accounts adjusted immediately. Otherwise the names will be taken from the subscription lists. We shall expect an immediate response to this notice on the part of all delinquent subscribers. It requires money to conduct a newspaper as well as any other business.

Drs. Beattie & Beattie, Dentists, Rooms 16, 17, 18, Weinhard building.

Died Suddenly.—John Henry Schuler, aged 65 years, a native of Germany, dropped dead at his home in this city Monday morning. The deceased had been ill with partial paralysis for several weeks. He is survived by a wife and several children.

Unveiled Monuments.—Sunday afternoon the members of Willamette Falls Camp and also of Sola Circle, Women of Woodcraft, held their annual memorial day exercises, when monuments were unveiled over the graves of the late G. W. Grant, August Kreuger and Dora Steover. The Oregon City and was in attendance and the exercises were largely attended.

Local Option Rally.—The friends of the local option movement held a final rally at the First Congregational church last Sunday night. The meeting was addressed by Prof. W. G. Heattie, H. E. Cross and W. R. U'Heen. The proposed law was heartily endorsed and from the vote that was cast for the measure in this city Monday it is evident that the friends of this measure made an active and vigorous contest.

Died at Eagle Creek. It is with regret that we are compelled to chronicle the demise of Mrs. Mattie J. Devine, who passed away on Monday, June 6, after an illness of several months from cancer of the stomach and other complications. The funeral was held on Wednesday, interment taking place in the Foster cemetery at this place, and was largely attended. The floral offerings were many and very beautiful.

Mrs. Mattie Devine was born at Fond Du Lac, Wis., 42 years ago, and with her parents emigrated to Kansas, where she resided until she came to the Coast in 1852. She was married to Mr. Roert J. Devine in May, 1860. Her only surviving relatives being one daughter, Mrs. Adelle Burnett, who resides at Eagle Creek, and her husband. They have the sympathy of the entire community in this their sad bereavement.

Mrs. Devine was beloved and respected by all who had the pleasure of knowing her and she will be greatly missed. She bore her suffering with Christian fortitude and without complaint. Peaceful and fair is the smiling repose that the breast-craddled slumber of infancy knows: Sound is the rest of the weary and worn Whom's feet have been galled with the dust and the thorn; Sweet is the sleep on the eyelids of youth.

When they dream of the world as all pleasure and truth; Yet child, pilgrim, youth, shall awaken again, To the journey of toil, and the trials of pain, But, Oh, there's a fast and a violence sleep, The calm and the stress, the long and the deep; 'Tis the sleep that is soundest and sweetest of all.

When our couch is the bier and our night robe the pall, No voice of the foe or the friend shall impart Proud flush to the cheek, or warm throbs to the heart; The lips of the dearest may seek for the breath, But their kiss cannot rouse the cold stillness of death. 'Tis a long, 'tis a last, 'tis a beautiful rest.

When all sorrow is passed from the brow and the breast; And the lone spirit truly and wisely may crave The sleep that is dreamless, the sleep of the grave.

Mr. Babcock is a well known citizen of North Plain, Conn. There is nothing equal to Pain Balm for sprains and bruises. It will effect a cure in one-third the time required by any other treatment. We Have Obtained Control for This City of the Fulton Compounds, the Only Things Known to Medicine That Cure Kidney Diseases in Both the Primary and Secondary Stages.

The kidneys are not sensitive and the disease is sometimes fastened and already chronic with the very first symptoms. If it has hung on eight to ten months it is surely chronic. In either case why take chances? Why not take at first the only thing known that cures kidney disease in the chronic as well as the primary stages. The Pell case cited below, by permission, is especially valuable, for its incurability was doubly confirmed by consulting physicians, and after recovery under the Fulton Compounds the recovery was also doubly ascertained.

May 1st, 1902, the son of R. C. Pell, the manager of the Pacific Coast Hosiery Company of Second and Fulton streets, San Francisco was declared by the family physician to have chronic kidney disease and incurable. Another physician was called in and confirmed the diagnosis. The whole body was swollen with dropsy, and a fatal termination looked for. The Fulton Compounds were then turned to as the only hope. On September 18 the dropsy had disappeared and the boy was well, and after double examinations the physician declared the recovery complete and gave Mr. Pell a written report which he now has.

Judge G. A. Cabanias, the Police Judge of San Francisco, also attests the recovery under his own observation of a friend of his who also recovered when the case (chronic Bright's Disease of the kidneys) was well known to be incurable according to all medical authorities.

Kodol increases the strength by enabling the stomach and digestive organs to digest, assimilate and appropriate to the blood and tissues all of the food nutriment. A new Southern story is going the rounds, this time with the mountains of Virginia as the setting. A revivalist who was holding meetings there met a man and asked him to attend service that evening. The man refused to promise, and the preacher said: "My brother, don't you ever pray?" "Naw," answered the villager; "I carry a rabbit's foot."

G. A. Harding Asks the readers of this paper to test the value of Kodol Dyspepsia Cure. Those persons who have used it and who have been cured by it, do not hesitate to recommend it to their friends. Kodol digests what you eat, cures indigestion, dyspepsia and all stomach troubles. Increases strength by enabling the stomach and digestive organs to contribute to the blood all of the nutriment contained in the food. Kodol Dyspepsia Cure is pleasant and palatable.

Just before congress adjourned Hepburn, of Iowa, made some facetious remarks about the classical allusions with which Champ Clark's speeches are interlarded. "If I could model myself upon the gentleman," he said, "I could improve all of my speeches. I would make them in at least four languages. Look at the learning found in the gentleman's speeches—quotations from the Greek, quotations from the French, quotations from the Latin. The gentleman knows gibberish and quotations. I do not know how familiar he is with the tongue. But I know this, that if I could take him as my model, I would go into the regions where Tacitus went. 'I would roam,' as the fellow from Wisconsin said, 'I would roam with old Tomulid; I would cant with old Cantharides; I would rip with old Euripides; but what in hell has that to do with the laws of Wisconsin?'"

Not a Sick Day Since. "I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not been sick a day since.
