Miss Agnes Wallace and F. A. Woodside, both of Mulino, were married Wednesday. May joy and happiness go with them through married life. Mr. and Mrs. E. F. Dodge made a business trip to Molalla Saturday.

MULINO.

Elva and Elmer Erickson and P. Murphy and family returned from Hood River a few days ago. Camp meeting at Wright's Springs is progressing fine, with a large attendance. J. Erickson and family, of Beaver Creek, were visitors at the home of F. Erickson and family last Sunday. Mr. and Mrs. Mallatt and son Joshua attended the funeral of Mr. Hatten Sunday last.

Thos. Forish was a visitor at the Wallace home a few days this week. Louis Buckner, who left for Eastern Oregon some time ago, returned home Monday. Ora Davis made a flying trip to Oregon City Saturday night in the little red cart. Some work is being done on the Howard bridge.

ELDORADO.

Preston Cooper and wife spent Sunday with his father, R. M. Cooper. The Hills-Stedman horse race Sunday was well attended. It was a tie race, and will be run again the 10th of July at Canby. Carus first base ball nine defeated Ely Sunday, score 19 to 8. Mrs. E. C. Jones has returned home after a few weeks' visit. Jones, Martin & Co. spent Wednesday fishing. Ern Jones is slightly under the weather since Sunday. The party at C. Smith's Saturday night was enjoyed. Al Olson, of Marquam, and wife spent a few days visiting B. J. Helvey. Frank Irish has purchased a new buggy and harness. Frank Manning, our merchant, is slowly growing better.

VIOLA.

A nine months old calf belonging to James Sevier was drowned near the grist mill on Saturday. Miss Lulu Miller has gone to the coast for July and August. Our Viola merchant, W. D. Brown, having bought a stock of goods at Estacada, is running a branch store at that place. Brown is full of enterprise. On Friday evening about twenty young people surprised August Ficken, that being the anniversary of his birth. A pleasant time is reported. Mr. and Mrs. A. S. Black visited with friends in Portland on Wednesday. Mr. W. H. Mattson made a business trip to Portland last week. Mrs. Copeland and daughter Lily are proving themselves successful anglers. The hay crop is rather light this year—not quite enough rain. Not even a picnic at Viola on the Fourth.

WILSONVILLE.

Wilsonville witnessed a large fire last Friday evening, when three buildings on

the property of C. T. Toose were completely destroyed. The fire started in an old barn just opposite the large merchandise store of Peters & Aden, and was not discovered until the whole inside of the building was ablaze. A hard north wind quickly blew the fire to an old building a few rods south of the barn, and then to the main building, a large structure formerly occupied as a store, but lately used only as a dwelling house and lodge hall. Nearly all the valuables in the buildings were saved. A buggy belonging to J. Peters was burned in the barn. The family made homeless by the fire found refuge in the A. O. U. W. hall. The origin of the fire is not known. The total loss will probably reach near the \$1000 mark.

A number of the lodge members have been at work clearing the grove for the picnic July Fourth.

M. "Finger" Herrmann has gone to Astoria to work in a mill. And Jake says he thinks he'll have to save his tobacco tags to get a new buggy with.

Misses Evelyn Olson and Helen Morley, the school maams, have gone to Portland to attend the teachers' institute. The Tualatin minister did not fill his appointment here Sunday. Apparently he thought the whole town was burned.

REDLAND.

A four-months' term at Redland school, District No. 75, closed last Friday night, June 24. The average daily attendance was remarkably high. Much credit is due the parents and children for their interest in the school, and much is due our worthy superintendent, Mr. Zinser, for introducing into the Clackamas county schools the certificates of attendance given as a reward to pupils for perfect attendance.

Those receiving large certificates are Minnie Hubert, Nettie Gaskell, Tillie Hubert, Albert Hubert, Mary Harry, Earl Allen, Arthur Funk, Nannie Brown, Sylvia Brown. The school and young people of the neighborhood gave an entertainment and basket social on the last night, which was successful in both its efforts to entertain the large audience and in raising money for the purpose of buying maps for the school. The net proceeds were \$28.25. The success of the evening was due to the untiring efforts of the young people who assisted in the program and work, notably Fred Wilcox, Lewis Evans, Ora Wilcox, George Hick-enbotham, Minnie Hubert, Bernetta Gaskell, Will Stone, Thilda Hubert, Julius Spees, John Harry and also Louis Funk, Mr. and Mrs. Hubert and the Brown brothers and others. Last but not least was Mr. W. Sampson, of Oregon City, who came a long distance after a hard day's work at his profession and auctioned our baskets and entertained the audience gratis. A few more such friends to education and the world would move a little faster.

JAMES.

We are needing rain. Hay harvest has begun and is very late. More frost and ice Wednesday night. Bert Palmer was in our neighborhood Monday. Uncle Dave Roteson went to Medford Saturday to visit his daughter, Mrs. Rile Garrett. Mr. and Mrs. John Gerbes are visiting her parents at Oregon City this week. A baby girl at Geo. Williams'. Weight three pounds. Mother and daughter are both doing nicely. Miss Nina Lacey, of Springwater, was visiting D. A. James and wife for a few days last week. Johnny Keller, of Dodge, made a short visit Sunday among friends at James. The city of James and vicinity is organizing a telephone company, to connect with Molalla at McWhorterbrook. The rail-

road will be built later on. Mr. Larson shot a large wolf Monday morning after it had killed several sheep. Mr. J. C. C. Hall attended the Pioneers' meeting and reports a good time. He says the little boys he used to play with while crossing the plains in '45 have changed till he hardly knew them.

SPRINGWATER.

