

Miss Bessie Brown.

How to Keep Happy.

DESPONDENCY is a thing of evil origin and evil results. Worry produces nothing but wrinkles and wretchedness. Let the reader put up a little note on her bureau, on her desk, and at the head of her bed, just two words, DON'T WORRY. Worry is the greatest foe to the happiness of any household. An anxious, despondent face, a fretful, complaining voice, will make every one uncomfortable. A woman's nerves are more truly the cause of worry than outside troubles. The nerves are to a woman's body the telegraph system, which surely warns her of any trouble in the feminine make-up. The nerves must be fed on pure, rich blood, or we become nervous. "Neuralgia" is only the cry of the starved nerves for proper food. So it is with the whole system—our bodies will not stand the strain of over-work without good, pure blood any more than an engine can run smoothly without oil. Here is the experience of Miss Brown which illustrates this point: "I have had such a wonderful experience with Dr. Pierce's Golden Medical Discovery that I do not hesitate to recommend it, believing it to be a wonderful medicine to build up the tissues of

the system," writes Miss Bessie Brown, Secretary Emerson Literary Association, 426 Kerman Avenue, Appleton, Wis. "Worry and nervous troubles had completely run down my health and strength; had no appetite, slept badly, and was in a state of nervous collapse. I tried many remedies until I became thoroughly discouraged and said that I would not take another bottle of patent medicine, but am glad that I changed my mind in favor of Dr. Pierce's Golden Medical Discovery, for to it I owe my present good health and strength. I took twelve bottles in all, and, each week, knew that I was getting better and stronger, until finally I was as well and strong as I had ever been. I have the utmost faith and confidence in your medicine, and wish to thank you for my good health, which is a blessing to anyone."

TAKEN FROM NATURE. From the pure fountain of nature flows the stream of energy and health, which renews and invigorates our race. In every period of the world's progress man has received their greatest strength and inspiration direct from nature. It is the greatest teacher and developer of mankind. Not only do we get inspiration from nature, but health as well. To live in the open, in the sunshine, in the fields or woods, drinking pure air into the lungs, is best for those who have the

opportunity. For people who are run-down, nervous, suffering from occasional indigestion or dyspepsia, headaches, night-sweats, whose machinery has become worn, it becomes necessary to turn to some tonic or strengthener which will help them to get on their feet and put the body into its proper condition. For centuries it has been known that nature's most valuable health-giving agents are roots, herbs, barks and berries, and some forty years ago Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., found a combination of roots, herbs and barks, taken from the fields and woods and made into an alterative extract, produced results in the system which were satisfactory in almost every case of blood disorder and stomach trouble. This concentrated extract of nature's vitality purifies the blood by putting the stomach into a healthy condition, helping the assimilation of food which feeds the blood, and putting the liver into activity. Nervousness and sleeplessness are usually due to the fact that the nerves are not fed on properly nourished blood. Dr. Pierce's Golden Medical Discovery makes pure, rich blood, and thereby all the organs of the body are run smoothly, like the machinery which runs in oil. In this way you feel clean, strong and strenuous—you feel braced up, and you are good for a whole lot of physical or mental work. Best of all, the strength and increase in vitality and health are lasting. The trouble with most tonics and medicines which have a large sale for a short time is that they are largely composed of alcohol holding the drugs in solution. This alcohol fairly shrinks up the red blood corpuscles, and so one may feel exhilarated and better for the time being, yet in the end weakened and with vitality decreased. Dr. Pierce's Golden Medical Discovery does not contain alcohol. The proof is easy. Distill a little in a glass retort and see for yourself. Every bottle of Dr. Pierce's Golden Medical Discovery bears the stamp of public approval. For the druggist to offer you something he claims is "just as good" is to insult your intelligence. What you want is a remedy without alcohol, and one which has stood the test of time. Dr. Pierce's Golden Medical Discovery cures diseases of the organs of digestion and nutrition and it gives strength to the whole body. When the weak stomach is made strong by "Golden Medical Discovery" then food is perfectly digested and assimilated, the nutrition derived from food is distributed to the several organs of the body, and the "weak" heart which was weak because it was not well fed becomes strong again. So with the weakness of the other organs of the body, it is cured when the stomach is cured. KNOW THYSELF. Read all about yourself, your system, the physiology of life, anatomy, hygiene, simple home cures, etc., in the "Common Sense Medical Adviser," a book of 1008 pages. Send to Dr. R. V. Pierce, Buffalo, N. Y., 37 cents in one-cent stamps for cloth-bound copy, or for paper-covered book 21 stamps.

We guarantee that Dr. Pierce's Golden Medical Discovery does not contain alcohol, opium, or any harmful drug. It is a pure compound of medicinal plants scientifically combined. Persons making false statements concerning its ingredients will be prosecuted. World's Dispensary Medical Association, J. B. Pinckney, President.

Miss Gulla Gannon, Sec'y Detroit Amateur Art Association, tells young women what to do to avoid pain and suffering caused by female troubles.

"DEAR MRS. PINKHAM:—I can conscientiously recommend Lydia E. Pinkham's Vegetable Compound to those of my sisters suffering with female weakness and the troubles which so often befall women. I suffered for months with general weakness, and felt so weary that I had hard work to keep up. I had shooting pains, and was utterly miserable. In my distress I was advised to use Lydia E. Pinkham's Vegetable Compound, and it was a red letter day to me when I took the first dose, for at that time my restoration began. In six weeks I was a changed woman, perfectly well in every respect. I felt so elated and happy that I want all women who suffer to get well as I did." —Miss GULLA GANNON, 359 Jones St., Detroit, Mich., Secretary Amateur Art Association. —\$5000 forfeit if original of above letter proving genuineness cannot be produced.
