FEMALE WEAKNESS

PORTLAND, MAININ Oct. 17, 1802.

I consider Wine of Cardul superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed meastration which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardul came as a God-send to me. I felt a change for the butter within a week. After nineteen days treatment I menstrusted without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I winh that all suffering women knew of its good qualities.
