In return for a franchise \$1509.11 for the work. Petition of G. W. Church and the permitting the establishing of an addi-

draymen of the city for the building of a platform for freight purposes stongside the S. P. Company's tracks in this city. was referred to the committee on streets and public property. Liquor licenses were issued to J. W

Cole, E. A. Brady and Frank Nehren. An ordinance creating Sewer District No. i was passed. Ordinances providing for the building of the new sewer, estab lishing the grade of Center street, and also for the improvement of Third street from the East line of Main street to the East line of Railroad Avenue were in troduced and ordered published.

Jackson street improvement bonds Nos 42 and 43 for \$137.58 and \$500 respect ively, were ordered taken up and cancelled

The bid of H. Jones of \$1.10 at the crusher or \$1.75 per cubic yard delivered for crushed rock for use on Seventh St. was received and consideration thereof deferred until next regular moting of the ouncil. In the meantime, the committee on streets and public property was anthorized to experiment with some of the took taken from the South End road. To the three aldermen from the Third Ward was referred the matter of deemining the cost of providing additional ights for the people of Kiy.

The committee on streets and public roperty was authorized to offer Mrs. ochran \$159 for a strip of land I feet wide off her two lots.

Street Commissioner Green was direct d to connect Center street with the South End road at a cost not to excerd \$150. An idea of the margin that is sometimes made in public improvement work, was in evidence in the various coposals the city authorities received rom contractors desiring to make this aprovement. The original offer includd an estimate of 1500. A second con tractor agreed to open the road for \$160 while a third knocked off another \$150 and offered to connect the two roads for \$200. oncluded that it might just as well per- to

street commissioner. Had the improvement been held open to offers much longer, it would not have been surprising to see some contractor offer a premium for the privilege of doing the work.

TYPHOID GERMS.

The microscope shows that in the blood of every person suffering from typhoid the little germs can be found as shown above. little germs can be found as shown above. They are supposed to get into the water or milk we drink. The germs multiply so that one germ is capable of producing about one hundred trillion germs is twen-ty-four hours. That is why if they ever get into the water supply of a town they multiply so fast that nearly everybody dinking the water comes down with the disease. There are exceptions, however, and they are the persons whose health is perfect, whose blood is pure, and liver active. When the germs get into a healthy body they are thrown off with the other poisons. Recent Chicago statistics show poisons. Recent Chicago statistics show that one-eighth of all the deaths in the past two years in that city have resulted from pneumonia.

The best advice we can give is to put the ody into a perfectly sound, healthy condi-ion. Be assured that you have rich, red blood and an active liver

blood and an active liver. Many years ago Dr. R. V. Pierce, who is consulting surgeon to the Invalids' Hotel and Surgical Institute at Buffalo. N. Y., found certain herbs and roots which, when made into an alreative extract (without the use of alcohol), seemed to be the very best means of putting the stomach, blood and vital organs into proper condition. This seemed to him as close to nature's way of treating disease as it was possible

way of treating disease as it was possible to go. For over a third of a century Dr. Pierce's Golden Medical Discovery has had a wonderful suie and the cures resulting from its use are numbered by thousands. It is a tissue builder, better than coo liver It is a thease-onider, better than coo over oil because it does not stoken the stomach, or offend the taste. It strengthens or renews the assimilative or digestive pro-cesses in the stomach and puts on healthy feels when the weight of the invalid is reduced below the normal. Accept no substitute for "Golden Med-ical Discovery." Nothing else is "just as mord."

also endorse it. This is what a physi-cian with more than a local practice, his practice being co-extensive with several counties, treatment of diseases of females being his specialty, writes:

Vorklown, Ark., July 20, 1003. DE. R. V. PIERCE, Buffalo, N. Y.: Dear Sir-I am not given to writing very much, but after using a remedy for years with uniform success I think it not out of place to write a few lines regarding same.

After finishing my education at the Missouri Medical College (the oldest college of any kind west of Mississippi River), in 1883, I commenced practicing medicine in this country. For a number of years I was very reluctant about using anything not strictly ethical, but for several years I have been using Dr. Pierce's Favorite Prescription with much success in treatment of the vari-ous female complaints. For young girls just changing to womanhood it is an excellent medicine to tide them through that change, and for all irregularities of the monthly period I find it the remedy. For pregnant women I use it to tone up and strengthen the delicate organs of generation. For ladies suffering about the time of change of life it is also a splendid remedy. I know there exists a prejudice with some doctors regarding the use of proprietory remedies, but after twenty years' experience I have learned to use any remedy that will benefit my patients, which I consider the logical view a doctor should take of the sub-Very respectfully, LELAND WILLIAMSON, M.
