Will Cure Kidney Diseases After They Have Fastened and Become Chronic But the Fult on Compounds. We Have Securthe Sole Agency for This Cit.

Fulton's Renal Compound enjoys the unique distinction of being the only thing known that sures kidney trouble in all its stages from the primary inflammation up to and includingthe chronic stage called Bright's Disease, which has been, up to the advent of this Compound, positively incurable. Then why not start with the Renal Compound at first rather than ordinary kidney medicines, all of which fall short if the disease has reached the chronic state! Then you will know you are right. No atatements are published by the Fulton people except offices that have reached the chronis stage, incurable by all other known medicines. flere is another recovery we are permitted to

Mrs. S. E. Cline of 1777 Broadway, San Fransizes, was prosounced by her physician as incurably ill with kidney disease that had become chronic (Bright's Disease). The also had diabetes. Another physician was called in. Dropsy had set in, the nails came off and he too said nothing known would save her. She was so far beyond help they told her not to further tornire herself by dieting. She went on the Falton Compounds. The third week was alightly better. The third month the nails he gan to come back, and a few months later was wall and began dropping the transform. An attorney, filean of Mrs. Clike, Judge E. B. Deserves Your Patronage. success of its local institutions depends entirely on the loyalty of its people. It is well enough to preach "patronize home industry," but except the service given at a home institution equals that of outof-town enterprises, this argument carries no weight and is entirely disregarded, as it should be. But with Oregon City people it is different. A few months ago E. L. Johnson established the Cascade Laundry. It is equipped with the latest improved machinery and is daily turning out work that is equal to any and superior to much of the laundry work that is being done in Portland. Being a home institution and furnishing employment for many Oregon City people, it is enjoying an immense patronage, The high standard of the work being done commends it to the general public. Laundry left at the O. K. barber shop will be promptly called for and delivered. Packages will be called for and delivered to any part of the city. Telephone 1204. E. L. Johnson, proprietor.
