

Our Correspondents' Corner

Brief Bits of Gossip From All Parts of the County.

Correspondents are requested to re- new their work. We will furnish all necessary stationery. The news from your neighborhood should appear in these columns every week.

GARFIELD.

Mike Heberlein has sold his farm for \$300.00. There are no forest fires between the Clackamas river and Eagle creek; nor in the mountains. We are all thankful for that. Youm has shut down his saw mill and began threshing. Henry Palmateer is engineer for the German threshing outfit. E. F. Surface and F. M. Gill were in Oregon City Monday on business. Miss Willie Allsbaugh, daughter of Cur- ricksville, died in St. Louis a few days since of typhoid fever. She was a beau- tiful young woman, well educated, and talented. She was an only daughter, and her untimely death is a sad one, indeed. The Odd Fellows have moved to their new hall at Estacada. They celebrated their entrance into it by initiating five candidates. The Gresham team put on the work. They are to be complimented on their proficiency. Mrs. Sarah Palmateer, Miss Cora You- cum, Miss Corie Lemon, sister, and friends have just returned from the moun- tains where they were picking huckle- berries. They were quite successful. Berries are very plentiful this year. All parties making the trip report good suc- cess. F. M. GILL.

EAGLE CREEK.

Ben Jacques was a visitor to Portland Tuesday. Mrs. Mary Young, sister of E. N. Foster returned to her home Tuesday. She re- sides at Condon, in the eastern part of the state. Threshing was in full blast Monday and Tuesday. The crop in this section can be easily sized up. The machine worked about two hours at each place. James Menane, of Portland, spent Sun- day with his family near here. Mrs. Nellie Davis and son of Mullino, is visiting with the family of Geo. Clester. Mark Sutton had business in Portland Monday. F. M. GILL.

HARMONY.

Mr. Miller has moved on Mr. Hall's place which he recently rented.

Frank and Ettie Hall and Mrs. Hall have moved to Corvallis where the former will attend college. The commu- nity regrets their absence. Mr. Hall is in Alaska.

Mr. Biddle left last week for a visit with relatives at San Jose, Cal. where he thinks some of locating.

Mr. Lyons with his family has returned from Hood River and taken up their abode in the M. Phillips house. Mr. Lyons is suffering with rheumatism and is in very poor health.

Mr. Hudson is pushing work on his residence.

A meeting was held in the school house last Friday evening in regard to an electric railway through this place. Mr. Charles Clarke of Clackamas, the prom- oter of the Portland-East Oregon City line was present and discussed the project, and much interest was manifested by all present. However it is not probable that a line will be built between these places in the immediate future as the most feasible route is a very costly one.

WILSONVILLE.

Grain threshing is nearly finished, and the yield is quite small.

Hoppicking will start in this vicinity next week. The pickers are all expect- ing fifty cents a box for picking.

A. D. Clutter still makes regular trips from Hood View to Wilsonville on Sun- day, and sometimes oftener. Arrive is all right.

Mr. Stabler, a nephew of Fred Stahl- necker, arrived from Wisconsin last week with his wife to visit friends and rela- tives in the West, also to take a trip across the country, as they expect to return home by way of New Orleans.

Mr. S. B. Seely met with a painful ac- cident last week by being kicked by one of his wild horses. He was hitching the horse to the wagon, and while standing at one side of the horse, the bunch-grass suddenly gave a lunge and kicked, and this was the last Mr. Seely knew for a time. He received a severe blow in the chest, breaking several ribs and the breast bone, and also a hard blow on the stomach. At last reports he was slowly improving. Dr. Geary of Aurora is at- tending him.

Miss Evelyn Olson took teachers' ex- amination at Oregon City, and received a first-class certificate.

Miss Edna Seely, who has been work- ing at Whites near Aurora, is at home again.

John R. Brobst, who has been running the county road engine, has returned home, being out of a job, the engine being laid up for a time.

STAFFORD.

The Borland-Keller fire still runs and men are kept busy trying to keep it in check. It has now got into the Wm. Schmitt's woods which are now the seat of operations. Tuesday night men came by the wagon load to help. Mosier's thresh- ing crew also, came. Some were up all night. Fred Oldenstadt has a small fire under control.

