

Mrs. Fairbanks tells how neglect of warning symptoms will soon prostrate a woman. She thinks woman's safeguard is Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Ignorance and neglect are the cause of untold female suffering, not only with the laws of health but with the chance of a cure. I did not heed the warnings of headaches, organic pains, and general weariness, until I was well nigh prostrated. I knew I had to do something. Happily I did the right thing. I took Lydia E. Pinkham's Vegetable Compound faithfully, according to directions, and was rewarded in a few weeks to find that my aches and pains disappeared, and I again felt the glow of health through my body. Since I have been well I have been more careful. I have also advised a number of my sick friends to take Lydia E. Pinkham's Vegetable Compound, and they have never had reason to be sorry. Yours very truly, Mrs. MAY FAIRBANKS, 216 South 7th St., Minneapolis, Minn."

WEEPING AT A WEDDING.

A Chinese Marriage is a Melodramatic Ceremony. A Chinese marriage is a solemn ceremony—no talk, no love and much crying. The solemnity of a funeral prevails. After the exchange of presents the bride is dressed with much care in a red gown—brocade or silk, if she can get it; her eyelashes are painted a deep black, and she wears a heavy red veil attached to a scarlet headress from which imitation pearls hang over the forehead. A feast is spread upon a table, to which the blushing bride is led by five or six friends. They are seated at the table, but no one eats. Deep silence prevails, when finally the mother starts crying, the maids follow, and the bride joins in the chorus. Then all the bridesmaids leave the table, and the disconsolate mother takes a seat beside the chair of state, where the bride sits. The bridegroom now enters with four of his men friends. The men pick up the throne on which the bride sits and, preceded by the bridegroom, form in procession and walk around the room or into an adjoining room, signifying that he is carrying her away to his own home. The guests then throw rice at the happy couple, a custom we have borrowed from them.

DUODECIMALISMS.

In Theory the Number 12 is a Better Unit Than 10. Herbert Spencer was ever opposed to the metric system. He was no such fool as to call the present British reckoning in pounds, shillings and pence satisfactory. His point was that the number 12 was a better unit than 10. Twelve is twice divisible where 10 is only once divisible. One-quarter of 10 is 2 1/2, not an integral number. There are other reasons, based upon the observed workings of the human mind, all tending to show that to reckon in dozens is more natural than to reckon in tens as soon as man grows beyond the finger counting stage. In scientific duodecimalism new characters would have to be designed for 10 and 11, while 12 itself would be written 10. The number now called 144 would be written as 100, and 1,728 would be 1000. The present number 100 would be 81. In the course of a hundred years or so, when people had got used to it, the duodecimal system would be just as convenient as the decimal. Twelve inches would make a foot, twelve feet a rod, and so on. In theory duodecimalism is sound. But it is not an easy thing to change a people's standards of money, weights and measures.—New York World.

WASHINGTON'S METHODS.

The Way the Father of His Country Considered Receptions. Presidential receptions at the White House nowadays are vastly different from those given by the Father of His Country when he was at the head of the government. Philadelphia was then the scene. The president rented a house at Sixth and Market streets for \$3,000 a year and dressed himself much more elaborately than he had for similar occasions in New York. On the occasion of a presidential reception a chosen few were admitted and formed a circle around the reception room. Then the president made the round, favoring each with a formal bow and a few words. Then he returned to his position before the fireplace, and they in turn were conducted to him, bowed and retired. There was no handshaking, his hands "being so bestowed as to indicate that the salutation was not to be accompanied with shaking hands." At these times our first president alone, too, in the matter of dress. Washington is described as resident in black velvet, silver knee and shoe buckles, long black silk stockings, his powdered hair tied in a silk bag or cue behind. He wore yellow gloves and held a cocked hat in his hand.—Ex change.

A Slave to Method.

A medical specialist was very much in the habit of using a notebook to assist his memory and insure precision. In course of time it happened that his aged father died. The worthy doctor attended the obsequies as chief mourner with due sobriety. At the close he was observed to take out his notebook and carefully to erase the words "Mem Bury father."—Scottish American.

Her Double Tax.

"Is there any foundation for the popular belief that the constituents of man's body are renewed once every seven years?" inquired the female medical student. "I do not know how it is with a man," replied the grumpy old professor, who does not approve of having women attend his lectures, "but I have read of a certain female whose body underwent two complete physical changes in the course of a very few minutes." "How and when did such a wonderful thing happen?" "It was last week. You remember she turned to rubber and then almost at once turned to ash!"

Large advertisement for FOLEY'S KIDNEY CURE. Text includes: 'DRIFTING TOWARDS BRIGHT'S DISEASE', 'Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.', 'FOLEY'S KIDNEY CURE stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.', 'How to Find Out. You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.', 'G. B. Burhans Testifies After Four Years. G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."', 'Two Sizes, 50 Cents and \$1.00.
