

Proverbs

"When the butter won't come put a penny in the churn," is an old time dairy proverb. It often seems to work though no one has ever told why.

When mothers are worried because the children do not gain strength and flesh we say give them Scott's Emulsion.

It is like the penny in the milk because it works and because there is something astonishing about it.

Scott's Emulsion is simply a milk of pure cod liver oil with some hypophosphites especially prepared for delicate stomachs.

Children take to it naturally because they like the taste and the remedy takes just as naturally to the children because it is so perfectly adapted to their wants.

For all weak and pale and thin children Scott's Emulsion is the most satisfactory treatment.

We will send you the penny, i. e., a sample free.

Be sure that this picture is the face of a label on the wrapper of every bottle of Emulsion you buy.

Identifies Singular Coin and Gives Its Discovery Peculiar Significance

Oregon City, Nov. 16, 1904.
Editor Enterprise:

I noticed in your issue of last week a report about a singular coin which was found in the vicinity of Wilholt Springs, and think I shall be able to give some explanation about the nature of the coin.

The word "Spiel münse" is German—"spiel" stands for our English word "play" or "game" and "Münse" has the same root as the English word "mint", but may in this case be more correctly translated by the word "coin," and pieces called "Spiel münse" are used in Germany for the same purpose as chips by card players in this country.

The word "compos" is an abbreviation for composition and means that the coin is spurious and composed of some base metals, perhaps brass and tin. When I was a boy, coins of that description could be bought in Germany, a dozen for the equivalent of three cents.

Now as to the question, "where did this peculiar coin or chip come from," I am inclined to think it was used in Oregon City and was only placed in hiding in the last few weeks in anticipation of a change in the city's government, and if the finders will look a little closer, they may find a whole gambling outfit and perhaps a few nickle-in-the-slot machines thrown in.

A RACE FOR LIFE.

Spurring his jaded horse to renewed efforts when the animal should be refreshed with proper food and rest, is about as sensible as prescribing nerve tonics, alcoholic compounds, coca mixtures and cocktails which only spur on the already weakened nervous system. Neither does it do to put the nerves to sleep with narcotics. When you feel worn-out, broken down, jaded, and feel the effects of brain tire as well as nerve weakness, sleeplessness and fatigue, take Dr. Pierce's Golden Medical Discovery, a tonic which will do you lasting good, build you up, increase your appetite and strength and improve the condition of the blood. When the blood is impoverished the nerves feel the effect. Nervousness in nine cases out of ten is the "cry of the starved nerves for food." Feed the nerves on rich blood and all nervous manifestations will cease.

It has been seven months since using Dr. Pierce's Golden Medical Discovery, and I only used three bottles of the medicine when it made me feel like a new man," writes S. A. Miller, M.D. (care of Mr. Amos H. R. D. Co.), Dayton, Ohio. "I had doctored with two local physicians without benefit. I felt all worn out, and had an awful misery in my back for two years but noticed a change for the better when I began using your 'Golden Medical Discovery.'"