As Estacada is going to have a celebration the Fourth of July, Springwater has drawn off their picnic.

Charles Bard's house burned to the ground a few days ago. A defective fuse was the cause. There was \$300 insurance. It was hard on Mr. Bard, as he was just commencing to make a start.

Mrs. Marchbank has bought a part of the Albright place for a home. Consideration \$400.

ROCK RIDGE.

Mrs. F. M. Manning made a flying trip to Oregon City Monday.

Dr. R. Goucher had a barn-raising on Saturday.

From last reports Mr. F. M. Manning, our merchant, will not remain with us long.

Clyde Smith is buying for C. T. Howard, Mrs. Anderson and Mrs. Daniels and Mrs. A. S. Jones are on the sick list.

Mr. and Mrs. B. J. Helvey have been enjoying a visit from relatives whom they have not seen for ten years.

C. Smith is filling his barns with some of the finest hay this season that has ever been put in the barn.

Mr. B. J. Helvey and Mr. A. S. Jones called on Mr. and Mrs. C. E. Smith Sunday.

Miss Irene Smith and brother Sidney are visiting their parents, Mr. and Mrs. C. Smith, at present.

Mrs. Kate Goucher is suffering from a slight attack of rheumatism in her arm and shoulder.

There is going to be a grand celebration at Canby July 4th. All come and hear the eagle scream.

Some in our neighborhood seem short of money. Don't see why they should be, either, as there has been plenty of work and good wages for every industrious one.

If this hot weather and dry winds continues much longer all spring sown grain will not make hay, let alone grain.

There was quite a horse race at Carus Sunday and pretty near broke up in a quarrel, as the judges would not decide which was the winner. At last the judges decided, rather than pay the money to the rightful winner, that they will run another race at Canby.

Joe Daniels called at the Smith home Monday on business.

There was a grand surprise given Saturday evening, June 25, at the home of Mr. Smith in honor of his 50th birthday. Just as Mr. C. Smith came in from the hay field Saturday evening and got nicely seated at the center table in the parlor reading his evening papers his good neighbors assembled in a goodly number and gave him a grand surprise. He was presented with many beautiful bouquets of flowers and useful presents, and in return the guests were served by the hostess with a goodly spread table that grained with the "goodies." The ladies were served with lemonade and the gentlemen after lunch with cigars. All departed at a late hour wishing Mr. Smith many more such happy returns of his birthdays.

The "whim" in Oregon is coming true. If we don't get some rain soon we will all be "sick."

P. Murphy had the misfortune to cut his left thumb quite badly Tuesday, and called on Dr. Goucher to have several stitches taken.

At the rate the pasturage has been burning up the last few days the cream wagons that have been playing so freely will discontinue to twice a week soon.

Weak Hearts Are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, the stomach expands—swells—and pushes up against the heart. This crowds the heart and shortens the breath. Rapid heart beats and heart disease is the final result. Kodol Dyspepsia Cure digests what you eat, takes the strain off the heart, cures indigestion, dyspepsia, sour stomach, and contributes nourishment, strength and health to every organ of the body. STRENUOUS MEN. THEIR MAKE-UP.

WHEN you see a successful man you may know he possesses strenuous blood. Some people are "born tired," that is because they have inherited or acquired bad blood; they have what might be termed lazy blood. One must practice economy of vital powers to reap success. Excitement and worry kill more people than can be laid to the microbes of disease. Power and force comes to him who studies his body-needs. Thus, one must know that the blood in the body should be kept sweeping round and round through the system at the rate of seven miles per hour. This blood should not only be active but should be pure and rich, free from impurities. In the kidneys and liver the blood is purified of its waste materials, and sometimes we should assist nature in putting these organs into healthful action. Doctor Pierce's Golden Medical Discovery, made up of roots and barks, is a concentrated extract of Nature's health-giving plants, which stimulates the kidneys and liver into healthful action, purifies the blood and thus cures disease. Take the example of the Hon. Alonzo Ansbach, whose picture is given here: "Dr. Pierce's Golden Medical Discovery came as a veritable God-send into my life," writes Hon. Alonzo Ansbach, Sir Knight, Recorder, Uniform Rank Knights of Pythias, 1825 Vinewood Ave.,

Detroit, Mich. "After I had suffered for over three years with diabetes, and never believed that I would get any better. I was so weak that an hour's exertion would exhaust me. Had no appetite and no ambition, life looked dark indeed to me, and I felt that I already had one foot in the grave, when my attention was called to 'Golden Medical Discovery' as a wonderful remedy for just my trouble. You can realize the great joy I felt to find my health actually improving and to later realize that with this medicine the disease had gradually disappeared, and life and health had returned to me. It was nearly four months before I was completely cured, but I am a well man to-day, and give all the praise to Doctor Pierce's Golden Medical Discovery."

AN Imitation of Nature's Method of restoring waste of tissue and impoverishment of the blood and nervous force is used when you take an alterative extract of herbs and roots, without the use of alcohol, like Dr. Pierce's Golden Medical Discovery. This vegetable medicine coaxes the digestive functions and helps in the assimilation of food, or rather takes from the food just the nutriment the blood requires. Along with its use one should take exercise in the outdoor air, get all one can of God's sunlight and air; practice a mild breathing exercise each day. This "Medical Discovery" gives no false stimulation, because it does not contain alcohol or a narcotic. It helps digestion and the assimilation of such ele-

We guarantee that Dr. Pierce's Golden Medical Discovery does not contain alcohol, opium, or any harmful drug. It is a pure compound of medicinal plants scientifically combined. Persons making false statements concerning its ingredients will be prosecuted.
