

Elephants and Mice.

An elephant is usually afraid of any small animal to which it is unaccustomed. A dog or cat, and sometimes even a mouse, will cause him annoyance, especially if it runs between the animal's legs. The noise of a mouse running through the hay will often cause an elephant to become excited, but I have never known or heard of a mouse getting on an elephant's trunk. The terrors of the mouse to a larger animal is an old story, and many foolish superstitions have arisen from it.—St. Nicholas.

A SYNOPSIS.

"Being a printer, Mr. Dash," said the hotel proprietor, "maybe you can advise me. I want to get a sign painted, 'Writing Room Free to Our Patrons,' or something like that."

"I don't like patrons," said Mr. Dash. "No? Maybe that doesn't sound just right. What would you suggest?"

"Victims."—Philadelphia Ledger.

His Own Experience.

"Many a man would give a great deal for your opportunities," said the earnestly ambitious man.

"Of course," answered Senator Sorghum. "I had to give a great deal for 'em myself."—Washington Star.

The defects of the mind, like those of the face, grow worse as we grow old.—Rochefoucauld

I enjoyed good health until about two years ago when I noticed my back began to ache frequently. It became sore and lame, and headache soon added to my misery. I also found that my general health diminished. I became thin and weak and nervous, having severe pains at regular intervals. I consulted Dr. Pierce's Favorite Prescription, which several of my friends praised so highly. I felt relief within a week. My appetite came and my pains gradually decreased and I slept. Within fourteen weeks I had recovered my health. I seemed but my pulse, which had been weak, became normal and my life animated my entire being. I gladly endorse your medicine. Doctor Pierce's Favorite Prescription restores weak and sick women to sound health, by curing the local womanly diseases which are generally responsible for the failure of the general health. A woman's entire being is centered in her womanly nature. When the delicate womanly organism is attacked by disease, when there is irregularity or a disagreeable drain, when inflammation burns and ulcers gnaw the general health will reflect the progress of disease, in increasing weakness, nervousness, headache, loss of appetite and sleeplessness. So sure it is the World's Dispensary Medical Association, of Buffalo, N. Y., proprietors of Dr. Pierce's Favorite Prescription, that they offer \$500 reward for female who cannot be cured of Leucorrhoea, Female weakness, Prolagus, or Falling of Womb. All they ask is a fair and reasonable trial of their means of cure. Dr. Pierce's Pleasant Pellets regulate the stomach, liver and bowels.

Doesn't Respect Old Age. It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect Pill. 25c. at Charman & Co.'s drug store.

Indigestion Causes Catarrh of the Stomach.

For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and expose the nerves of the stomach, thus causing the gastric glands to secrete instead of the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure

relieves all inflammation of the mucous membrane lining the stomach, protects the nerves, and cures bad breath, sour flange, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.

Kodol Digests What You Eat