John Aden, who fell thirty feet into the well, is getting along remarkably. He walked out onto the porch Monday, ten days after the accident, though it is likely to be some time before his back is entirely well.

Bish Seely, who was kicked in the breast by a horse, seems to be the worst hurt of the two.

Henry Schmitt's horse, which was kicked in the jaw, is getting better.

There is not much news. People are interested in the progress of the fire more than anything else. They are also pre- paring to go hoppicking.

It is reported that George got married last Thursday, but we have been so busy we have not had time to investigate the rumor, and he will be an old married man and won't appreciate our music, if these pesky fires keep on.

Mr. Gage, who has hardly got over the jarring up of last week, when his colt tried to run away with the hinder, met with another mishap Wednesday, just a week from the former accident. The

SUPPORT

SCOTT'S EMULSION serves as a bridge to carry the weakened and starved system along until it can find firm support in ordinary food.

bolt that holds the seat-bar, broke and he fell off backwards and the seat and bar came after him striking him between the eyes, and cutting quite a rash over the right eye-brow and at the base of the right thumb nail. He begins to think that his field of oats is a hood doo, but he went at it again after mending the bolt and washing the blood from his face.

JAMES.

Still it's dry and dusty. Everybody is off to the huckleberry patch.

Robert Lyons of Bever Creek was visit- ing J. Gerbes Friday and Saturday.

T. N. Force, after a two weeks visit with his brother George of Vancouver, has returned home.

There will be basket meeting here again the first Sunday in September.

Bertley Ball goes to Portland Satur- day to attend school.

Johnnie Kelle is again on the mail route—can't get along without him.

Crowds of people pass every day for the huckleberry patch.

Dix Bros. finished threshing in this neighborhood Monday.

Abenathy Grange Social.

Saturday evening, August 20, the mem- bers of Abenathy Grange No 346, Park Place, and their friends, to the number of over a hundred met in their hall and held a basket social. A good program was rendered, after which Mr. Clyde, as auctioneer, proceeded to sell the baskets which numbered thirty-two. They had been furnished by the ladies, and of course were all beautiful inside and out. The bidding was decidedly spirited and good prices were obtained, ranging from 50 cents to \$4.35, total \$34.60. After the business was concluded, the hall floor was cleaned of obstructions and to music, supplied by Mr. E. Rowe, Piano, and Mr. Clyde, violin, the merry dancers en- joyed themselves for over an hour. All went home satisfied that they had en- joyed a pleasant and instructive even- ing.

GRANGER.

Deserves Your Patronage.

The growth of a community and the success of its local institutions depends entirely on the loyalty of its people. It is well enough to preach "patronize home industry," but except the service given at a home institution equals that of out- of-town enterprises, this argument car- ries no weight and is entirely disregard- ed, as it should be. But with Oregon City people it is different. A few months ago E. L. Johnson established the Cas- cade Laundry. It is equipped with the latest improved machinery and is daily turning out work that is equal to any and superior to much of the laundry work that is being done in Portland. Being a home institution and furnishing employment for many Oregon City peo- ple, it is enjoying an immense patronage. The high standard of the work being done commends it to the general public. Laundry left at the O. K. barber shop will be promptly called for and delivered. Packages will be called for and delivered to any part of the city. Telephone 1294. E. L. Johnson, proprietor.

ELDORADO.

Threshing is all done here.

The B. B. game Sunday, Curus vs. Shubel, ended in a free-for-all fight.

Mrs. Anderson, Jacksonville, Fla., daughter of Recorder of Deeds, West, who witnessed her signature to the following letter, praises Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—There are but few wives and mothers who have not at times endured agonies and such pain as only women know. I wish such women knew the value of Lydia E. Pinkham's Vegetable Compound. It is a remarkable medicine, different in action from any I ever knew and thoroughly reliable.

"I have seen many cases where women doctored for years without perma- nent benefit, who were cured in less than three months after taking your Vegetable Compound, while others who were chronic and incurable came out cured, happy, and in perfect health after a thorough treatment with this medicine. I have never used it myself without gaining great benefit. A few doses restores my strength and ap- petite, and tones up the entire system. Your medicine has been tried and found true, hence I fully endorse it."

