ELDORADO.

The raffle-match at Mullino was O. K. Saturday, October 22. The farewell dance at Martins' was a decided success. Fred Heilman has rented his farm to Mr. Rhowalt of Mt. Pleasant and gone to Gray's River to run a dairy ranch. His son-in-law, J. P. Martin, went with him. Irvin Wheeler has rented the Olive farm at Prune Hill. A. L. W. H. and Harry Jones all went to the mountains Sunday for a week's hunt. C. T. Howard, our miller, has been buying Eastern Oregon wheat for winter work.

NEEDY.

Uncle Benjamin Roop, of Portland, for many years a resident of this place, died at his home in Portland and was buried at the Rock Creek cemetery near Needy, last Sunday. Mr. Roop was one of our early pioneers, and in the 60's taught a private school at his home in Needy, at which the writer attended when a boy. Mr. Roop was an upright and respected citizen and leaves many friends to mourn his demise. Many years ago Uncle Ben had a small menagerie, and went to San Francisco and was for many years superintendent of the Woodward Gardens. He leaves three sons and two daughters. The infant child of John Roge and wife died last week, also the infant of Harry Yoder and wife. They were

laid to rest in the Zion grave yard on Rock Creek. We noticed the County Surveyors in our midst last week surveying lines and setting corner stones for Mr. D. H. Wolfert. Our farmers are enjoying this nice weather digging spuds and seeding their land in fall grain. Uncle C. W. Noblitt made a business trip to Oregon City the first of the week.

Farmers are very busy plowing and sowing since the rain. John Mays came to the Hayes place with a load Tuesday. Says he has 70 acres already sown on the place at Pleasant hill, which he still retains for another year. He has ten acres of hops on it, and has been offered 30 1/2 cts, but is wanting more. Agnes Prince, who has been visiting friends in Frog Pond and Stafford, has gone to Portland. Mrs. Gebhart had the quinsy and was obliged to phone for a physician Friday night. He arrived from Oregon City at 11 o'clock and lanced her throat, since which she is slowly getting better.

Good for Children.

The pleasant to take and harmless One Minute Cough Cure gives instant relief in all cases of Cough, Croup and La Grippe, because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heats and soothes and cures permanently by enabling the lungs to contribute pure life-sustaining oxygen to the blood and tissues. Sold by G. A. Harding.

BEAVER CREEK.

Hot weather is the order of the day. Wm. Martin is improving rapidly. Wm. Scanton is about the same. R. H. Owens made a flying trip toward Hog's-Hollow this week. Relatives are visiting the Macord family at present. Helen Steudeman is visiting relatives at Ely this week. Miss Lizzie Parry left for the mountains this week. Miss Eva Lyman is visiting her parents this week. Jacob Bohlander will soon leave for Eastern Oregon. Archie McCard is enlarging his place. Beaver Creek must be alive as it takes two butchers to keep the live stock down, as Jacob Wedoer has just taken out a license to sell meat in large and small pieces. There will be a basket social at the Beaver Creek hall next Friday night. Come one, come all, have a good time. All the farmers in this burg are preparing to plant wheat. James Shannon was seen hauling lumber on the streets here this week. S. P. Landigan is giving his well a rest.

Makes a Clean Sweep.
There's nothing like doing a thing thoroughly. Of all the salves you ever heard of, Bucklen's Arnica Salve is the best. It sweeps away and cures burns, Sores, Bruises, Cuts, Bolls, Ulcers, Skin Eruptions and Piles. It's only 25 cents, and guaranteed to give satisfaction by Howell & Jones, druggists.

SHUBEL.

Farmers are all plowing and sowing. Albert Hornshuh has returned to Salem. Misses Laura Gunther, Bertha Frederick and Nellie Moenke spent Saturday with friends and relatives here. Jack Steiner, of Seattle, was visiting his parents here last week. C. Hornshuh has purchased a new seeder. Percy Ritter, of Logan, was seen on our streets Saturday. Grandma Shubel is visiting relatives in our burg. Judge Shubel is hunting out here. W. D. Hill and family intend leaving the latter part of the week for Eastern Oregon. Mr. and Mrs. Ed. A Thoughtful Man.

M. M. Austin, of Winchester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of and tried Dr. King's New Life Pills and she got relief at once and was finally cured. Only 25 cents at Howell & Jones' drug store.

STAFFORD.

Mr. Cain, on the Hayes place, has been baling his hay, preparing to leave. Apples are a general failure on account of the worms, but those who have plenty of hogs to turn in, are utilizing them to fatten pork. Mr. Wisenborn and his son-in-law, who lately came from Kansas, started for Tillamook county Wednesday morning. Mr. Durr, the Kansas man, wanted to see the big trees and fine dairy farms Oregon literature tells about. Mr. Holton, Prael & Hegle's man, passed through on his way to Wilsonville this week. He says the fire at St. Helens will result in a benefit to the town, as they are already commencing to build better, and he thinks the commissioners will decide to build the new court house on the outskirts of town, near Houlton, which will unite the two places. Mrs. Powell's mother and sister, who have been visiting her, have departed. Some are digging potatoes, but the most of the fields are green and growing yet, with few in the hill. Grapes were not very plentiful owing to a frost in the spring, but the dry summer had sweetened them like the vineyards of France.
