

KILLED BY ACCIDENT.

Untimely Death of P. H. Hatch, a Former Resident of This City.

P. H. Hatch, a native of Oregon City, where he resided for many years, was almost instantly killed in Portland last Saturday afternoon.

Mr. Hatch was born in Oregon City, April 7, 1854, and went to Salem with his parents, Mr. and Mrs. Peter H. Hatch, in the early 60s.

"Pete" Hatch used to be one of the strongest men, physically, and his wonderful feats of strength are still talked of among old-timers.

Mr. Hatch was one of Young Oregon's sons, and he has seen a great deal of Oregon's history.

Coughs and colds down to the very borderland of consumption, yield to the soothing, healing influences of Dr. Wood's Norway Pine Syrup.

Country Life

Ought, it would seem, to give exemption from the diseases which prey upon the residents of thickly populated cities.

Weak lungs are made strong by the use of Dr. Pierce's Golden Medical Discovery. It cures obstinate and stubborn coughs, bronchitis, bleeding of the lungs and other symptoms which, if neglected or unskillfully treated, terminate fatally in consumption.

Accept no substitute for "Discovery." There is no "thing" just as good "for you," though many things may pay the dealer a larger profit.

CAUGHT COLD.

"The first day of this year," writes Mrs. Kate Seely of 715 S. Paul Avenue, Milwaukee, Wis. "I caught a heavy cold, which settled on my lungs and brought on a hemorrhage.

WILL MAKE AFFIDAVIT.

"I was sick for about three months, had chills, fever, and coughed a great deal," writes Mr. W. L. Brown, of McDearman, Jackson Co., Tenn.

Dr. Pierce's Common Sense Medical Adviser, containing 1008 pages, and over 700 illustrations, is sent free on receipt of stamps to defray expense of mailing only.

INDIGESTION

"I was troubled with stomach trouble, Theford's Black-Draught did me more good in one week than all the doctor's medicine I took in a year."

Theford's Black Draught quickly invigorates the action of the stomach and cures even chronic cases of indigestion.

THEFORD'S BLACK-DRAUGHT

More sickness is caused by constipation than by any other disease. Theford's Black-Draught not only relieves constipation but cures diarrhoea and dysentery and keeps the bowels regular.

All druggists sell 25-cent packages.

"Theford's Black-Draught is the best medicine to regulate the bowels I have ever used."

CONSTIPATION

School Board Adopts Flattering Testimonial on Teacher's Resignation.

Office of Board of Directors of School District No. 52, Clackamas county, Oregon.

Oregon City, Oregon, June 14th, 1904.

Dear Madam—It is with sincere regret that this board has received your resignation of the principalship of the Eastham school, to which position we recently re-elected you.

Since our last writing Miss Lillie Wheatlie has gone up near Eugene to visit a sister a few weeks. The public school has closed with good attendance.

A free beer picnic on Shafers hill is a thing of the past, as also the enthusiastic political meetings at Frog Pond and Stafford.

Charles Polivka with a load of people started to the picnic. On the road one of his horses became sick and he had to take it back home.

Our enterprising young townsman, Mark Baker, says he put up 20 racks of wood for John Aden in five days.

Mrs. Cain, who has been very ill with nervous fever, consequent upon hurting herself so badly when a rotten plank on the porch broke with her a number of weeks ago, is slowly gaining strength.

The telephone line is up and an instrument put in at Will Schatz's, the post-office and Loren Kruse's, and we understand they are now waiting for the phones to come on.

A child belonging to Mrs. Badorf, who made a sensational runaway some time ago from Oregon City, is to be buried this Tuesday p. m.

Mrs. John Kruse is so far recovered that she was out to the Grange picnic Saturday.

Hay as a general thing is very light, and grain fields need rain badly.

news, as it will give employment to a large number of men.

The output of cordwood at this place amounts to several cars a day, and is fast becoming a most profitable line of business.

The Enterprise is the People's Popular Paper out this way, and its appearance is awaited with great interest. It has the news the people in this section want, from all over the county.

Mrs. H. M. Malon stepped on a nail Sunday which penetrated almost through her foot. She suffered severe pain, but at this writing is improving rapidly.

this the great sorrow of my life. I tender my earnest and heartfelt thanks.

To the members of the K. O. T. M. my gratitude will end only with life. At such moments as this it is useless to try to express how grateful I am to all, and here how appropriate it is to say:

"Oh, Memory! Why have I not, in losing all I loved, Lost Thee as well?"

STAFFORD.

Well, the great event of the election is over, and while we may sympathize with the defeated who may have spent time and money for "time knows how long" to no avail, we are glad to settle down to the good old prosy days of a voluminous country correspondence, and for the first time in weeks we take up our pen to let you know we are all well, and hope you are the same.
