DROPSY

Do Your Ankles or Limbs Swell?
Are Your Eyes Puffy? We are
the Sole Agents for the Only
Thing Known That Cures the
Kidney Diseases That Cause
Dropsy, viz.: Fulton Compound.

It is now well known that dropsy is not in itself a disease, but is merely a symptom of kidney disease that accompanies the chronic stages heretofore incurable. Hence, the discovery of the Fulton Compound, Dropsy was insurable. It is now, however, curable in nearly all cases. Here is an interesting recovery, to which we refer by permission.

Mrs. Peter Geyher, of 288 Fillmore street, San Francisco, became alarmed by dropsy. Her physician had finally to tap her every few days. She was tapped nearly forty times and grew worse from day to day. The physician finally told her husband that she had Bright's disease of the kidneys, that it was in an advanced stage and beyond all remedy. Her heart also gave her the usual trouble and she was in such a serious condition the relatives were sent for. They put her on Fulton's Compound. It stayed on the stomach, the first thing that had done so for a week. The second week the dropsy declined a little and the improvement was then gradual till her recovery was complete. This case was examined by representatives of the San Francisco Star and the Overland Monthly, and the genuineness of the case and the recovery were fully attested in their columns.

Mrs. Thomas Christol, of 286 Twenty-seventh street, San Francisco, was also swollen with dropsy, as the result of chronic kidney disease. She more than seventy-five pounds beyond her normal weight and had to be moved in sheets and was close to death's door although she had four physicians. She was put on the Fulton Compound. Three weeks showed improvement and in six months she was well, and permits this reference.

If you have dropsy don't temporize. There is only one thing known that will cure the chronic kidney disease that is behind it and that is Fulton's Compound. The Real Compound for Bright's and Kidney Diseases, \$1. for Diabetics. H. S. John, J. Fulton Co., 49 Washington street, San Francisco, sole compounders. Send for pamphlet. We are the sole agents for this city.

BLACK-DRAUGHT STOCK and POULTRY MEDICINE

Stock and poultry have few troubles which are not bowel and liver irregularities. Black-Draught Stock and Poultry Medicine is a bowel and liver remedy for stock. It puts the organs of digestion in a perfect condition. Prominent American breeders and farmers keep their herds and flocks healthy by giving them an occasional dose of Black-Draught Stock and Poultry Medicine in their food. Any stock raiser may buy a 25-cent half-pound air-tight can of this medicine from his dealer and keep his stock in vigorous health for weeks. Dealers generally keep Black-Draught Stock and Poultry Medicine. If you do not, send 25 cents for a sample can to the manufacturers, The Chattanooga Medicine Co., Chattanooga, Tenn.

ROCHESTER, Ga., Jan. 30, 1902.
Black-Draught Stock and Poultry Medicine is the best I ever tried. Our stock was looking bad when you sent me the medicine and now they are getting so fine. They are looking 25 per cent. better.
S. P. BROCKINGTON.

We make this bold assertion

NEAL'S ENAMEL. The kind for earthen and metal surfaces. Gives a genuine enamel finish.

NEAL'S BATH-TUB ENAMEL for bath-tubs, walls, ceilings and wood work of bath rooms or any surface exposed to hot or cold water.

NEAL'S SCREEN ENAMEL for screen doors and frames. NEAL'S CYCLE ENAMEL. Splendid for bicycles.
