One of Many.

H. A. Tisdale, of Summerton, S. C., suffered for twenty years with the piles. Specialists were employed and many remedies used but relief and permanent good was found only in the use of DeWitt's Witch Hazel Salve. This is only one of the many cures that have been effected by this wonderful remedy. In buying Witch Hazel Salve it is only necessary to see that you get the genuine DeWitt's, made by E. C. DeWitt & Co., in Chicago, and a cure is certain. DeWitt's Witch Hazel Salve cures all kinds of piles, cuts, burns, bruises, eczema, tetter, ringworm, skin diseases, etc. Sold by G. A. Harding.

DOVER.

Mr. Robert Deshazler has been very sick. Dr. Smith has been attending him. He is some better.

and in a short time his feed lay in a small hill of ashes.

Mr. Guy Woodlee was the lucky one to find Mr. Erdman's cows.

We are having a fine rain. That is what we need. The ground was so hard the people could not dig the potatoes they raised.

Can You Eat?

J. B. Taylor, a prominent merchant of Christman, Tex., says: "I could not eat because of a weak stomach. I lost all strength and ran down in weight. All that money could do was done, but all hope of recovery vanished. Hearing of some wonderful cures effected by use of Kodol Dyspepsia Cure, I concluded to try it. The first bottle benefitted me, and after taking four bottles, I am fully restored to my usual strength, weight and health. Kodol Dyspepsia Cure digests what you eat and cures. Sold by G. A. Harding.

Chamberlain's Cough Remedy.

No one who is acquainted with its good qualities can be surprised at the great popularity of Chamberlain's Cough Remedy. It not only cures colds and grip effectually and permanently, but prevents these diseases from resulting in pneumonia. It is also a certain cure for croup. Whooping cough is not dangerous when this remedy is given. It contains no opium or other harmful sub-

stance and may be given as confidently to a baby as to an adult. It is also pleasant to take. When all these facts are taken into consideration it is not surprising that people in foreign lands, as well as at home, esteem this remedy very highly and very few are willing to take any other after having once used it. For sale by G. A. Harding.

DETAILS OF THE ACCIDENT.

Enterprise Correspondent Tells of Death of George Hostetter.

The following account of the death of George Hostetter at Needy, Monday afternoon last week, is furnished by the Needy correspondent to the Enterprise: George Hostetter, of this place, a young man who owned a thrasher and traction engine and also a hydraulic roller mill and feed chopper, was found in his mill on Monday forenoon under a large vat with his back broken.

It seems he was working alone in the mill and from all appearances he was engaged in putting a trough under the vat, which is used to receive the pulvise after they come from the press. Through another process are used for vinegar, which flows out through this trough into barrels, and it is supposed while hammering and being heavily loaded, the fastenings gave way and the vat with its awful load came down and crushed the man to death.

Life was extinct when the body was found, although the body was still warm, and was probably dead only a very short time when some neighbor came to the mill and found him.

Mr. Hostetter was 25 years of age, he leaves a young wife to mourn her loss, besides a father and mother and several brothers and sisters.

The funeral services were held in the new German church at Rock Creek and the body was interred in the grave yard adjoining the church. A large concourse of relatives and friends were in attendance. The young wife and parents have the heartfelt sympathy of all.

Mrs. P. E. Fish is visiting friends in Portland for a few days.

The Needy school convened Monday morning with Mr. Theodore Campau at the helm. The teacher and directors are planning to do some good work in the school this year.

Miss Alice E. Ritter has gone to Highland to take up teaching for the Fall and Winter.

Mr. J. Percy Ritter has taken the Logan school, and left last Sunday for the scene of action, where he will labor with the coming generation in the school room during the rainy season.

Mr. Henry Woller Jr., of Aurora, has moved his family in our midst, and has rented his father's place and is intending the propagating of a hop yard.

WHO KNOWS

When His Kidney Trouble Has Fastened and Reached the Chronic Stage? If It Has It Is Incurable by Anything Known Except the Fulton Compounds. We Are The Sole Agents.

As an evidence of the unusual character of the Fulton Compounds that company does not publish or invite testimonials except those reporting recoveries in kidney diseases that have reached the chronic stage, alleged to be incurable. Here is another recovery in a case incurable till the advent of the Fulton Compounds, reported by John & Johnson, the agents of the Fulton Compounds in Los Gatos:

W. B. Fridley, a resident of Los Gatos, having chronic kidney disease (Bright's Disease) had, like everybody else, found all treatments futile. He commenced on Fulton's Renal Compound in February, 1903, and on December 10 of the same year reported the total disappearance of the disease. He writes that he has gained fifteen pounds in weight and is again able to do a good hard day's work. John & Johnson, the Los Gatos druggists, confirm this recovery and know of several other recoveries in similar cases of chronic kidney disease in Los Gatos, all of which were incurable by anything else known to druggists. S. M. Palmer, the leading druggist of Santa Cruz, H. H. Maynard, the Paluma druggist, the Ferry Drug Company of No. 8 Market Street, San Francisco, W. R. Pond, the Berkeley druggist, Dr. Marley, the Cleveland druggist, Willis & Martin, the Sacramento druggists, and scores of other California druggists all report specific recoveries in chronic kidney diseases that were positively incurable by anything known except the Fulton Compounds.

Droopy rheumatism from uric acid, gout and bladder troubles are proofs that the kidneys are not performing their functions. The chronic stage of kidney trouble is Bright's Disease. If you feel languid or miserable, if your kidney trouble hangs on send for Pamphlet. Percentage of recoveries nearly 90 per cent among purely chronic cases. Fulton's Renal Compound for Bright's & Kidney Diseases, \$1. for Diabetes, \$1.50. John J. Fulton & Co., 49 W. Washington Street, San Francisco, sole compounders. Free analyses for patients. We are the sole agents for the Fulton Compounds in this city.