—MRS. R. A. ANDERSON, 225 Washington St., Jacksonville, Fla.—\$5000 forfeit if original of above letter proving genuineness cannot be produced.

No other medicine for women has received such widespread and unquali- fied endorsement. No other medicine has such a record of cures of female troubles. Refuse to buy any substitute.

Everything is dry and everybody wishes for rain.

Lydia Hornschuch has been on the sick list, but is now slowly improving.

Misses Elmore and Laura Ginter have returned from Carna, where they have been cutting teasies.

The new house that is going up on the Waeger place is nearly completed.

Mrs. Lizzie Blumh, of Oregon City, visited her parents, Mr. and Mrs. G. Moehnke last Sunday.

Mrs. Anna Hornschuch, of Seattle, has been visiting with Mrs. C. Hornschuch a few weeks and returns to her home in a few days.

Moehnke Bros. returned from Hyland with their threshing machine Saturday night.

Miss Sadie Freeman visited Miss Gerlie Schuble Sunday.

George Kirbyson and family returned from Columbia Slough last Monday. We are glad to see their smiling faces once more.

W. D. Hill has almost finished his new barn.

Robert Ginter is thinking of putting up a new barn.

DOVER.

The weather has got cooler and there are some indications of rain. We would welcome it.

Mr. Robert Deshaizer is up home on a visit.

Mr. Erdman came home from the log- ging camp last Saturday. He has not heard anything about his cows yet.

A fire was set out in some slough Thursday. The wind raised and it swept through the dead snags, taking the fence and almost everything else before it. Mr. Upgrave's house and barn caught fire, but several men were there and they managed to put it out before much damage was done. Mrs. Coubage lost her house and barn. All their feed was burned. They saved some of their house- hold goods. The family is at Joe Deshaizer's until they get a house built.

Nearly Forfeits His Life.

A runaway almost ending fatally started a horrible ulcer on the leg of J. B. Orner, Franklin Grove, Ill. For four years it defied all doctors and all remedies. But Bucklen's Arnica Salve had no trouble to cure him. Equally good for Burns, Bruises, Skin Eruptions and Piles. 25c at Howell & Jones' drug store.

NEEDY.

Hop picking will begin next week. Hops are fine this year and the growers expect to make a small fortune.

Mr. Ginter returned from the huckle- berry field Monday. He reports that berries are very large and plentiful.

Herb Johnson has gone to Wilsonville for a few days work.

Charles Wolfer spent Sunday at Hub- bard visiting relatives.

Mr. Frank Fisk spent Sunday at R. W. Zimmermann's.

Mrs. Moreland and son Archie were at Canby Saturday.

Mrs. Eugene Gleason of Shaniko, is visit- ing her mother, Mrs. B. Wolfer.

Miss Sophia Nordhausen, of Barlow, called on friends here Monday.

Violent Attack of Diarrhoea Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy, and Perhaps a Life Saved.

"A short time ago I was taken with a violent attack of diarrhoea and believe I would have died if I had not gotten relief," says John J. Patton, a leading citizen of Patton, Ala. "A friend recom- mended Chamberlain's Colic, Cholera and Diarrhoea Remedy. I bought a twenty-five cent bottle and after taking three doses it was entirely cured. I consider it the best remedy in the world for bowel complaints. For sale by G. A. Harding.

The Secret of Long Life and How to Overcome Waste.

To "know thyself" is to take advantage of life's secrets and equip one's self with an armor which will successfully resist the attack of disease in the battle of life. The old idea of fate or "kismet," and that a person always dies when his time comes, is now exploded. Every mechanism, whether made by God or man, has a definite amount of wear and its life can be lengthened or shortened according to the care that is given it. If ac- cident or carelessness destroys the works of the watch or the human mechanism, an end comes to its usefulness, but it has not actually "worn out." Man's system at times gets rusty like the wheels of the watch and only needs a little cleaning and oiling to put it in shape for life's battles.

An imitation of nature's method of restoring waste of tissue and impoverish- ment of the blood and nervous force is used when you take an alternative extract of herbs and roots, without the use of alcohol, like Dr. Pierce's Golden Medical Discovery. This vegetable medicine coaxes the digestive functions and helps in the assimilation of food, or rather enables the organs to take from the food just the nutriment the blood requires.

Prof. J. E. Taugany, of St. Peter Street, Ore- gon, writes: "I had been ill for some time with La Grippe and did not regain my strength. With- in a week after using Dr. Pierce's Golden Medical Discovery, I was able to be around again, and I found that my system was entirely free from any of the bad effects of La Grippe. I now keep a bottle of the Golden Medical Dis- covery on hand, and when I catch cold, take a few doses, which keeps me in perfect health. As a builder up of lost strength and vitality, I do not believe your 'Discovery' has an equal.

Accept no substitute for Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach.

Dr. Pierce's Favorite Prescription

Dr. Pierce's Favorite Prescription is a powerful medicine for women, and is the only medicine of the kind that is pure and safe. It is a powerful medicine for women, and is the only medicine of the kind that is pure and safe. It is a powerful medicine for women, and is the only medicine of the kind that is pure and safe.

Mrs. Mary M. Thomas writes: "I am pleased to add my testimony in behalf of your 'Favorite Prescription.' I cannot find language to express my gratitude and joy over the fact that I am well once more. The wearing of corsets too tight seemed to have brought on an abdominal pressure, weaken- ing the ligaments and resulting in dis- placement, which troubled me until I was not fit to walk, and at times could hardly stand. What to do I knew not; medicine and doctors it seemed were of no help to me, until a neighbor advised me to try Dr. Pierce's Favorite Prescrip- tion. Before the first bottle was used I felt ever so much better; I hardly dared believe it could be permanent, but my improvement went steadily on, and within four months I was like a new and well woman once more. I am now perfectly well and strong, and extremely grateful to you for your blessed remedy—a boon to sick women."

Miss Earline Agard, Chaplain Patri- otic Daughters of America, 413 1/2 Michi- gan Avenue, Lansing, Michigan, writes: "Your 'Favorite Prescription' is cer- tainly a wonderful medicine for the ills of women. I have heard it spoken of

in highest praise by many, and so I was sure that my experience has only been that of one of many who certainly re- serve a good word. Alas! a year ago I began to have severe pains across my back brought on by a cold at the critical time, and each month afterward I was in pain and distress until I dreaded its approach. Your remedy was prescribed and the way it acted on my system was almost too good to be true. I certainly have regained my health and strength, and no longer have any pain nor that extreme lassitude. Am restored to per- fect health."

So uniformly successful has Dr. Pierce's Favorite Prescription proven in all forms of Female Weakness, Prosta- pus, or Falling of Womb, and Leuco- rrea, that, after over a third of a cen- tury's experience in curing the worst cases of these distressing and debilitat- ing ailments, Dr. Pierce now feels fully warranted in offering to pay \$500 in cash for any case of these diseases which he cannot cure.

"Favorite Prescription" makes weak women strong, sick women well. Ac- cept no substitute for this medicine.

"An Ounce of Prevention is Better Than a Pound of Cure."

The "Flowers of the East," as China is called, lies on the opposite side of the earth from us, and the Chinese ideas are often the very opposite of our own. For instance, a Chinaman will agree to pay his doctor a certain sum as long as he is well, stopping payment as soon as sick- ness overtakes him. According to Dr. Henry Thompson, more than half the sickness of the world is due to prevent- able causes which it would be wisest to employ some means to anticipate, rather than to cure their results. Medical in- tendance is of necessity, very expensive, until the doctor's service is a source of worry and anxiety to countless suf- ferers, and many a poor invalid will suffer torment, rather than add in this way to their often overwhelming liabilities. Dr. E. V. Pierce, founder and chief of staff of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., offers free medi- cal advice to all sufferers, through the medium of his world-renowned book, the "Common Sense Medical Adviser," which will be sent on receipt of thirty-one cents, to cover postage and wrapping. In case you are uncertain as to your condition, a letter addressed to him will be given personal attention, and an honest, careful consideration. All the facts of your trouble can be told him, as they will be held sacredly confidential, and at once, for delay may be dangerous.

"We guarantee that Dr. Pierce's Favorite Prescription does not contain alcohol, opium, or any harmful drug. It is a pure compound of medicinal plants scientifically combined. Persons making false statements concerning its ingredients will be prosecuted."
